FLYING MAGAZINE

The Peaceful Silence is a book of 365 meditations, one meditation per page. Each one opens with a quotation from the teachings of Archangel Gabriel, who channeled through a dedicated clergyperson for twelve years. The author's words follow and after her words, each meditation closes with a quotation from current (past 100 years) literature. This is the final book of meditations in a trilogy. The first was titled "Homeward Bound," the second "Be Still and Know" (available at Trafford.com/bookstore).
