Of Clarity Using The Moment of Clarity is about understanding people, whether customers, employees or anyone around us. As such it mixes practical advice with theory about society, particularly business around us. The book has two parts - 'Getting people wrong' and 'Getting people right'. The Moment of Clarity: Using the Human Sciences to Solve ... Using theories and tools from the human sciences—anthropology, sociology, philosophy, and psychology—The Moment of Clarity introduces a practical framework called sensemaking. Sensemaking's nonlinear problem-solving approach gives executives a better way to understand business challenges involving shifts in human behavior. The Moment of Clarity: Using the Human Sciences to Solve ... Using theories and tools from the human sciences—anthropology, sociology, philosophy, and psychology—The Moment of Clarity introduces a practical framework called sensemaking. Sensemaking's nonlinear problem-solving approach gives executives a better way to understand business challenges involving shifts in human

behavior. Moment of Clarity: Amazon.co.uk: Christian Madsbjerg ...
