Elizabeth
Baxter
prepares to
celebrate her
daughter
Kari's wedding
to Tim Jacobs.
It's supposed
to be the
happiest of

growing sense
of dread. Is
the storm a

sign?
Something

Elizabeth
knows it.
Indeed, there

coursing
through the
Baxter family.
In the midst of
them, Kari

starting to panic. Is marrying Tim a mistake? And what about her family? Her brother Luke is angry and resentful of their sister Ashley, who has recently returned from Paris, a single mom with a son she too often leaves with their parents. At the same time, Ashley and their sister Brooke have lost the faith that is the family's glue. Against all this, Kari sees Ashley rejecting her longtime love,

Landon Blake, who clearly cares for her, no matter what happened in Paris. When the storm reaches a terrifying crescendo, a shocking moment of danger brings important truths to light. At the end of the long day, can the Baxters remain a family, tested but stronger? *To the Moon and Back* Zondervan Book 5 in the Christian fiction series that has sold over 1.5

TWO WEEKS

Multnomah From #1 New York Times bestselling author Karen Kingsbury comes a classic story about second chances, featuring the beloved Baxter family and a young father who

finds his whole world turned upside down on the eve of his divorce. What if you could see into the future and know what will happen tomorrow, if you really walk out that door today. Pay attention. Life is not a dress rehearsal. From their first meeting, to their stunning engagement and lavish wedding, to their happily-ever-after, Noah and Emily Carter seemed meant to be. They have a

special kind of love—and they want the world to know. More than a million adoring fans have followed their lives on Instagram since the day Noah publicly proposed to Emily. But behind the carefully staged photos and encouraging posts, their life is anything but a fairytale, and Noah's obsession with social media has ruined everything. Distraught, Emily reaches out to her friend Kari Baxter Taylor

and tells her the truth: Noah and Emily have decided to call it quits. He is leaving in the morning. But when Noah wakes the next day, everything is different. Emily is gone and the kids are years older. Like Scrooge in A Christmas Carol, bizarre and strange events continue throughout the night so that Noah is certain he's twenty years older, and he is desperate for a second chance. Now it

would take a miracle to return to yesterday. When *We Were Young* is a rare and beautiful love story that takes place in a single day. It's about knowing what tomorrow will bring if you really walk out that door today—and the gift of being able to choose differently. [Once Upon a Campus](#) Simon and Schuster When Kari Baxter is assigned an essay about what she wants to be

when she grows up, her mind goes blank. She doesn't want to grow up; she wants everything to stay just like it is. But Kari comes to realize that while making time stand still isn't possible, she can enjoy every moment with her best family ever. Meanwhile, Ashley Baxter feels the same way. She is worried her siblings are growing up too fast. When she wins the role of Wendy in her school performance of Peter Pan,

Ashley gets an idea. Maybe she and her siblings can pledge to never grow up at all!

FOREVER

Simon and Schuster
At thirty-one, Ellen Barrett has already won a Pulitzer prize. Sadly, though, her

skill as a journalist far surpasses her ability to sort out her troubled past, so she's less than eager to return to picturesque Petoskey, Michigan, for her beloved father's funeral. When she most needs comfort, her husband is distant and her siblings antagonistic -- and the solace an old sweetheart offers is almost too much to resist. In the end, going home to the shores of Little

Traverse Bay is an emotional and spiritual journey for Ellen -- a rediscovery of what is truly important and eternal in her life. *A Moment of Weakness* Simon and Schuster
A heartwarming story about childhood friends, broken lives, and a long ago promise that just might offer the hope of love for today. Years ago, the day before Ellie moved from Georgia to California, she

and her best friend Nolan sat beneath the Spanish moss of an ancient oak tree where they wrote letters to each other, and sealed them in a rusty old metal box. The plan was to return eleven years later and read them. But now, as that date arrives, much has changed. Ellie, bereft of the faith she grew up with, is a single mom living in a tired apartment trying to make ends meet. Sometimes

she watches television to catch a glimpse of her old friend - Nolan, now an NBA star, whose terrible personal tragedies fueled his faith and athletic drive in equal measure. But Nolan also suffers from a transcendent loneliness that nothing has ever eased. In their separate lives, as Ellie and Nolan move toward the possibility of a reunion at the oak tree, Kingsbury weaves a tale of heart-wrenching

loss, the power of faith, and the wounds that only love can heal.
