Indian After Independence: The Great Betrayal Psychology Press
White Mughals is the romantic and ultimately tragic tale of a passionate love affair that crossed and transcended all the cultural, religious and political boundaries of its time. James Achilles Kirkpatrick was the British Resident at the court of the Nizam of Hyderabad when in 1798 he glimpsed Kahir un-Nissa—'Most excellent among Women'—the great-niece of the Nizam's Prime Minister and a descendant of the Prophet. Kirkpatrick had gone out to India as an ambitious soldier in the army of the East India Company, eager to make his name in the conquest and subjection of the subcontinent. Instead, he fell in love with Khair and overcame many obstacles to marry her—not least of which was the fact that she was locked away in purdah and engaged to a local nobleman. Eventually, while remaining Resident, Kirkpatrick converted to Islam, and according to Indian sources even became a double-agent working for the Hyderabadis against the East India Company. It is a remarkable story, involving secret assignations, court intrigue, harem politics, religious and family disputes. But such things were not unknown; from the early sixteenth century, when the

Inquisition banned the Portuguese in Goa from wearing the dhoti, to the eve of the Indian mutiny, the 'white Mughals' who wore local dress and adopted Indian ways were a source of embarrassments to successive colonial administrations. William Dalrymple unearths such colourful figures as 'Hindoo Stuart', who travelled with his own team of Brahmins to maintain his temple of idols, and who spent many years trying to persuade the memsahibs of Calcutta to adopt the sari; and Sir David Ochterlony, Kirkpatrick's counterpart in Delhi, who took all thirteen of his wives out for evening promenades, each on the back of their own elephant. In *White Mughals*, William Dalrymple discovers a world almost entirely unexplored by history, and places at its centre a compelling tale of love, seduction and betrayal. It possesses all the sweep and resonance of a great nineteenth-century novel, set against a background of shifting alliances and the manoeuvring of the great powers, the mercantile ambitions of the British and the imperial dreams of Napoleon. *White Mughals*, the product of five years' writing and research, triumphantly confirms Dalrymple's reputation as one of the finest writers at work today.

Indian Summer Little, Brown Books for Young Readers

A Christian Science Monitor Best Book of the Year From the award-winning author of *Waiting and War Trash*: a riveting tale of espionage and conflicted loyalties that

spans half a century in the entwined histories of two countries—China and the United States—and two families. When Lilian Shang, born and raised in America, discovers her father's diary after the death of her parents, she is shocked by the secrets it contains. She knew that her father, Gary, convicted decades ago of being a mole in the CIA, was the most important Chinese spy ever caught. But his diary, an astonishing chronicle of his journey as a Communist intelligence agent, reveals the pain and longing that his double life entailed—and point to a hidden second family that he'd left behind in China. As Lilian follows her father's trail back into the Chinese provinces, she begins to grasp the extent of his dilemma: he is a man torn between loyalty to his motherland and the love he came to feel for his adopted country. She sees how his sense of duty distorted his life, and as she starts to understand that Gary too had been betrayed, Lilian finds that it is up to her to prevent his tragedy from endangering yet another generation of Shangs. A stunning portrait of a multinational family and an unflinching inquiry into the meaning of citizenship, patriotism, and home, *A Map of Betrayal* is a spy novel that only Ha Jin could write. From the Hardcover edition.

ONE OF BARACK OBAMA'S BEST BOOKS OF 2019 THE TIMES HISTORY BOOK OF THE YEAR FINALIST FOR THE CUNDILL HISTORY PRIZE 2020 LONGLISTED FOR THE BAILLIE GIFFORD PRIZE FOR NON-FICTION 2019 A FINANCIAL TIMES, OBSERVER, DAILY TELEGRAPH, WALL STREET JOURNAL AND TIMES BOOK OF THE YEAR 'Dalrymple is a superb historian with a visceral understanding of India ... A book of beauty' - Gerard DeGroot, The Times In August 1765 the East India Company defeated the young Mughal emperor and forced him to establish a new administration in his richest provinces. Run by English merchants who collected taxes using a ruthless private army, this new regime saw the East India Company transform itself from an international trading corporation into something much more unusual: an aggressive colonial power in the guise of a multinational business. William Dalrymple tells the remarkable story of the East India Company as it has never been told before, unfolding a timely cautionary tale of the first global corporate power.

