The Tijuana Bible 5
Presents Bluesie Toons

2: "It Happened at the World's Fair" Princeton Architectural Press
 A collection of 82 Tijuana bibles featuring well known cartoon characters including Popeye and Olive Oyl, Donald Duck, Fritzi Ritz, Barney Google, Moon Mullins, Dick Tracy, Archie, and Batwoman as well as public figures such as John Dillinger, Bonnie Parker, Barbara Hutton, Wallis Simpson, Ingrid Bergman, Dick Powell, and Esther Williams. Includes works by some of the leading Tijuana bible artists: Mr. Prolific [Doc Rankin], Elmer Zilch, Mr. Dyslexic, Blackjack, and Wesley Morse.

Garden of Flesh St. Martin's Press
 As only the unfettered Id of Gilbert Hernandez could conceive, Garden

of Flesh is a sexually explicit retelling of the story of Adam and Eve up to Noah's Ark.

Hernandez presents a straightforward adaptation of the Bible parable, but one that also blurs the lines between erotica and pornography, as only Hernandez can.

The Tijuana Bible Revival Simon and Schuster

"The Second Tijuana Bible Reader" and its prequel have attained legendary status among collectors of gay literature. Edited anonymously by Victor J. Banis, these two books included pieces by Banis himself and his friends, all published by Greenleaf Classics in 1969 without any bylines. The original volumes are now nearly impossible to find. The

Borgo Press is proud to present the first new editions of these seminal works of homoeroticism in almost forty years!

Real Frank Zappa Book

Fantagraphics Books

The story behind the iconic comic characters and the bubble gum they came

with—includes over 100 reproductions spanning six decades. Bazooka Joe and his Gang have been synonymous with bubble gum ever since their debut in 1953, providing an irresistible combination of cheap laughs wrapped around pink, sugary sweetness. This book celebrates the iconic mini-comics that are recognized the world over and reveals their origins in midcentury New York City. The story of Bazooka

Bubble Gum is also detailed with extensive essays, including a profile of Wesley Morse, the original illustrator of Bazooka Joe. Included are reproductions of more than 100 classic comics spanning six decades—including the complete first series, reprinted in its entirety for the first time—as well as jokes, fortunes, and tiny ads for mail-order merchandise. Like Bazooka Bubble Gum itself, the book is pure nostalgia and a treat for kids and adults alike.

Unidentified Tijuana

Bible Starring Willie

and Mamie Eros

Comics

The Tijuana Bible Reader and its sequel have attained legendary status among collectors of gay literature. Edited

anonymously by Victor J. Banis, these two books included pieces by Banis himself and his friends, all published by Greenleaf Classics in 1969 without any bylines. The original volumes are now nearly impossible to find. The Borgo Press is proud to present the first new editions of these seminal works of homoeroticism in almost forty years!

Dirty Little Comics

Simon & Schuster
Hidden in a quiet corner of New Zealand's East Cape is a town where the beach is sunny, the tea is hot, the locals are friendly, and everyone loves comics. This internationally acclaimed New Zealand graphic novel is a wryly funny story about the dangerous

business of art and a haunting meditation on longing and regret, on getting lost and finding your way home. With a new introduction by the author. First New Zealand edition.

Tijuana Bibles Harry N. Abrams

For over four decades, erotic comics have flourished around the world. *Erotic Comics 2* examines how this budding art form exploded from the California comic scene to become an international publishing phenomenon. Beginning with an exploration of newly liberated American artists in the '70s, this overview examines the gay and lesbian comic scene, current artists and publishers in Europe, and Japanese erotica. After delving into the sexual mores

of Japanese Hentai: from tentacle sex to Yaoi, the book looks to the future, where erotic comic creators are sidestepping legal issues by producing work solely for the Internet. Filled with rarely seen art from international forerunners such as Dave Stevens, Jordi Bennet, Frank Thorne, Tom of Finland, Ralf Kšnig, and Milo Manara, *Erotic Comics 2* is perfect for fans of adult comics, art history, and erotic illustration. As Alan Moore urges in his foreword: "Absorb the contents of this book, and do so shamelessly."

Strips, Toons, and Bluesies

Fantagraphics Books
A collection of the best works from pop artist Mitch O'Conner this

book has a little bit of everything from fine art to tattoo flash work. Along with the artwork the book also details the artist life.

