If you want to learn to play the keyboard, you certainly need this book.

This book enables you to play songs in a step by step manner using the Scientific Pitch Notation System (C, D, E, F, G, A, B). Through this book, you learn to train your ears by hearing music. Ear training is the soul of musicians that builds a bridge between the language of music and sounds designated by that language. The more we train our ears to recognize this connection, the better we

get at playing music as our ability to observe musical structures improve. *Play Keyboard with Ease* contains step-wise instructions as well as Chords, Notations and Scales of top Bollywood songs.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."
