### SPIRITUAL JOURNEY

Beaufort Books

One of the most personal and powerful acts a Christian can engage in is prayer. Yet many believers struggle with their prayer lives, wondering whether they are really making a difference and how they can be more effective. Delving deep into the biblical understanding of prayer, beloved author and leader Derek Prince shows readers the secret to leading a dynamic prayer life, how to receive what they ask for, and how to align themselves with the heart of God. Practical strategies like fasting, biblical study, discipline, and consistency are extensively explained and illustrated by powerful testimonies. This is a life-changing book.

### THE POWER OF PERSISTENT PRAYER

Zondervan Publishing Company

Spiritual Journey introduces the concept of spiritual formation and how to get started on the adventure of drawing near to God. Each chapter includes four parts of a subject, an obstacle a spiritual discipline and a practice to help the reader understand different parts of the spiritual journey, identify roadblocks and learn how to navigate through to the other side. Covered themes

include desperation for God, brokenness, God's desire for us, what is a spiritual journey, identity, hearing God and developing character. Identified obstacles such as lies, fear, anger, shame, refusal of love and disobedience reveal to the reader barriers to growth. Mirror moments are provided within each chapter to give the reader opportunity to immediately reflect and sort through thoughts and feelings that accompany the obstacles. Spiritual disciplines such as saying yes to God, community, meditation, journaling, listening prayer and submission are introduced for the reader to practice simple activities that bring transformation from the inside out. Dr. Wanda Walborn challenges readers to enter into the adventure of the spiritual journey, process through painful places, remove obstacles and step into the freedom and fullness provided through the presence and power of Christ.

“Oh, that You would rend the heavens! That You would come down!” Millions have prayed that, and pray it now. In the Day of Thy Power is filled with plentiful quotations from eyewitnesses of revival and with inescapable biblical authority for such “times of refreshing . . . from the presence of the Lord.” It unfolds the conditions by which God still comes, as in apostolic days, with “mighty signs and wonders, by the power of the Spirit of God.” This first book of Arthur Wallis, written in 1956, was an immediate success when first published and has become a classic on the subject of revival.

Fire blazes from heaven, and a stone altar erupts in flame. So begins a spiritual awakening, the kindling of a revival fire still burning today. Beginning with Elijah and God's tremendous one-day revival of Israel, Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa, all brought by obedience and heartfelt prayer. He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit. *Deliverance From Spirit Husband And Spirit Wife* The Battle Cry Christian Ministries  
Bookwiser's Favorite Books of the Year "Only God deserves absolute surrender because only God can offer absolutely dependable love." In our self-reliant era, most of us recoil from the concept of surrendering to a power or authority outside ourselves. But surrender need not be seen as threatening, especially when the One to whom we surrender is the epitome of goodness and love. God doesn't want his people to respond to him out of fear or obligation. Rather, he invites us to enter into an authentic relationship of intimacy and devotion. And so God calls us to move beyond mere obedience—by surrendering to love. In this profound book, David G. Benner explores the twin themes of love and surrender as the heart of Christian spirituality. Through careful examination of Scripture and reflection on the Christian tradition, Benner shows how God bids us to trust fully in his perfect love. God is love, and he intends for you to live in his love. Surrender to Love will lead you to an unexpected place, where yieldedness to God frees you to become who he created you to be. This expanded edition, one of three titles in The Spiritual Journey trilogy, includes a new epilogue and an experiential guide with questions for individual reflection or group discussion. *Mighty Prevailing Prayer* Whitaker House

### SPIRITUAL AUTHORITY

InterVarsity Press

There is an inherent desire in all of us to know that our lives really matter. We were created to flourish. Unfortunately, many of the models or aspirations of flourishing from our culture are limiting. This is because they are disconnected from God's original design for us. We flourish most when we find our lives in the overflow of what God is doing in this world. God is a missionary God. Throughout the Scriptures, God again and again, invites his people to be on mission with him. The story of Jonah in the Hebrew scriptures is one of God's most graphic callings. It is a midcourse correction for the children of God. It is also an invitation to all of us to ask if we are on mission with God. After exploring the story of Jonah, Jonah and Me, will unfold a biblical theology of mission. Beginning in Genesis and moving through Revelation, using the larger themes of being chosen, called, and commissioned, we will see how God has been inviting his children to be on mission with him throughout the ages. Finally, the book will offer suggestions on how to discover, rediscover, or simply reenergize in your life mission.

The publication of the James Herriot books led to an upsurge in interest in the veterinary profession among the public and inspired many to study veterinary medicine. However, the veterinary profession has changed markedly since those Herriot days, with many more opportunities for people entering the veterinary field, including such as job prospects in bioscience research, government work, specialization in exotic animal medicine, animal welfare advisory work, international development work, and a whole host of other career options. The landscape of the veterinary curriculum has also broadened considerably, with topics like animal behavior, ethics, business management, client communication, veterinary public health, and clinical skills, alongside clinical veterinary medicine. Authored by a Royal Veterinary College instructor with extensive experience within the veterinary profession and with teaching new students, this book provides a thorough explanation of what prospective students can expect to study at veterinary school, and it discusses career options available to new graduates. Additionally, the book offers a useful overview of current issues in the wider veterinary profession, as well as an honest and thought-provoking discussion of what veterinary life is actually like. It will also be of benefit to qualified vets and agricultural students. [Subject: Veterinary Science, Medicine, Agriculture] *Communion with God* *Mighty Prevailing Prayer*