Memories of a Hotel Man
Vintage

"The authors of *Strips*, *Toons*, and *Bluesies* address such key issues as the intertwined origins of comics and animation; the sex, violence, and taboo breaking of 200 years of underground comics, from Jack T. Chick to Chris Ware; the popular "Locas" stories of Jaime Hernandez's *Love and Rockets*; and the political and racial portrayals of African Americans in 1960s comics, including works by Stan Lee and R. Crumb. The book also includes a 25-page history of comics from 1380 to today, a

thorough and novel approach to the genre."--BOOK JACKET.

Holy Sh*t! Simon & Schuster

Generations of fine-filth fanciers have hoarded these ribald classics under mattresses and on their bookshelves. If you're unfamiliar with these saucy swing-era strips, you'll flip for this archival collection Sam Zabel and the Magic Pen Tijuana Bibles

Tijuana Bibles were palm-sized, underground, explicit comic books. Produced in the United States, they were extremely popular in the 1920s and 30s. Most artists were unknown, as the publication of this explicit work was illegal at the time. For the first time in recent history, these obscure works are now brought

back to light. Included within this collection are over forty original comics and a short essay about the history of this uniquely American medium. During the Great Depression era of the 1930s, "Tijuana Bibles" were called eight-pagers, Tillie And Mac books, Jiggs and Maggie books, Jo-Jo books, bluesies, blue bibles, gray backs and two by fours. In the 1940s they were simply called "Dirty Little Comics", and by the early 1950s these glorious works of dirty art would finally be known as "Tijuana Bibles" - a term still in use today. The term "Tijuana Bible" originated in southern California, playing on the untrue belief that these cheap little comics were

manufactured and smuggled across the border from Tijuana, Mexico. This seedy backstory only added to the smutty appeal of these comics. They were sold under the counter for a quarter anywhere men hung out: bars, bowling alleys, auto-shops, tobacco stores, barbers, burlesque halls and tattoo parlors. If a gentleman knew the right second hand bookstore or magazine stand, he could ask for the latest blue bible. The artistry of these images is simply amazing. It's clear where groundbreaking artists of the 1960s such as R. Crumb drew inspiration from: Tijuana Bibles! With pen names such as "Mr. Prolific", "Mr. Dyslexic" and "Blackjack" the artists

in this pictorial history of Tijuana Bibles and the underground adult comics of the 1920s through the 1950s worked under great legal risk to bring their work to the public. Today we should celebrate with a smile the brilliant artistry and bold bravery for creating art during such a repressed time. We look to these early artists for inspiration and amusement. Borgo Press This international survey of erotic comics chronicles a groundbreaking form of sexual expression up to 1970, the years when mainstream culture spurned explicit eroticism. In the 1930s, American "Tijuana Bibles," little pornographic comic books that parodied popular comics and

comic strips, were widely available. World War II gave a boost to erotic comics, especially illustrated pin-ups. This set the stage for men's magazines such as *Playboy*, which included racy cartoons from the beginning, and fetish comics. The flowering of the counterculture in the next decade gave rise to underground comics, whose acknowledged master was Robert Crumb. A parallel development occurred in Europe, where erotic comics like *Barbarella* were suddenly the rage. *Erotic Comics* tells this story with hundreds of illustrations, informative text, and insights from key artists, writers, and publishers. It's sexy, artistic, entertaining,

intriguing, and informative.

The Routledge Companion to Gender, Sex and Latin American Culture

Routledge

Recounts the career of the rock music performer.

Hicksville Abrams

In the depths of the Depression, out of the crowded tenements of New York and Cleveland, the comic book superhero leapt into being. Out of a mix of geekiness, science fiction, and outsider yearning, a crew of young men from working-class Jewish neighbourhoods and shady backgrounds created a series of blue-eyed, chisel-nosed crime fighters and adventurers who quickly captured the imaginations of young and old. Within a few

years their creations had spawned a new genre that still dominates youth entertainment seventy years later. Gerard Jones draws on exhaustive research to portray how the immigrant experience and an outsider mentality shaped the vision of the make-believe hero, while a bizarre melting-pot of left-wing politics, mob money and the worlds of soft-porn and detective magazines contributed to the publishing world that produced the comics and brought them to millions. He chronicles how the success of the comics provoked a backlash that nearly destroyed the industry in the 1950s, and how later they surged back, inspiring a new generation to

transmute pre-war fantasies into art, literature, blockbuster movies and graphic novels. Men of Tomorrow rivetingly demonstrates how the creators of the superheroes established their crucial place in the modern imagination.
