DANIEL SIMMONS

THE LIGHTNING THIEF

Algonquin Books

The New York Times

bestselling book
coauthored by the Nobel
Prize winner who
discovered telomerase
and telomeres' role in the
aging process and the
health psychologist who
has done original research
into how specific lifestyle
and psychological habits

can protect telomeres,
slowing disease and
improving life. Have you
wondered why some
sixty-year-olds look and
feel like forty-year-olds
and why some forty-year-
olds look and feel like
sixty-year-olds? While
many factors contribute

to aging and illness, Dr. Elizabeth Blackburn discovered a biological indicator called telomerase, the enzyme that replenishes telomeres, which protect our genetic heritage. Dr. Blackburn and Dr. Elissa Epel's research shows that the length and health of one's telomeres are a biological underpinning of the long-hypothesized mind-body connection. They and other scientists have found that changes we can make to our daily habits can protect our telomeres and increase

our health spans (the number of years we remain healthy, active, and disease-free). The Telomere Effect reveals how Blackburn and Epel's findings, together with research from colleagues around the world, cumulatively show that sleep quality, exercise, aspects of diet, and even certain chemicals profoundly affect our telomeres, and that chronic stress, negative thoughts, strained relationships, and even the wrong neighborhoods can eat away at them.

Drawing from this scientific body of knowledge, they share lists of foods and suggest amounts and types of exercise that are healthy for our telomeres, mind tricks you can use to protect yourself from stress, and information about how to protect your children against developing shorter telomeres, from pregnancy through adolescence. And they describe how we can improve our health spans at the community level, with neighborhoods

characterized by trust, green spaces, and safe streets. The Telemere Effect will make you reassess how you live your life on a day-to-day basis. It is the first book to explain how we age at a cellular level and how we can make simple changes to keep our chromosomes and cells healthy, allowing us to stay disease-free longer and live more vital and meaningful lives.

Women Who Love Too

Much Verso Books

From A to Z, the Penguin Drop Caps series collects 26 unique

hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared

everywhere from Tiffany & Co. to Wes Anderson's recent film Moonrise Kingdom to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect

to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War. Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the "cemetery of lost books," a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been

systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets--an epic story of murder, madness, and doomed love. [If I Stay](#) Vintage Traumatized by memories of his war-ravaged country, and with his son and daughter-in-law dead, Monsieur Linh travels to a foreign land to bring the child in his arms to safety.

The other refugees in the detention center are unsure how to help the old man; his caseworkers are compassionate, but overworked. Monsieur Linh struggles beneath the weight of his sorrow, and becomes increasingly bewildered and isolated in this unfamiliar, fast-moving town. And then he encounters Monsieur Bark. They do not speak each other's language, but Monsieur Bark is sympathetic to the foreigner's need to care for the child. Recently widowed and equally

alone, he is eager to talk, and Monsieur Linh knows how to listen. The two men share their solitude, and find friendship in an unlikely dialogue between two very different cultures. Monsieur Linh and His Child is a remarkable novel with an extraordinary twist, a subtle portrait of friendship and a dialogue between two cultures.

Nineteen Eighty-Four

Penguin

In a single moment, everything changes. Seventeen year-old Mia has no memory of the

accident; she can only recall riding along the snow-wet Oregon road with her family. Then, in a blink, she finds herself watching as her own damaged body is taken from the wreck... A sophisticated, layered, and heartachingly beautiful story about the power of family and friends, the choices we all make—and the ultimate choice Mia commands.

New Moon Farrar, Straus and Giroux

Discusses "loving too much" as a pattern of thoughts, feelings, and

behaviors which certain women develop as a response to various problems in their family backgrounds.

THE FOUR

Penguin

NEW YORK TIMES

BESTSELLER USA TODAY

BESTSELLER Amazon,

Apple, Facebook, and

Google are the four most influential companies on the planet. Just about

everyone thinks they

know how they got there. Just about everyone is

wrong. For all that's been

written about the Four

over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world's first trillion-dollar company, can

anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career.

Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

MOUNTAIN BALLADS FOR SOCIAL SINGING

The House on Mango Street

Free Play is about the inner sources of spontaneous creation. It is about where art in the widest sense comes from. It is about why we create and what we learn when we do. It is about the flow of unhindered creative

energy: the joy of making art in all its varied forms. Free Play is directed toward people in any field who want to contact, honor, and strengthen their own creative powers. It integrates material from a wide variety of sources among the arts, sciences, and spiritual traditions of humanity. Filled with unusual quotes, amusing and illuminating anecdotes, and original metaphors, it reveals how inspiration arises within us, how that inspiration may be blocked, derailed or obscured by certain

unavoidable facts of life, and how finally it can be liberated - how we can be liberated - to speak or sing, write or paint, dance or play, with our own authentic voice. The whole enterprise of improvisation in life and art, of recovering free play and awakening creativity, is about being true to ourselves and our visions. It brings us into direct, active contact with boundless creative energies that we may not even know we had. *The Remains of the Day*
A&C Black

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic

socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a

province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden

relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Like Water for Chocolate
Disney Electronic Content
Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have

been the most boring move she ever made. But once she meets the mysterious and alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply

romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb

inside them and live there." -- Time "A literary phenomenon." -- The New York Times
A Thousand Splendid Suns
Bantam
Explains how to break patterns of thinking that lead to anger, depression and violence, transform potential conflicts into compassionate dialogues, speak your mind without creating resistance or hostility, hear whatever is said to you as a "please" or "thank you", create greater depth and caring in your intimate relationships, and

motivate with compassion rather than with fear, guilt or shame.

THE POWER OF NOW

Lippincott Williams & Wilkins

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the

Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes

dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

Wonder Little, Brown Books for Young Readers One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world

come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

No-Drama Discipline

Harper Collins

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles.

Lately, mythological monsters and the gods of Mount Olympus seem to be walking straight out of

the pages of Percy's Greek mythology textbook and into his life. Book #1 in the NYT best-selling series, with cover art from the feature film, *The Lightning Thief*.

THE COUPLE NEXT DOOR

FEB Editora/CEI

BOOKER PRIZE WINNER • From the winner of the Nobel Prize in Literature, here is "an intricate and dazzling novel" (The New York Times) about the perfect butler and his fading, insular world in post-World War II

England. This is Kazuo Ishiguro's profoundly compelling portrait of a butler named Stevens. Stevens, at the end of three decades of service at Darlington Hall, spending a day on a country drive, embarks as well on a journey through the past in an effort to reassure himself that he has served humanity by serving the "great gentleman," Lord Darlington. But lurking in his memory are doubts about the true nature of Lord Darlington's "greatness," and much

graver doubts about the nature of his own life.

El Tunel Vintage

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Daniel Goleman

Omnibus Houghton Mifflin Harcourt

Complete edition of *The Great Gatsby* by F. Scott Fitzgerald. Written in and describing the decadent period of 1920's America, Fitzgerald's lyrical verse is a tragically simple love story that is strangely profound. This is a

haunting classic that stays with the reader.

Jones & Bartlett Publishers
Now a global bestseller, the remarkable life of Rigoberta Menchú, a Guatemalan peasant woman, reflects on the experiences common to many Indian communities in Latin America. Menchú suffered gross injustice and hardship in her early life: her brother, father and mother were murdered by the Guatemalan military. She learned Spanish and turned to catechistic work

as an expression of political revolt as well as religious commitment. Menchú vividly conveys the traditional beliefs of her community and her personal response to feminist and socialist ideas. Above all, these pages are illuminated by the enduring courage and passionate sense of justice of an extraordinary woman.

The spirits' book Knopf Books for Young Readers
Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life

assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Beckmann and Ling's Obstetrics and

Gynecology Prentice Hall
After you have read The Spirits' Book, you will no longer have any reason to fear death. The Spirits' Book will provide you with the answers to nearly all the questions you may

have with regards to the origin, nature and destiny of each and every soul on earth - and those of other worlds as well. It also addresses the issues of God, creation, moral laws and the nature of spirits and their relationships with humans. The book contains answers that were dictated to mediums by highly evolved spirits who love God. The Spirits' Book is the initial landmark publication of a Doctrine that has made a

profound impact on the thought and view of life of a considerable portion of humankind since the first French edition was published in 1857.

THE MAGIC OF THINKING BIG

Vintage

What people say is often very different from what they think or feel. Body language by Allan Pease is just what you require to know those feelings which people often try to hide.
