Nineteen years after Frank's passing, Maud is the only person who can help the producers stay true to the spirit of the book ... But the moment she hears Judy Garland rehearsing the first notes of 'Over the Rainbow,' Maud recognizes the yearning that defined her own life story: from her youth as a suffragette's daughter to her coming of age as one of the first women in the Ivy League, from her blossoming romance with Frank to the hardscrabble prairie years that inspired The Wonderful Wizard of Oz"

FINDING DOROTHY

Jael has always felt like a freak. She's never kissed a boy, she never knew her mom, and her dad's always been superstrict—but that's probably because her mom was a demon, which makes Jael half demon and most definitely not a normal sophomore girl. On her sixteenth birthday, a mysterious present unlocks her family's dangerous history and Jael's untapped potential. What was merely an embarrassing secret before becomes a terrifying reality. Jael must learn to master her demon side in order to take on a vindictive Duke of Hell while also dealing with a twisted priest, best-friend drama, and a spacey blond skater boy who may have hidden depths. Author Jon Skovron takes on the dark side of human nature with his signature funny, heartfelt prose. Praise for Misfit « "An impeccably paced and unusually profound urban-fantasy novel. Thoughtful, scary and captivating." -Kirkus Reviews, starred review

As featured in the first year set texts reading list in Harry Potter and the Philosopher's Stone, 'Fantastic Beasts and where to find them' is an extensive introduction to the magical beasts that exist in the magical, non-Muggle world. Some of the animals featured in the A-Z you will have already met in the existing Harry Potter books: for example Hippogriff, Floberworm, Kappa - others you certainly won't: read on to find out exactly what a Chizpurple is, why there are so few Erumpents, or why one should always beware of the sinister Lethifold...As Albus Dumbledore says in his introduction, this set text book by Newt Scamander has given the perfect grounding to many a Hogwarts student. It will be helpful to all Muggles out there too... On reading the book you will also find that Harry, Ron and (in one instance) Hermione - couldn't resist graffitiing the book, and adding their own personal hand-written opinions. Did you know that : there are 700 ways of committing a foul in Quidditch? The game first began to evolve on Queerditch Marsh? What Bumping is? That Puddlemere United is oldest team in the Britain and Ireland league? (founded 1163) All this information and much more could be yours once you have read this book: this is all you could ever need to know about the history, the rules - and the breaking of the rules - of the noble wizarding sport of Quidditch.
