Pathways Simon and Schuster

An original novel set in the universe of Star Trek: Voyager from New York Times bestselling author Kirsten Beyer—and the sequel to Atonement and Acts of Contrition! The Full Circle Fleet has resumed its unprecedented explorations of the Delta Quadrant and former Borg space. Commander Liam O'Donnell of the U.S.S. Demeter makes a promising first contact with the Nihydron—humanoid aliens that are collectors of history. They rarely interact with the species they study but have created a massive database of numerous races, inhabited planets, and the current geopolitical landscape of a large swath of the quadrant. When an exchange of data is proposed via a formal meeting, the Nihydron representatives are visibly shaken when Admiral Kathryn Janeway greets them. For almost a century, two local species—the Rilnar and the Zahl—have fought for control of the nearby planet Sormana, with both sides claiming it as their ancestral homeworld. The shocking part is that for the last several years, the Rilnar have been steadily gaining ground, thanks to the tactics of their current commanding officer: a human woman, who appears to be none other than Kathryn Janeway herself...™, ®, & © 2016 CBS Studios, Inc. Captain Chakotay, one-time Maquis resistance fighter, is ready to prove himself as the new commanding officer of the Starship Voyager - but sceptics back at Starfleet Command are watching him closely for any sign that he will revert to his renegade Maquis ways. His first mission as captain, to transport a group of displaced colonists back to their home planet of Loran II, seems easy enough: make sure the planet is safe for colonisation, unload the settlers, and head back to Earth. He even has an extra reason to enjoy the trip - his sister Sekaya has joined the mission as a spiritual advisor to the gentle and peace-loving colonists. But on Loran II hey discover a mysterious storm, an ominously deserted settlement and a hidden threat from Chakotay's past that could destroy them all. Will his career as captain be over before it has even begun?

STAR TREK: VOYAGER: DISTANT SHORES ANTHOLOGY

Simon and Schuster

The long-awaited follow-up to Voyager: Architects of Infinity from the New York Times bestselling author and cocreator of Star Trek: Picard! As the crew of the Full Circle fleet works to determine the fate of their lost ship, the Galen, a struggle for survival begins at the far edge of the galaxy. New revelations about Species 001, the race that built the biodomes that first drew the fleet to investigate planet DK-1116, force Admiral Kathryn Janeway to risk everything to learn the truth.

Seven of Nine Pocket Books/Star Trek

When the U.S.S. Voyager is dispatched on an urgent mission to the planet Kerovi, Captain Chakotay and his first officer, Commander Thomas Paris, must choose between following their orders and saving the lives of two of those dearest to them. B'Elanna Torres and her daughter, Miral, are both

missing in the wake of a brutal attack on the Klingon world of Boreth. With the aid of their former captain, Admiral Kathryn Janeway -- as well as many old friends and new allies -- Voyager's crew must unravel an ancient mystery, placing themselves between two warrior sects battling for the soul of the Klingon people...while the life of Miral hangs in the balance. But these events and their repercussions are merely the prelude to even darker days to come. As Voyager is drawn into a desperate struggle to prevent the annihilation of the Federation, lives are shattered, and the bonds that were forged in the Delta Quadrant are challenged in ways that none could have imagined. For though destiny has dealt them crushing blows, Voyager's crew must rise to face their future...and begin a perilous journey in which the wheel of fate comes full circle.

Star Trek: The Next Generation: Before Dishonor Simon and Schuster

The eagerly awaited continuation of OLD WOUNDS! Captain Chakotay and his sister, Sekaya, are being held captive beneath the surface of Loran II by a Changeling -- an outcast Founder masquerading as Chakotay's second-in-command, Andrew Ellis. To Chakotay's horror, the Changeling gives the two prisoners over to the infamous Cardassian scientist Crell Moset, who plans to use Chakotay's Sky Spirit-enhanced DNA to create a super species that will bring him the fame and acceptance he craves. Leaving Chakotay and Sekaya to their fate, the Changeling assumes Chakotay's image and infiltrates the Starship Voyager™, putting the entire crew at risk. Dr. Jarem Kaz and Lieutenant Harry Kim, increasingly suspicious of their captain's odd behavior, turn to Admiral Janeway and Lieutenant Commander Tom Paris for help. As Paris races to save Voyager from catastrophe, the real Chakotay must undertake a "Spirit Walk" that could set him and his sister free -- or lead to their ultimate destruction....

A MONTCLAIR HOMECOMING

LUNA

An all-new novel based on the landmark TV series Star Trek: Deep Space Nine from the acclaimed author of A Big Ship at the Edge of the Universe! Jadzia Dax has been a friend to Etom Prit, the Trill Trade Commissioner, over two lifetimes. When Etom visits Deep Space Nine with the request to rein in his wayward granddaughter Nemi, Dax can hardly say no. It seems like an easy assignment: visit a resort casino while on shore leave, and then bring her old friend Nemi home. But upon arrival, Dax finds Nemi has changed over the years in terrifying ways...and the pursuit of the truth will plunge Dax headlong into a century's worth of secrets and lies!™, ®, & © 2021 CBS Studios, Inc. A hundred years before the Starship Voyager was transported to the Delta Quadrant, Lieutenant Tuvok served under one of Starfleet's most famous officers: Captain Hikaru Sulu of the Starship Excelsior. Now those days have come back to haunt him. While traveling through an uncharted nebula, Tuvok is besieged by recurring memories of his time with Captain Sulu—repressed memories that may well kill him unless their source is determined

in time. To save her closest friend, Captain Kathryn Janeway follows Tuvok to the century-old bridge of the Excelsior during a desperate battle. There Tuvok, Captain Janeway, Captain Sulu and Commander Janice Rand must face a menace to galactic life unlike anything known before...

