SUTTON CORTEZ

The Tale of Two Sisters RH/Disney

Fearless optimist Anna sets off on an epic journey—teaming up with rugged mountain man Kristoff and his loyal reindeer Sven—to find her sister Elsa, whose icy powers have trapped the kingdom of Arendelle in eternal winter. Encountering Everest-like conditions, mystical trolls and a hilarious snowman named Olaf, Anna and Kristoff battle the elements in a race to save the kingdom. This Step 2 Step into Reading leveled reader brings all the magic and adventure of Disney Frozen to children ages 4-6 who are just learning to read on their own.

The Sister's Tale CreateSpace

Anna and Elsa are sisters, but they couldn't be more different. Can they ever be friends too? Disney Adventures in Reading, Level 1: Variety of high-frequency words Longer sentences Two or three sentences per page Disney Learning: Adventures in Reading is a delightful series of stories for beginner readers, featuring favourite characters from the wonderful world of Disney. The programme's four levels and relevant Book Band colours help you select the books that are just right for your child's developing reading ability. * Green book band *

Sisters Redhook

Dear Avon Books, Where are my heroes? Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is

for him to have his own story. Like Jake Linley, from *Someone to Watch Over Me* by Lisa Kleypas...that doctor could sit by my bedside if I ever got sick. And Ned Blydon in *Splendid* by Julia Quinn...he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until Simon of Ravenswood in *Master of Desire* by Kinley MacGregor came along. Anyway, I just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan

Some books are so special that there is more than one hero to love, but only a single story is told. So if you find yourself asking, "Where is my hero?" you'll discover the answer right here in this delicious collection by New York Times bestseller Lisa Kleypas, New York Times bestseller Julia Quinn and USA Today bestseller Kinley MacGregor.

THE IMPORTANCE OF BEING SCANDALOUS

Knopf

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "[A] skillfully crafted gothic mystery . . . Johnson pulls off a great feat in this book." —Financial Times "It reminded me, in its general refusal to play nice, of early Ian McEwan." —The New York Times Book Review "Johnson crafts an aching thriller about the dangers of loving too intensely." —Time From a Booker Prize finalist and international literary star: a blazing portrait of one darkly riveting sibling relationship, from the inside out. "One of her generation's most intriguing authors" (Entertainment Weekly), Daisy Johnson is the youngest writer to have been shortlisted for the Man Booker Prize. Now she returns with *Sisters*, a haunting story about two sisters caught in a powerful emotional web and

wrestling to understand where one ends and the other begins. Born just ten months apart, July and September are thick as thieves, never needing anyone but each other. Now, following a case of school bullying, the teens have moved away with their single mother to a long-abandoned family home near the shore. In their new, isolated life, July finds that the deep bond she has always shared with September is shifting in ways she cannot entirely understand. A creeping sense of dread and unease descends inside the house. Meanwhile, outside, the sisters push boundaries of behavior—until a series of shocking encounters tests the limits of their shared experience, and forces shocking revelations about the girls' past and future. Written with radically inventive language and imagery by an author whose work has been described as "entrancing" (The New Yorker), "a force of nature" (The New York Times Book Review), and "weird and wild and wonderfully unsettling" (Celeste Ng), *Sisters* is a one-two punch of wild fury and heartache—a taut, powerful, and deeply moving account of sibling love and what happens when two sisters must face each other's darkest impulses.

THE STORY SISTERS

W. W. Norton & Company

Come along for four sparkling underwater adventures with mermaid Shelly Siren and her fin-tastic friends! In this collection, the mermaids start school at Trident Academy, sing with cute merboy band the Rays, swim to the ocean's surface in search of whales, and escape scary sharks.--Page 4 of cover.

AGING WITH GRACE

Simon and Schuster

Captivating and boldly imaginative, with a tale of sisterhood at its heart, Rena Rossner's debut fantasy invites you to enter a world filled with magic, folklore, and the dangers of the woods.

