Prior to this date, the function of Public Service Commission in respect of the civil services and posts in connection with the affairs of the Union Territory of Himachal Pradesh were being discharged by the Union Public Service Commission under Article 315 of the Constitution of India. It was, therefore, incumbent on the State to have its own Public Service Commission. HPPSC has published the notification for its subordinate allied services to recruit eligible candidates. Every year, thousands of candidates send their applications to serve the Subordinate Allied Service posts (class-III post). However, only a few aspirants are able to qualify the exam and secure a job. One of the biggest reasons is unorganized and unmethodical preparation strategy. To help the aspirants, we have provided here some preparation tips to tackle the competition and prepare well for the exam.