Betrayal Simon and Schuster

The Betrayal of the Negro (originally published as *The Negro in American Life and Thought: The Nadir, 1877-1901* and subsequently expanded) is the only full-scale account to document with encyclopedic research this neglected period in American history. The author examines every aspect of our country's post-Reconstruction retreat from equality: the economic factors, the Supreme Court decision, Booker T.

Working from both primary and secondary sources, Walter Reid explores Britain's role in the creation of the modern Middle East and the rise of Zionism from the early years of the 20th century to 1948, when Britain handed over Palestine to UN control. This is the first major assessment of Britain's role in the Middle East where the consequences of British involvement in the region can still be felt today. At the end of the First World War Britain and to a much lesser extent France created the modern Middle East. The possessions of the former Ottoman Empire were carved up with scant regard for the wishes of those who lived there. Britain was quick to see the riches promised by the black pools of oil that lay on the ground around Baghdad. Conflicting and ambiguous promises had been made to the Arabs during the war but were not honored. Brief hopes for Arab unity were dashed, and a harsh belief in Western perfidy persists to the present day. This study seeks to answer how much Britain is to blame for the instability of the region and of the world-wide tensions that threaten the 21st century.

PICK "In the way A Thousand Splendid Suns told of Afghanistan's women, Thrity Umrigar tells a story of India with the intimacy of one who knows the many facets of a land both modern and ancient, awash in contradictions." —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* In this riveting and immersive novel, bestselling author Thrity Umrigar tells the story of two couples and the sometimes dangerous and heartbreaking challenges of love across a cultural divide. Indian American journalist Smita has returned to India to cover a story, but reluctantly: long ago she and her family left the country with no intention of ever coming back. As she follows the case of Meena—a Hindu woman attacked by members of her own village and her own family for marrying a Muslim man—Smita comes face to face with a society where tradition carries more weight than one's own heart, and a story that threatens to unearth the painful secrets of Smita's own past. While Meena's fate hangs in the balance, Smita tries in every way she can to right the scales. She also finds herself increasingly drawn to Mohan, an Indian man she meets while on assignment. But the dual love stories of Honor are as different as the cultures of Meena and Smita themselves: Smita realizes she has the freedom to enter into a casual affair, knowing she can decide later how much it means to her. In this tender and evocative novel about love, hope, familial devotion, betrayal, and sacrifice, Thrity Umrigar shows us two courageous women trying to navigate how to be true to their homelands and themselves at

the same time.

Hostages to India Penguin

Freedom From Alien Subjugation On 15Th August 1947, Was The Monumental And Immemorable Triumph Of The Consolidated, Consistent, Heroic And Patriotic Endeavours Of The Teeming Millions Of Indians Without Any Ethnic Discrimination. It Is, Neither The Monopoly Nor The Prerogative, Of Any Particular Political Party Or Any Individual To Sustain And Cherish It, Because We Have Pledged It To Be A Collective National Duty. It S Dereliction Is Treachery. In The Constitution Of India Adopted By The People On 26Th January 1950, This Pledge Is Ordained Under Article 51 A, Which Inter Alia Mandates Cherish And Follow The Noble Ideals Which Inspired National Struggle For Freedom; To Uphold And Protect Its Integrity; To Promote Harmony And Spirit Of Common Brotherhood Amongst All Indians; Transcend–Ing Religious, Linguistic, Regional, Sectional Diversities, To Value And Preserve Rich Heritage Of The Composite Culture And To Strive Towards Excellence In All Spheres Of Individual And Collective Activity So That The Nation, Con–Stantly, Rises To Higher Levels Of Endeavour And Achievement . And This Pledge Has Been Grossly Betrayed.After 50 Years Of Independence When We Are Busy In Celebrating Its Golden Jubilee, Simultaneously, It Is Time For Honest, Sincere And Conscious Introspection Whether The Country And Its Citizens Acquired And Sustained All-Round Progress; Whether There Is Economic Stability; Deprivation From Unemployment, Poverty, Hunger, Ill-Literacy, Insurgency And Terrorism. Whether There Is Throughout Peace And Tranquillity, Control On Crimes And Criminals And Justice Through The Rule