*Publishers Weekly: Best Book of 2018: SF/Fantasy/Horror

*BookPage: Best Book of 2018: Science Fiction & Fantasy "With luscious and hypnotic prose, Rena Rossner tells a gripping, powerful story of family, sisterhood, and two young women trying to find their way in the world." — Madeline Miller, bestselling author of *Circe* In a remote village surrounded by vast forests on the border of Moldova and Ukraine, sisters Liba and Laya have been raised on the honeyed scent of their Mami's babka and the low rumble of their Tati's prayers. But when a troupe of mysterious men arrives, Laya falls under their spell -- despite their mother's warning to be wary of strangers. And this is not the only danger lurking in the woods. As dark forces close in on their village, Liba and Laya discover a family secret passed down through generations. Faced with a magical heritage they never knew existed, the sisters realize the old fairy tales are true. . . and could save them all. Discover a magical tale of secrets, heritage, and fairy tales weaving through history that will enchant readers of *The Bear and the Nightingale*, *Uprooted* and *The Golem* and the Jinni. Praise for *The Sisters of the Winter Wood*: "Intricately crafted, gorgeously rendered. . . full of heart, history, and enchantment." —Publishers Weekly (starred review) "A richly detailed story of Jewish identity and sisterhood. . . Ambitious and surprising." —Kirkus For more from Rena Rossner, check out *The*

Light of the Midnight Stars.

A Tale of Two Sisters Macmillan

This is the special Signature Edition of *The Tale of Two Sisters* by Terence Steele. *The Tale of Two Sisters* is an inspiring story about two very unique sisters who are both young single mothers.

Together, always energetic, strong and optimistic, they meet the daily challenges of urban life in the great city of Chicago. Looking for love, happiness and material success, sometimes in the wrong places, the two sisters still find time for humor, laughter, and always for sisterhood and family togetherness. Their lives are disrupted in a big way one special, mysterious day, when a handsome man, who calls himself an Angel, shows up at their doorsteps (or was it really in their dreams?) Their angelic visitor has come to spread dreadful viruses. Sickness, sadness, struggle, surprises, money, discoveries, awakenings, blessings - and maybe even miracles occur during the weeks that follow in the two sisters' lives. Many readers will also benefit from the blessings they will be reminded of and experience when they read and enjoy this story. *The Tale of Two Sisters* is a tale that shows the power of healing, peace, and love that emerge when we realize that in each and every one of us there is an Angel and that we can have our own Heaven on Earth. Angels are sometimes disguised as everyday heroes, good samaritans, neighbors, teachers, and even well-wishers. As soon as we begin to understand that we are all connected in one way or another... and begin to truly appreciate the impact we can have on each other's lives, we will begin to walk in the true spirit of Love. We should each take the time to be an Angel to someone else with the intention of doing our part to give back to humanity. As it

says in the Lord's Prayer, we need not look to Heaven for Angels... let "Thy kingdom come, Thy will be done on Earth as it is in Heaven." Angels - as we never really know yet their true form, can be as close to us as our husband or wife, our mother or father, our children, or even appear as the people who show up at our front door. It is when you are at your worst that an Angel may show up for you and alleviate you of your worries. So, in return, you ought to be an Angel to others in their times of need. An Angel's faithfully hidden appearance keeps us guessing as to whom they may be, but one thing is for sure... that it could be you .. or even maybe me. Always in Love T.S. This Signature Edition includes as a special gift to readers this author's favorite poem "Soul Mates"

