SIMMONS PHOENIX

Love, Lucas Penguin

From the 2016 recipient of the Astrid Lindgren award and author of international bestseller *How I Live Now*, National Book Award finalist *Picture Me Gone*, and most recently *Jonathan Unleashed* Finn was a beautiful orphan. H was a prep school misfit. On a September afternoon many years ago they met on a beach on the coast of England, near the ancient fisherman’s hut Finn was squatting in with his woodstove, a case of books, a striped blanket and a cat. H insinuates his way into Finn’s life—his blazing wood fires and fishing expeditions. Their friendship deepens, offering H the freedom and human connection that has always eluded him. But all too soon the idyll of their relationship is shaken by a heart-wrenching scandal. *What I Was* is the unforgettable story of H at the end of his life looking back on this friendship, which has shaped and obsessed him for nearly a century.

Binding Us Together Harper Collins

When two of Pete’s childhood classmates disappear from a carnival, he is a suspect, but his own investigation implicates other old friends he was with that evening--and a tough, knife-wielding enemy determined to keep him quiet.

Black Rabbit Summer Push

Nick Cruz thought it would be easy: join the Rest In Peace Department, solve his own murder, float up to heaven. But he wasn't counting on his new boss, his new partner, or the demonic newborn he'd meet on his first day out. Add to that the hellish imp who's searching for an archangel's sword and Cruz is headed for a whole mess of trouble! Life after death has never been this hard.

R.I.P.D. #2 Simon and Schuster

Positive. Negative. It's how you look at it. . . . Someone shoves a photo negative into Rowan's hands. She is distracted but, frankly, she has larger problems to worry about. Her brother is dead. Her father has left. Her mother won't get out of bed. She has to take care of her younger sister.

And keep it all together. . . . But Rowan is curious about the mysterious boy and the negative. Who is he? Why did he give it to her? The mystery only deepens when the photo is developed and the inconceivable appears. Everything is about to change for Rowan. . . . Finally, something positive is in her life. Award-winning author Jenny Valentine delivers a powerful and life-affirming story of grief, friendship, and healing that will resonate long after the last page.

A Swift Pure Cry Simon and Schuster

The girl, Baz, and the boy, Demi, are master pickpockets. They weave through rich neighborhoods to slip bags off shoulders and wallets out of pockets before disappearing into the crowd. Their loot goes to Fay, who runs a gang of child thieves from her den in the Barrio. This sweltering slum—in a city that is imagined, but all too real—is what passes for home to the kids, and Fay is what passes for family. That all changes the day Demi steals a magnificent blue ring. Soon, the police chief and the Barrio’s crime boss close in on Fay, and she begins to break under their pressure. Baz has never doubted Fay before. She’s never been apart from Demi, either. But soon, Baz is left alone to find her way through a world more corrupt than she’s ever realized. Here, the lives of children are thrown away without a moment’s hesitation. Here, the rich and powerful are just thieves on a larger scale. And somewhere in this wreck of a city, Baz must find the scraps of hope, the small acts of kindness, and the steely strength that will take her back to Demi and wash them both out of the Barrio for good.

Malarkey Lucas

With his father dead, Martyn has a choice. Tell the police - and become a murder suspect. Or get rid of the body and carry on. Whatever he decides, Martyn will discover that, while life is never simple, death is even tougher.

NAKED '76

Henry Holt and Company (BYR)

A twenty-fifth anniversary edition brings together the original, complete "Star Wars" novels in a single volume that includes "Star Wars : a New Hope," "The Empire Strikes Back," and "Return of

the Jedi."

LITTLE ME

Carolrhoda Lab ®

Caitlin's life changes the moment she sees Lucas walking across the causeway one hot summer's day. He is the strangest, most beautiful boy she has ever seen - and when she meets him, her world comes alive.

iBoy Penguin UK

Coolbar, Ireland, is a village of secrets and Shell, caretaker to her younger brother and sister after the death of their mother and in the absence of their father, is not about to reveal hers until suspicion falls on the wrong person.

See Through Me Electric Monkey

Brook High is a great grey concrete ants' nest of a school. John Malarkey is the new kid, thrown in at the deep end of Year 11. He's the wrong person in the wrong place at the wrong time. Through what at first appears to be a random meeting, he helps a girl called Mary Chase out of a tricky situation, but is subsequently accused of stealing report cards to sell to students so they can write their own bogus reports. He quickly realises it was all a set-up, and that he's been used to take the fall. The teacher who accuses him of the crime gives him one day to prove his innocence. Malarkey tries to track down Mary Chase, but it's difficult in such a huge place. He does, however, discover strange goings-on beneath the surface of the normal school day. The more questions he asks the deeper he becomes involved in the corrupt under-belly of the school. He's also noticed the peculiar fact that so many kids at Brook wear Adidas trainers - black with the three white stripes. He realises that these are the badge of membership worn by those involved in the school's 'mafia'. He discovers that the name of the organisation's leader is Freddie Cloth, and Mary Chase turns out to be Cloth's girlfriend. Malarkey is soon noticed for asking so many questions, and receives warnings and then threats to back down. But, with time quickly running out for him, he still has to prove his innocence. And the only way to do this is to get to Freddie Cloth.

