To assist in mastering Italian grammar, this text explains a concept as it applies to English and presents the same concept as it applies to Italian. It illustrates the differences between the two languages and guides the selection of the correct form.

English Grammar in Use Supplementary Exercises Book with Answers Routledge

Is this the right book for me? Essential Italian Grammar is an up-to-date introduction to Italian grammar. You don't need to know a lot about grammar before you start. Everything is explained simply and there are lots of examples to illustrate each point. Unlike more traditional grammars, Essential Italian Grammar is structured so that you can look up language forms according to what you want to say, even if you don't know the grammatical term for them. If you already know some grammar, then you can use the 'reference grammar' section at the back of the book to look up the points you need. The course consists of 22 units illustrating the various uses to which the language can be put: for example, giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures, such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly. This edition contains a 'taking it further' section which will direct you to further sources of real Italian. Essential Italian Grammar will help you to understand and manipulate Italian grammar with confidence because: - you need no prior knowledge of grammatical terminology to use it - the approach is accessible and supportive - the examples are clear and in context - exercises help you practise every point Essential Italian Grammar includes: Chapter 1: Asking for and giving personal information Chapter 2: Identifying people and things Chapter 3: Asking about availability Chapter 4: Talking about location Chapter 5: Stating choice and preference Chapter 6: Talking about the present Chapter 7: Talking about routine and habits Chapter 8: Talking about possibility and asking permission Chapter 9: Giving orders and instructions Chapter 10: Talking about possession Chapter 11: Talking about events and actions in the past Chapter 12: Describing the past Chapter 13: Talking about the Future Chapter 14: Talking about wants and preferences Chapter 15: Describing processes and procedures Chapter 16: Talking about likes and dislikes Chapter 17: Asking for and giving an opinion Chapter 18: Expressing obligation and need Chapter 19: Expressing emotions and uncertainty Chapter 20: Expressing wishes or polite requests Chapter 21: Expressing regrets Chapter 22: Expressing conditions Learn effortlessly with a new easy-to-read page design and interactive features: Not got much time? One, five and ten-minute introductions to key principles to get you started. Author insights Lots of instant help with common problems and quick tips for success, based on the author's many years of experience. Test yourself Easy to find and learn, to build a solid foundation for speaking. End-of-unit summaries and online tests Summaries and tests to help you keep track of your progress. Extend your knowledge Extra online articles to give you a richer understanding of the culture and history of Italy.