A Tale of Two Sisters (Disney Frozen) Entangled: Amara From the award-winning author of *Mistress of Spices*, the bestselling novel about the extraordinary bond between two women, and the family secrets and romantic jealousies that threaten to tear them apart. Anju is the daughter of an upper-caste Calcutta family of distinction. Her cousin Sudha is the daughter of the black sheep of that same family. Sudha is startlingly beautiful; Anju is not. Despite those differences, since the day on which the two girls were born, the same day their fathers died--mysteriously and violently--Sudha and Anju have been sisters of the heart. Bonded in ways even their mothers cannot comprehend, the two girls grow into womanhood as if their fates as well as their hearts were merged. But, when Sudha learns a dark family secret, that connection is shattered. For the first time in their lives, the girls know what it is to feel suspicion and distrust. Urged into arranged marriages, Sudha and Anju's

lives take opposite turns. Sudha becomes the dutiful daughter-in-law of a rigid small-town household. Anju goes to America with her new husband and learns to live her own life of secrets. When tragedy strikes each of them, however, they discover that despite distance and marriage, they have only each other to turn to. Set in the two worlds of San Francisco and India, this exceptionally moving novel tells a story at once familiar and exotic, seducing readers from the first page with the lush prose we have come to expect from Divakaruni. *Sister of My Heart* is a novel destined to become as widely beloved as it is acclaimed.

The Heart Between Us Simon and Schuster

A spellbinding coming of age novel about three sisters and the relationships and choices that shape their lives from the bestselling author of Reese Witherspoon Book Club pick, *The Rules of Magic* "This bewitching novel explores the bonds of sisterhood like a haunting modern fairy tale."—*Glamour* Each of three sisters—Elv, Claire, and Meg—has a fate she must meet alone: one on a country road, one in the streets of Paris, and one in the corridors of her own imagination. Inhabiting their world are a charismatic man who cannot tell the truth, a neighbor who is not who he appears to be, a clumsy boy in Paris who falls in love and stays there, a detective who finds his heart's desire, and a demon who will not let go. What does a mother do when one of her children goes astray? How does she save one daughter without sacrificing the others? How deep can love go, and how far can it take you? These are the questions this luminous novel asks. At once a coming-of-age tale, a family saga, and a love story of sensual longing, *The Story Sisters* sifts through the miraculous and the mundane as the girls become women and

their choices haunt them, change them and, finally, redeem them. It confirms Alice Hoffman's reputation as "a writer whose keen ear for the measure struck by the beat of the human heart is unparalleled" (The Chicago Tribune).

Ever After High: The Tale of Two Sisters Crown

Sisters separated by war forge new identities as they are forced to choose between family, nation, and their own independence. "Exceptional...[A] gripping narrative of one family divided by the 'bamboo curtain.'" —Deirdre Mask, New York Times Book Review

Jun and Hong were scions of a once great southern Chinese family. Each other's best friend, they grew up in the 1930s during the final days of Old China before the tumult of the twentieth century brought political revolution, violence, and a fractured national identity. By a quirk of timing, at the end of the Chinese Civil War, Jun ended up on an island under Nationalist control, and then settled in Taiwan, married a Nationalist general, and lived among fellow exiles at odds with everything the new Communist regime stood for on the mainland. Hong found herself an ocean away on the mainland, forced to publicly disavow both her own family background and her sister's decision to abandon the party. A doctor by training, to overcome the suspicion created by her family circumstances, Hong endured two waves of "re-education" and internal exile, forced to work in some of the most desperately poor, remote areas of the country. Ambitious, determined, and resourceful, both women faced morally fraught decisions as they forged careers and families in the midst of political and social upheaval. Jun established one of U.S.-allied Taiwan's most important trading companies. Hong became one of the most celebrated doctors in China, appearing on national

media and honored for her dedication to medicine. Niece to both sisters, linguist and East Asian scholar Zhuqing Li tells her aunts' story for the first time, honoring her family's history with sympathy and grace. *Daughters of the Flower Fragrant Garden* is a window into the lives of women in twentieth-century China, a time of traumatic change and unparalleled resilience. In this riveting and deeply personal account, Li confronts the bitter political rivals of mainland China and Taiwan with elegance and unique insight, while celebrating her aunts' remarkable legacies.