Of Law . Contrarily, People Witness Pervading Anarchy And Chaos. In Phases, Joy Turned Into Gloom, Sorrow, Grief, Despair And Finally Distress Leaving The Ill-Fated Countrymen To Scour Out The Positive Answer Whether They Betrayed The Mother Land, Or The Political Parties And Their Leaders, Who Administered For Five Decades, Betrayed Them And The Country. In This Book, Betrayal Of Indian Democracy, The Saga Of Perfidy Has Been High-Lighted In Truthful, Forthright And Incisive Manner Along With The Molecular Analysis Of The Factors, Contributing To The Prevalent Socio-Economic And Political Debacle; Which Cumulatively Threaten National Catastrophe .

India Da Capo Press

The Himalayas have saved India from many invasions, but when a veteran Border Intelligence Officer dies a cold death in the deep mountains, the intelligence establishment is sent into a tizzy. The information he extracted before dying confirms their worst nightmares. Little do they know it's just the beginning of a covert invasion that would change the Asian intelligence order forever. At a time when the Indians are trying to recover from the deadly Mumbai attacks, a more sinister plan is put into motion. The Indians call upon their best, and so Abhimanyu finds himself pulled from his honeymoon. His personal life has been put on hold, once again. From the high Himalayan mountain passes to the endless horizons of Thar, the leads take him to a point of no return. He wanted to retire soon, but the call of duty stretches him once again. While the enemy remains elusive, the possibility of a mole troubles him even more. Will he lose himself before he finds the truth, or will he let the truth find him and kill him?

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Fall of Singapore Revisited Vintage
 "[Steve Berry] has a genuine feel for the factual gaps that give history its tantalizing air of the unknown."—The New York Times Book Review After narrowly escaping incineration in a devastating fire that consumes a Danish museum, Cotton Malone—former Justice Department agent turned rare-book dealer—learns from his friend, the beguiling adventurer Cassiopeia Vitt, that the blaze was neither an accident nor an isolated incident. As part of a campaign of arson intended to mask a far more diabolical design, buildings across Europe are being devoured by infernos of unnatural strength. Born from the ashes is a new Eastern European nation whose ruthless leader will soon draw Cotton into an intense geopolitical chess game against a shadowy cabal of power brokers. The prize lies buried with the mummified remains of Alexander the Great—in a tomb lost to the ages for more than two thousand years. Trekking from Denmark to Venice to Central Asia, Cotton and Cassiopeia are determined to solve an ancient puzzle whose solution could destroy or save millions of people—depending on who finds the lost

tomb first. "There's nothing tastier than a globe-spanning mystery. . . . Berry's books excel at bringing out fascinating tidbits of history."—Richmond Times-Dispatch BONUS: This edition contains an excerpt from Steve Berry's *The Columbus Affair* and a Cotton Malone dossier.

The Great Betrayal Houghton Mifflin Harcourt

Frank Anthony's 'The Story of the Anglo Indian community', is the first book in the Anglo Indian Heritage series. This famous book is often cited by researchers and writers on the community, it consists of 512 pages of brilliantly researched history and analysis by the author who let the community through its most difficult period. The others three Non Fiction titles in the Anglo Indian Heritage series are:: (1) 'These Are The Anglo-Indians' by Reginald Maher - (2) 'Hostages to India': The Life story of The Anglo Indian Race by Herbert Alick Stark - (3) 'Cimmerii? Or Eurasians and Their Future' by Cedric Dover The books are called the Anglo Indian Heritage books as they chronicle the rich and colourful history of the Anglo Indian Community. This small community has had outstanding achievements at every level of society for hundreds of years but that record of achievement has been hidden, passed over or co-opted as British and Indian History. These Books are an attempt to fairly represent the history of the community by works by Anglo Indians themselves. While acknowledged is an outstanding work of research and scholarship by historians, the book is also interesting to read, as it tells a fascinating story. Frank Anthony Chronicles the history of the Anglo Indian community and covers the main periods in the life of the Community, outlining

their achievements and their illustrious history. The first part is a account of the Earliest times of the Anglo Indians, 1639 to the period between the founding of the main settlements in Madras by the East India company and their expansion into the South Of India in 1791. The second part covers the period of conquest from 1791 to the great Indian mutiny. The book also covers the post mutiny period to the years after India's independence. In the Third part Frank Anthony, chronicles the post Independence battles that the community faced and life in India after the country became independent.