Fractured history. Broken lives. Splintered souls. Since the alternate universe was first glimpsed in the classic episode "Mirror, Mirror," something about Star Trek's dark side has beckoned us, called to us, tempted us -- like forbidden fruit on the Tree of Knowledge. To taste it is to lose oneself in a world of startling familiarity and terrifying contradictions, where everything and everyone we knew is somehow disturbingly different, and where shocking secrets await their revelation. What began in 2007 with *Glass Empires* and *Obsidian Alliances* -- the first truly in-depth foray into the turbulent history of this other continuum -- now continues in twelve new short tales that revisit and expand upon that so-called "Mirror Universe," spanning all five of the core incarnations of Star Trek, as well as their literary offshoots, across more than two hundred years of divergent history, as chronicled by... William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: *Nemesis*, Praetor Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

Star Trek Voyager Simon and Schuster

Washed up on a faraway galactic shore, Captain Kathryn Janeway of the U.S.S. Voyager™ faced a choice: accept exile or set a course for home, a seventy-thousand-light-year journey fraught with unknown perils. She chose the latter. Janeway's decision launched her crew on a seven-year trek pursuing an often lonely path that embodied the purest form of the Starfleet adage "to boldly go..."™ Committed to that difficult road, Voyager's crew was rewarded with unimaginable experiences on strange and fantastic worlds, encountering exotic alien species and astonishing phenomena...and challenged along the way by conflicts from within as well as from without. Yet none of their adventures tempered their shared determination to find a way back to friends and family.

In all of his travels Captain Jean-Luc Picard has never faced an opponent more powerful than Q, a being from another continuum that Picard encountered on his very first mission as Captain of the Starship Enterprise™. In the years since, Q has returned again and again to harass Picard and his crew. Sometimes dangerous, sometimes merely obnoxious, Q has always been mysterious and seemingly all-powerful. But this time, when Q appears, he comes to Picard for help. Apparently another member of the Q continuum has tapped into an awesome power source that makes this being more powerful than the combined might of the entire Q continuum. This renegade Q is named Trelane -- also known as the Squire of Gothos, who Captain Kirk and his crew first encountered over one hundred years ago. Q explains that, armed with this incredible power, Trelane has become unspeakably dangerous. Now Picard must get involved in an awesome struggle between super beings. And this time the stakes are not just Picard's ship, or the galaxy, or even the universe -- this time the stakes are all of creation...

Q-Squared Pocket Books/Star Trek

After seven long years in the Delta Quadrant, the crew of the Starship Voyager now confront the strangest world of all: home. For Admiral Kathryn Janeway and her officers, Voyager's miraculous return to planet Earth brings new honours and new responsibilities. For some there are reunions with long-lost loved ones, while for others such as the Doctor and Seven of Nine, there is the challenge of forging new lives in a Federation that seems to hold little place for them. But even as Janeway and the others go their separate ways, pursuing new horizons and opportunities, a strange cybernetic plague strikes Earth, transforming men, women and children into a new generation of Borg. Soon the entire planet faces assimilation, and Voyager -- newly returned from the heartland of the Borg -- may be to blame.

The Odyssey Simon and Schuster

An enemy so intractable that it cannot be reasoned with. The entire race thinks with one mind and strives toward one purpose: to add our biological distinctiveness to their own and wipe out individuality, to make every living thing Borg. In over two centuries, the Federation has never encountered a greater threat. Twice Starfleet assembled and threw countless starships to stand against them. The Borg were stopped, the price paid in blood. Humanity breathed a sigh of relief, assuming it was safe. And with the destruction of the transwarp conduits, the Federation believed that the killing blow had finally been struck against the Borg. Driven to the point of extinction, the Borg continue to fight for their very existence, for their culture. They will not be denied. They must not be stopped. The old rules and assumptions regarding how the Collective should act have been dismissed. Now the Borg kill first, assimilate later. When the Enterprise manages to thwart them once again, the Borg turn inward. The dark places that even the drones never realized existed are turned outward against the enemy they have never been able to defeat. What is revealed is the thing that no one believed the Borg could do.

Star Trek: Voyager: Spirit Walk #2: Enemy of My Enemy Simon and Schuster

The most talented Starfleet engineers of two generations unite to solve a two-hundred-year-old technological mystery that turns out to be only the beginning of a wider quest. With the support of Guinan and Nog, as well as the crew of the U.S.S. Challenger, Geordi La Forge and Montgomery Scott soon find themselves drawn into a larger, deadlier, and far more personal adventure. Helped by old friends and hindered by old enemies, their investigation will come to threaten everything they hold dear. Seeking out the new, and going where no one has gone before, Geordi, Scotty, and Guinan find that their pasts are very much of the present, and must determine whether any sufficiently advanced technology is really indistinguishable from magic.

STAR TREK: VOYAGER: SPIRIT WALK #1: OLD WOUNDS

Simon and Schuster

New York Times–bestselling series: The saga of one of fantasy's most beloved heroes reaches a sweeping, epic climax in this conclusion to the Homecoming trilogy. Something akin to "peace" has come to the Underdark. The demon hordes have receded, and now the matron mothers argue over the fate of Drizzt Do'Urden. Even so, it becomes clear to one matriarch after another that while the renegade drow may come and go, Menzoberranzan, the City of Spiders will crawl forever on. And so Drizzt is free to return to his home on the surface once again. Scores are settled as lives are cut short, yet other lives move on. For the lone drow there is only a single final quest: a search for peace, for family, for home—for the future. Hero is the third book in the Homecoming trilogy and the thirty-third book in the Legend of Drizzt series.
