OLSON NOELLE

Literal Translation of the Holy Bible-OE Authors for Christ, Incorporated

The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons, concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. [Conveniently includes the entire Hebrew and Greek text of the Bible in one place [Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages. Jay P. Green, Sr. (1918-2008) is Translator and Editor of The Interlinear Hebrew-Greek-English Bible and the translator of the Modern King

James Version of the Holy Bible, The Teenage Version of the Holy Bible, and the Literal translation of the Holy Bible. He has written numerous books on textual criticism. Maurice A. Robinson (PhD) is Associate Professor of Greek at Southeastern Baptist Theological Seminary in Wake Forest, South Carolina.

Larger Print Interlinear Hebrew Greek English Bible Sovereign Grace Publishers,

All previous Biblical Hebrew lexicons have provided a modern western definition and perspective to Hebrew roots and words. This prevents the reader of the Bible from seeing the ancient authors' original intent of the passages. This is the first Biblical Hebrew lexicon that defines each Hebrew word within its original Ancient Hebrew cultural meaning. One of the major differences between the Modern Western mind and the Ancient Hebrew's is that their mind related all words and their meanings to a concrete concept. For instance, the Hebrew word "chai" is normally translated as "life", a western abstract meaning, but the original Hebrew concrete meaning of this word is the "stomach". In the Ancient Hebrew mind, a full stomach is a sign of a full "life". The Hebrew language is a root system oriented language and the lexicon is divided into sections reflecting this root system. Each word of the Hebrew Bible is grouped within its roots and is defined according to its original ancient cultural meaning. Also included in each word entry are its alternative spellings, King James translations of the word and Strong's number. Indexes are included to assist with finding a word within the lexicon

according to its spelling, definition, King James translation or Strong's number.

BIBLE

Hachette Digital

Jay P. Green Sr., Editor The Interlinear Bible is the only Bible to include all the Hebrew and Greek texts of the Bible along with a literal translation below each Hebrew and Greek word. This edition has added a Lexicon with all the Hebrew and Greek words of the Bible showing you the translation given and also cross-reference other possible translations for that Hebrew or Greek word in the lexicon, all in one binding. The Strong's numbers enable any user of this Bible to do extensive research using any of the Bible study tools now numbered to Strong's Dictionary. New Testament volume was revised in 2000 to update it and add the KJV text in a third column. The included lexicons are page cross referenced to; 1) B-D-B Hebrew Lexicon, and Arndt Gingrich and Thayers Greek Lexicons, Kittel's Theological Dictionary. The Hebrew and Greek texts are the same texts used for the KJV. The cheaper and outdated Hendrickson edition does not include the lexicon or any revisions since 1985.

Interlinear Hebrew Greek-KJV Hendrickson Pub

Jay P. Green Sr., Editor The Interlinear Bible is the only Bible to include all the Hebrew and Greek texts of the Bible along with a literal translation below each Hebrew and Greek word. The Strong's numbers enable any user of this Bible to do extensive research using any of the Bible study tools now numbered to Strong's Dictionary. This edition includes new revisions and typesetting of the Gospels. The included lexicons are page cross referenced to; 1) B-D-B Hebrew Lexicon, and Arndt Gingrich and Thayers Greek Lexicons, Kittel's Theological Dictionary. The Hebrew and Greek texts are the same texts used for the KJV. The cheaper and outdated Hendrickson edition does not include the lexicon or any revisions since 1985.

The Zondervan Greek and English Interlinear New Testament (NASB/NIV) Artscroll

The ESV Greek-English Interlinear New Testament features the Greek text laid out word-by-word above an English gloss, making it a helpful resource for all who study the Bible in the original Greek.

A 12-week Study Sovereign Grace Publishers,

Students of biblical Greek and Hebrew may not know everything they need to know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

The interlinear Bible : Hebrew, Greek, English Baker Academic

This 12-week study will help readers understand and appreciate how the book of Hebrews testifies to Christ's supremacy through imagery, metaphor, and Old Testament analogy. Part of the Knowing the Bible series.