THE SISTERS OF THE WINTER WOOD

Crown

This is the tale of two sisters being held captive by their loved ones. The role of caregiver was thrust upon them, without invitation or consent, and they found themselves on the road to the worst of times and miraculously, the best of times. Linda's caregiving challenges came to an end just as Bonnie's came to light, yet they have chosen to weave their vignettes and stories back and forth. Linda's tale unfolds gradually as God shows her, through significant flashbacks, how He had already prepared her for her assignment. Bonnie's tale is straight-forward, with practical, creative caregiving insights gained through the Lord's very present on-the-job training. Their circumstances were different, but both give amazing examples of how Alzheimer's brought surprising blessings. They experienced unexpected times of joy as their caregiving journey drew them closer to the Lord's heart--even though they were reluctant caregivers.

A Tale of Two Sisters Little, Brown Books for Young Readers
One of the great epics of Hawaiian mythology is the story of Pele, goddess of Hawai'i's volcanoes, and her youngest sister,

Hi'iakaikapoliopole. Pele was driven out of her homeland after a quarrel with her older sister Namakaokaha'i, a sea goddess. She readied her great double-hulled voyaging canoe and left Kahiki, sailing to Hawai'i. She was accompanied by a number of relatives, including her youngest sister, Hi'iaka, the heroine of our story. None of the islands seemed to suit Pele until she reached Hawai'i, the largest island. In the upland region, Pele settled into the fiery lava pit of Kilauea, and our story begins there. While in a dream state, Pele followed the sounds of hula pahu drums and traveled to Kaua'i, meeting the handsome young chief, Lohi'au. Pele asked her youngest sister, Hi'iaka, to undertake a journey to fetch her new lover. Hi'iaka, with her companions, encountered many adventures on her journey; battling reptilian moʻo, healing people in need, making new friends and traveling throughout the islands. This is a passionate story of love, healing, betrayal, and reconciliation, culminating in the reunion of parted lovers, lavishly illustrated by one of Hawai'i's most celebrated artists, Dietrich Varez.

A Tale of Two Sisters Scholastic Inc.

New York Times Bestseller Finalist for the 2022 Pulitzer Prize in Biography "Janice P. Nimura has resurrected Elizabeth and Emily Blackwell in all their feisty, thrilling, trailblazing splendor."

—Stacy Schiff Elizabeth Blackwell believed from an early age that she was destined for a mission beyond the scope of "ordinary" womanhood. Though the world at first recoiled at the notion of a woman studying medicine, her intelligence and intensity ultimately won her the acceptance of the male medical establishment. In 1849, she became the first woman in America to receive an M.D. She was soon joined in her iconic achievement

by her younger sister, Emily, who was actually the more brilliant physician. Exploring the sisters' allies, enemies, and enduring partnership, Janice P. Nimura presents a story of trial and triumph. Together, the Blackwells founded the New York Infirmary for Indigent Women and Children, the first hospital staffed entirely by women. Both sisters were tenacious and visionary, but their convictions did not always align with the emergence of women's rights—or with each other. From Bristol, Paris, and Edinburgh to the rising cities of antebellum America, this richly researched new biography celebrates two complicated pioneers who exploded the limits of possibility for women in medicine. As Elizabeth herself predicted, "a hundred years hence, women will not be what they are now."

A horse race in trousers on Rotten Row. Visiting a gaming hall in a dress that would make her mother faint. Sneaking an invitation to a masquerade ball attended by only the wickedest, most debauched members of society... None of these things are scaring off bookish but strong-willed Amelia Bishop's stuffy, egotistical fiancé. The only thing left is to entice childhood friend Nicholas Wakefield into a truly engagement-ending scandal. The Wakefields are the height of propriety, and Nicholas's parents have made it clear a wife from the neighboring Bishop family would be unacceptable... But Nicholas would give up his family and his fortune if Amelia would ever see him as more than just a childhood friend. He'll go along with her scheme, even if it means ruining them both, because he's got a plan that will change her mind about him being merely the boy next door. Each book the Tale of Two Sisters series is STANDALONE: * The Importance of Being Scandalous * A Scandal By Any Other Name