Martyn Pig Scholastic Inc.

Sixteen-year-old Robert lies anaesthetized. A routine operation has just gone wrong. 'What the hell is that?' 'That, Mr Ryan, is the inside of this boy.' 'Christ . . . It looks like some kind of plastic.' As Robert slowly wakes, he can hear, he can feel, but he can't scream. The operation isn't over. But life, as Robert knows it, is. Robert goes on the run, terrified and desperate for answers. But what if the answers are too terrifying to face? This is Kevin Brooks at his very best 💎 powerful, intense, page-turning reading for teenage readers and beyond.

Penguin

When sixteen-year-old Kenzie wakes up in hospital in a darkened room, the doctors break the devastating news that she has been struck down by a rare genetic condition that means her skin has become transparent. She's a freak - the girl with see-through-skin. Kenzie wants to hide from the world. But then a photo of her goes viral, and to her horror she becomes a media sensation. And then the strangers come. Kenzie is no longer just a freak. She's a prize. Can her troubled love for Gabriel help her survive?

A Novel Scholastic Inc.

Narrated by the most compelling voice since Curious Incident of the Dog in the Night-time, this is a quirky and original voyage of self-discovery triggered by a lost urn of ashes.

Lucas Harper Collins

A stunning edition of Kevin Brooks' celebrated novel - a truly original, powerful and emotional story from the author of The Bunker Diary. 'It gets to you ... you want to tell everyone how good it is.' SUNDAY TIMES 'A particularly moving and unusual love story.' GUARDIAN 'A gripping story' FINANCIAL TIMES Caitlin's life changes from the moment she sees Lucas walking across the causeway one hot summer's day. He is the strangest, most beautiful boy she has ever seen - and when she meets him, her world comes alive. But to others, he quickly becomes an object of

jealousy, prejudice and hatred. Caitlin tries to make sense of the injustice that lurks at every unexpected twist and turn, until she realises that she must do what she knows in her heart is right.

Broken Soup Random House Digital, Inc.

People have simple needs. Food, water, light, space. Maybe a small measure of dignity. What happens when someone takes all that away? This pulse-pounding, award-winning novel explores what happens when your worst nightmare comes true.

What I Was HarperCollins UK

Me: Lucas Swain—I'm nearly sixteen years old and live in London. I was fairly normal until the night I found Violet. Then everything changed. The Missing: Dad. He disappeared five years ago. Nobody knows what happened to him, and nobody cares except me. It's enough to drive you crazy. The Dead: That's Violet . . . in the urn. Speaking of crazy—I know she's trying to tell me something, and I think it's about my father. . . . A dead lady may not be much to go on, but my dad's out there somewhere, and it's up to me to find out where.

The Road of the Dead Simon and Schuster

The hilarious, heart-warming and tear-jerking memoir from one of Britain's best-loved comedians and actors, Matt Lucas. Hello there. Welcome to my autobiography. Throughout this book I talk about my life and work, including Little Britain, Come Fly With Me, Bridesmaids, Les Misérables, Alice In Wonderland and, of course, Shooting Stars. The thing is, this is a bit different to most memoirs you may have read, because it comes in the form of an A-Z. For instance, B is for Baldy! - which is what people used to shout at me in the playground (not much fun), G is for Gay (because I'm an actual real life gay) and T is for the TARDIS (because I'm a companion in Doctor Who now). You get the sort of thing. Anyway I hope you buy it at least twice. Thank you.

LUCAS' COLOURS

HarperCollins UK

Zara collects phobias the way other high school girls collect lipsticks. Little wonder, since she's had a pretty rough life. Her father left when she was a baby, and her stepfather just died. Her mother's pretty much checked out - in fact, Mom's sent her to live with her grandmother in cold and sleepy Maine to "keep Zara safe." Whatever that means. Zara doesn't think she's in danger; she thinks her mother just can't deal. Zara's wrong. The man she sees everywhere - the tall creepy guy who points at her from the side of the road - yeh, he's not a figment of her imagination. He's a pixie. And not the cute, sweet kind with little wings. Maine's got a whole assortment of unbelievable creatures, like pixies and were-people. And they seem to need something - something from Zara... Look for the other exciting books in the Need series: Captivate, Entice, and coming next year, Endure!

She Thief Candlewick Press (MA)

This book is based on Kevin Brooks's Lucas, which I read, which captured me and which helped me through one of my lonely and desperate moments. It set free a curiosity to find out more about what was going on in Lucas. Hence, I tried to imagine a background and with it a boy that would make complete Katy's perspective in Kevin Brooks's Lucas and that makes his action understandable. This book can be seen as the flipside to the story in Kevin Brooks's book, but also as an answer which provides a new perspective telling a gripping coming-of-age story about the development from boy to man. However, finally, the motivation for this book is that I wanted to know more about Lucas and that I wanted to spend some more time with him.

Being Bloomsbury Publishing USA

Real life is messier than the movies. A bold, thought-provoking novel from the exceptionally talented, Steven Camden.
