Oxford Paperback Thesaurus OXFORD University Press

Both authoritative and easy to use, this major new edition of the Compact Oxford Thesaurus offers up-to-date coverage of over 300,000 alternative and opposite words, with thousands more examples

of real usage to help you identify the synonym you need. Based on the unrivalled databases of Oxford's language research programme, it provides the best selections of alternative words for you to choose from. The most useful alternative words are listed first, and the closest is highlighted for maximum accessibility, making the thesaurus quick and easy to use. Besides synonyms, the Compact Oxford Thesaurus also gives you opposites and brand-new Word Link panels to broaden your vocabulary e.g. choreography at dance, and geriatric at old. Also new to this edition are a more clear and open layout and a two-colour text design which makes the thesaurus even more

accessible. In addition, the brand-new Essential English centre section gives you lots of help on improving your writing skills, and guidance to help you get the best out of the thesaurus. The Compact Oxford Thesaurus is perfect for anyone who wants to increase their vocabulary and write more effectively, as well as for word games. Its robust and durable format makes it ideal for use at home, school, and the office.

OXFORD AMERICAN WRITER'S THESAURUS

Oxford University Press, USA

An authoritative and easy-to-use dictionary and thesaurus in one volume containing 45,000 words, phrases, and definitions and 65,000 synonyms.

Oxford American Desk Dictionary & Thesaurus Oxford

A handy hardback volume for home, school, or work, the Pocket Oxford Thesaurus features synonyms and antonyms for everyday words, as well as language help. Updated with all the latest must-know vocabulary, and with a completely revised text, this second edition is an invaluable tool for anyone who writes for work, school, or pleasure, or anyone looking for the word on the tip of their tongue. The centre section of this thesaurus has been revised and now contains even more lists of nouns, such as insects, fruits, or drinks. This information can help you to broaden your knowledge, or to find the answer you are looking for in a quiz or a puzzle. The A-Z text of the thesaurus features usage notes to help you identify frequently confused words, such as affect and effect, or compliment and complement, so that you can avoid common pitfalls when you are writing. This thesaurus also contains Word Link features, helping you to find words that are closely associated with each other. For example, the Word Link at the entry law informs you that the words legal, judicial, and juridical all relate to laws, and the Word Link at darkness reveals that the fear of darkness is called scotophobia. Packed with extra tips and help, and with a completely revised and up-to-date text, the Pocket Oxford Thesaurus is an ideal reference book for anyone who wants to improve their writing.

The Oxford Thesaurus Oxford University

This is a new edition of the Concise Oxford Thesaurus, with updated and improved text, new choices of synonyms, and a new design. The Concise Oxford Thesaurus is a comprehensive reference text for the bookshelf at home or in the office. Its usefulness means that it won't stay on the shelf, however. The thesaurus is the perfect tool to use to improve your writing style, whether you are composing a letter, essay or report, or writing creatively. It is also great for finding the word on the tip of your tongue, or for word games. The new centre section in this Concise Oxford Thesaurus contains lists of nouns from illnesses to insects, and vegetables to veins to give you the edge in solving crosswords and word puzzles, as well as being a useful encyclopedic reference. The Concise Oxford Thesaurus also contains Word Links to help you find related words. So, for example, look up the word 'night' and you will find 'nocturnal'; look up 'light', and you will find 'optics'. Hundreds more have been added new to this edition, helping you find the word you need every time. The thesaurus includes 12 months' access* to Oxford's premium online dictionary and thesaurus service, Oxford Dictionaries Online, updated regularly with the latest developments to words and meanings, so you will have the most accurate picture of English available. Find out more about our living language using Oxford Dictionaries Online. Hear how words are spoken with thousands of audio pronunciations, and access over 1.9 million real English example sentences to see how words are

used in context. The Oxford Thesaurus OUP Oxford

Presents over 150,000 words with definitions and synonyms, along with quick-reference sections on such topics as chemical elements, U.S. presidents and states, countries, and time zones.

Oxford University Press, USA

First published in 1991, the very successful first edition of The Oxford Thesaurus has now sold over 126,000 copies. This new edition (NB new format), which for the first time includes antonyms in the main A-Z text, along with many additional new synonyms, broadens the book's appeal still further.

The Oxford Thesaurus remains the most useful A-Z thesaurus available today, with more practical guidance for the user than any other competing title. Around 350,000 synonyms and antonyms, covering general English as well as thousands of regional and idiomatic words and expressions, are listed in A-Z form for ease of reference. Generous and detailed labelling shows how to use synonyms, and example sentences throughout make it even easier to select the correct synonym.

The most useful synonyms (ie those that are closest in meaning to the headword) are listed first - a

more helpful arrangement than a simple alphabetical listing under the headword. If the word for which you seek an alternative is not to be found as a headword, you can simply turn to the synonym index which lists 265,000 synonyms and shows you under which headword each synonym is located. In addition, all synonyms which also have their own headword entry (at which further related words may be found) are indicated by a simple cross-reference symbol. On the first edition: 'handier than Roget both in being alphabetical and in offering example-sentences. The mot juste in just a mo.' Prof. Sir Randolph Quirk, The Observer.

Oxford Thesaurus of Current English New York : Oxford University Press

This major new edition offers the most accurate and up-to-date coverage of essential vocabulary, providing a fresh selection of 140,000 alternative and opposite words.

AN A-Z OF SYNONYMS

Oxford University Press, USA

The Oxford School Dictionary & Thesaurus is a comprehensive one-stop shop for definitions, curriculum vocabulary, spelling, grammar, and punctuation as well as synonyms and writing tips. It is ideal for students finishing primary and going on to secondary school. Easy to use and with a sturdy binding, it is the perfect one volume reference tool.

Concise Oxford Thesaurus Oxford University Press, USA

Using the text of the Little Oxford Thesaurus, this popular Oxford Thesaurus has now been revised with a new appendix. With 150,000 synonyms, it is bigger than competing thesauruses of its size, and provides more help in the form of example phrases and context labels than other similar products. Colour highlighting of key information in each entry greatly enhances the book's ease of use, and a new 'dictionary skills' appendix helps the user get more out of the thesaurus by providing questions (and answers) which test vocabulary skills. This thesaurus is the ideal companion to the Oxford Colour Dictionary.