White Mughals Notion Press

The author exposes numerous cases of scientific fraud and explains the reasons behind them, discussing peer review and revealing the failures of the current academic, government, and legal institutions charged with monitoring the scientific community.

THE FRONTIER GANDHI

Penguin

In this "meticulously researched" account (New York Times Book Review), a Pulitzer Prize-winning author examines the dangers of a failing public health system unequipped to handle large-scale global risks like a coronavirus pandemic. The New York Times bestselling author of *The Coming Plague*, Laurie Garrett takes on perhaps the most crucial global issue of our time in this eye-opening book. She asks: is our collective health in a state of decline? If so, how dire is this crisis and has the public health system itself contributed to it? Using riveting detail and finely-honed storytelling, exploring outbreaks around the world, Garrett exposes the underbelly of the world's globalization to find out if it can still be assumed that government can

and will protect the people's health, or if that trust has been irrevocably broken.

"A frightening vision of the future and a deeply unsettling one . . . a sober, scary book that not only limns the dangers posed by emerging diseases but also raises serious questions about two centuries' worth of Enlightenment beliefs in science and technology and progress." -- Michiko Kakutani, *The New York Times*

Bitter Harvest Ballantine Books

How can we explain the establishment and longevity of British rule in India without recourse to the clichés of "imperial" versus "nationalist" interpretations? In this new history, Roderick Matthews offers a more nuanced view: one of "oblige and rule", the foundation of common purpose between colonizers and powerful Indians. *Peace, Poverty and Betrayal* argues that this was not a uniformly systematic approach, but rather a state of being: the British were never clear or consistent in their policies, and among British and Indians alike there were both progressive and conservative attitudes to the struggle over colonization. Matthews' narrative also takes in the East India Company, which was manifestly incompetent as a ruler by 1770, yet after 1820 arguably became the world's first liberal government. Skillfully tying these ambiguities and complexities of British rule in India to the ultimate struggle for independence, Matthews illustrates that the very diversity of British- Indian relations was at the heart of the social changes that would lead to the Freedom Struggle of the twentieth century. Skewering the simplistic binaries that often dominate the debate, *Peace, Poverty and Betrayal* is a fresh and gracefully written narrative history of British India.

 Central And Western India
*A History of the Indian Nationalist
 Movement* W. W. Norton & Company
 In July 2007, Zimbabwe's worsening
 economy saw inflation skyrocket to
 7,634 per cent, deepening the already
 chronic food shortages in a country
 where only one in five of the adult
 population is in employment. Months
 later, on 20 November 2007, Ian Smith,
 the former Prime Minister of Rhodesia
 died, leaving behind him a lifetime of
 resistance to black majority rule and the
 dangers that he believed it would bring
 to his country. Ian Smith was a man with
 the ability to excite powerful emotions in
 all who heard his name. To those who
 still revere his memory he was a hero, a

mighty leader, a man whose formidable
 integrity led him into head-to-head
 confrontation with the Labour
 Government of Britain in the 1960s. To
 others, he was, and remains, a demon, a
 reactionary whose intransigence long
 delayed majority rule in an important
 corner of Africa. The last decades of the
 twentieth century and the first years of
 the new millennium have seen
 Zimbabwe spiral into a chaos of violence
 and towards the brink of economic
 collapse, prompting many to reappraise
 Smith's role and the prescience of his
 actions. In this revealing and important
 historical document, Ian Smith charts the
 rise and fall of a once-great nation. He
 tells the remarkable story behind the
 signing of the Unilateral Declaration of
 Independence, as well as the excesses of
 power that Mugabe has used to create
 the virtual dictatorship which exists in
 Zimbabwe today.
