In *Never Bet the Farm* two leading entrepreneurs, Anthony Iaquinto and Stephen Spinelli, turn much of the so-called expert advice for entrepreneurs on its head. They show that by preparing for setbacks and using a framework that can help reduce risks and simplify decision making, entrepreneurs can increase their probability for success. They refute the idea that there is an ideal entrepreneurial "type," and show that luck can be as important as a business plan in many enterprises. Above all, the authors emphasize that entrepreneurship is a career, not a one-time event, and winners are those who can keep themselves in the game. *Never Bet the Farm* is an easy-to-understand and attractive tool for anyone who has a business idea, but who might be wary of the risks implied in starting their own business.

Break free from bondage and take hold of all that is yours by the grace of God! You may have heard the term grace defined as "undeserved favor." While this is true, grace is much more than that. It is the power of God available to meet all your needs. Everything you receive from God must come by grace through faith. In this book, #1 New York Times bestselling author Joyce Meyer explains the power of the grace of God and how you can receive it through faith. Joyce teaches the difference between having faith in God, which will bring you into peace and rest, and having faith in your own abilities, which will bring you into frustration. By applying the principles outlined in this book, you will learn: What grace is The power of grace How to be free from worry and frustration How to walk in supernatural favor How to develop an attitude of gratitude How to live a holy life by grace, plus much more!

"...compulsively readable historical fiction...[a] powerful novel about unusual women facing sometimes insurmountable odds with grace, grit, love and tenacity." - Kristin Hannah, *The Washington Post* Named one of best books of the year by Marie Claire and Bookbub "If you enjoyed 'The Tattooist of Auschwitz,' read 'The Huntress,' by Kate Quinn." *The Washington Post* From the author of the New York Times and USA Today bestselling novel, *THE ALICE NETWORK*, comes another fascinating historical novel about a battle-haunted English journalist and a Russian female bomber pilot who join forces to track the Huntress, a Nazi war criminal gone to ground in America. In the aftermath of war, the hunter becomes the hunted... Bold and fearless, Nina Markova always dreamed of flying. When the Nazis attack the Soviet Union, she risks everything to join the legendary Night Witches, an all-female night bomber regiment wreaking havoc on the invading Germans. When she is stranded behind enemy lines, Nina becomes the prey of a lethal Nazi murderess known as the Huntress, and only Nina's bravery and cunning will keep her alive.

Transformed by the horrors he witnessed from Omaha Beach to the Nuremberg Trials, British war correspondent Ian Graham has become a Nazi hunter. Yet one target eludes him: a vicious predator known as the Huntress. To find her, the fierce, disciplined investigator joins forces with the only witness to escape the Huntress alive: the brazen, cocksure Nina. But a shared secret could derail their mission unless Ian and Nina force themselves to confront it. Growing up in post-war Boston, seventeen-year-old Jordan McBride is determined to become a photographer. When her long-widowed father unexpectedly comes home with a new fiancée, Jordan is thrilled. But there is something disconcerting about the soft-spoken German widow. Certain that danger is lurking, Jordan begins to delve into her new stepmother's past—only to discover that there are mysteries buried deep in her family . . . secrets that may threaten all Jordan holds dear. In this immersive, heart-wrenching story, Kate Quinn illuminates the consequences of war on individual lives, and the price we pay to seek justice and truth.

"Beginning with basic Bible teaching about the Lord Jesus Christ, Duncan Heaster proceeds to deconstruct the popular Trinitarian view of Jesus. But the author doesn't leave us with nothing in its place. He explores at great depth the character of the Lord Jesus, using close study of the Biblical text to perform a kind of archaeology of ancient personality. And he relentlessly pursues to the end his cardinal point: that knowing the real Christ is the essence of true Christianity, both now and eternally."--p. 4 of cover.

Hundreds of kilometres away in Chhattisgarh, Sudoku whizkid Vipul focused on the International Physics Olympiad and winning a top rank in the All-India Joint Entrance Examination. Success would mean a coveted seat in one of the Indian Institutes of Technology--not to mention celebrity status amongst peers and in the family. With an acceptance ratio far lower than Harvard or MIT, the IIT JEE (or JEE Advanced) is one of the most competitive exams in the world. So how do the toppers succeed? Are there smart ways to prepare for the exam? How does the students' quest transform the lives of their families? Through extensive interviews with JEE top rankers, pioneering teachers and the many students who had to

fight extraordinary odds to get into an IIT, Soum Paul, entrepreneur and IIT Kanpur alumnus, puts together stories of fierce competition, incredible hard work and sacrifice. A fascinating account of the battle of a million brains.

This is David's 4th book. He published his first in 2001 at the age of 70. He has 3 children, 7 grandchildren, and 1 great-granddaughter from his 2 previous marriages. He is currently married to Cristina for 29 years now. This is a very peculiar story about remembering friends and past romantic relations through music. Some have passed away, some are still alive, and some he lost contact with after so many years.
