### CHANCE MARISA

Random House India  
 This is the story of Bhima, the second son, always second in line -- a story never adequately told until one of India's finest writers conjured him up from the silences in Vyasa's narrative. M.T. Vasudevan Nair's Bhima is a revelation -- lonely, eager to succeed, treated with a mixture of affection and contempt by his Pandava brothers, and with scorn and hatred by his Kaurava cousins, Bhima battles incessantly with failure and disappointment. He is adept at disguising his feelings, but has an overwhelmingly intuitive understanding of everyone who crosses his path. A warrior without equal, he takes on the mighty Bakasura and Jarasandha, and ultimately Duryodhana, thus bringing the Great War to a close. However, all of Bhima's moments of triumph remain unrecognized and unrewarded. If his mother saw glory only in the skills of Arjuna and the wisdom of Yudhishtira, his beloved Draupadi cared only for the beauteous Arjuna.

The definitive guide to the therapeutic Japanese practice of shinrin-yoku, or the art and science of how trees can promote health and happiness Notice how a tree sways in the wind. Run your hands over its bark. Take in its citrusy scent. As a society we suffer from nature deficit disorder, but studies have shown that spending mindful, intentional time around trees--what the Japanese call shinrin-yoku, or forest bathing--can promote health and happiness. In this beautiful book--featuring more than 100 color photographs from forests around the world, including the forest therapy trails that criss-cross Japan--Dr. Qing Li, the world's foremost expert in forest medicine, shows how forest bathing can reduce your stress levels and blood pressure, strengthen your immune and cardiovascular systems, boost your energy, mood, creativity, and concentration, and even help you lose weight and live longer. Once you've discovered the healing power of trees, you can lose yourself in the beauty of your surroundings, leave everyday stress behind, and reach a place of greater calm and wellness.

Karachi, You're Killing Me! Simon and Schuster

Since its inception, TIME magazine has been synonymous not just with outstanding journalism, but also with outstanding photography. Now, to mark the 175th anniversary of photography and the birth of photojournalism, the Editors of TIME magazine are publishing this companion book to the groundbreaking digital celebration of photography that TIME.com will be mounting online, displaying the most influential photographs of all time. While they may not be the most famous or well-known photographs, each one is unique for the way in which it changed, influenced, or commemorated a particular world event. From the first sports photograph to ever win the Pulitzer Prize - that of Babe Ruth at Yankee Stadium to the photograph of Student Neda Agha-Soltan's death during Iran's 2009 election protests, each of the photographs in 100 Photographs: The Most Influential Images of All Time is significant in how it forever changed how we live, learn, communicate, and in many cases, view the world.

Rajkumar, 1929-2006, Kannada film actor and singer.

The Encyclopaedia of Photography Alpha Science Int'l Ltd.

Now a major Channel 4 series Rose Cartwright has OCD, but not as you know it. Pure is the true story of her ten-year struggle with 'Pure O', a little-known form of the condition, which causes her to experience intrusive sexual thoughts of shocking intensity. It is a brave and frequently hilarious account of a woman who refused to give up, despite being undermined at every turn by her obsessions and enduring years of misdiagnosis and failed therapies. Eventually, the love of family and friends, and Rose's own courage and sense of humour prevailed, inspiring this deeply felt and beautifully written memoir. At its core is a lesson for all of us: when it comes to being happy with who we are, there are no neat conclusions.

TIME 100 Photographs Whitaker House

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough

to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. "Armentrout works her magic with swoon-worthy guys and a twist you never see coming."—#1 New York Times bestselling author Abbi Glines "Armentrout is a major talent... I just can't stop reading!"—New York Times bestselling author Gena Showalter The Dark Elements Series: Bitter Sweet Love (ebook-only prequel) White Hot Kiss Stone Cold Touch Every Last Breath

Find your dream engagement ring among our selection of hundreds of engagement ring styles. Last but not the least, the skinny on everything a lady in waiting needs to know.

### MEMOIRS OF THE MISTRESS OF THE DARK

Omnium Gatherum Media

NATIONAL BESTSELLER The star of the Harold and Kumar franchise, House, and Designated Survivor recounts why he rejected the advice of his aunties and guidance counselors and, instead of becoming a doctor or “something practical,” embarked on a surprising journey that has included confronting racism in Hollywood, meeting his future husband, and working in the Obama administration, in this entertaining and refreshingly candid memoir. You Can't Be Serious is a

series of funny, consequential, awkward, and ridiculous stories from Kal Penn’s idiosyncratic life. It’s about being the grandson of Gandhian freedom fighters, and the son of immigrant parents: people who came to this country with very little and went very far—and whose vision of the American dream probably never included their son sliding off an oiled-up naked woman in the raunchy Ryan Reynolds movie *Van Wilder*...or getting a phone call from Air Force One as Kal flew with the country’s first Black president. With intelligence, humor, and charm on every page, Kal reflects on the most exasperating and rewarding moments from his journey so far. He pulls back the curtain on the nuances of opportunity and racism in the entertainment industry and recounts how he built allies, found encouragement, and dealt with early reminders that he might never fit in. He describes his initially unpromising first date with his now-fiancé Josh, involving an 18-pack of Coors Light and an afternoon of watching NASCAR. And of course, he reveals how, after a decade and a half of fighting for and enjoying successes in Hollywood, he made the terrifying but rewarding decision to take a sabbatical from a fulfilling acting career for an opportunity to serve his country as an Obama White House aide. Above all, *You Can’t Be Serious* shows that everyone can have more than one life story. Kal demonstrates by example that no matter who you are and where you come from, you have many more choices than those presented to you. It’s a story about struggle, triumph, and learning how to keep your head up. And okay, yes, it’s also about how he accidentally (and very stupidly) accepted an invitation to take the entire White House Office of Public Engagement to a strip club—because, let’s be honest, that’s the kind of stuff you really want to hear about.

### COMPUTER CONTROL OF PROCESSES

Leisure Books

Software Testing is specially developed to serve as a text book for the undergraduate and postgraduate students of Computer Science Engineering and Information Technology. The book focusses on software testing as not just being the phase of software development life cycle but a complete process to fulfill the demand of quality software. Written in a very lucid style with crisp and to-the-point descriptions, the book covers chapters on the various software testing methodologies, test management, software metrics, software quality assurance, test automation, object-oriented testing and debugging. It also describes all the methods for test case design which is the prime issue for software testing. The book is interactive and includes a large number of test cases, examples, MCQs and unsolved problems for practice.

**Pure** Harper Collins

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy’s modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing “big things [that] lurk unsaid” in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

### THE LEGEND OF LAKSHMI PRASAD

Archie Comic Publications

I’m the first-born son of the mafia king. The favorite. Destined to rule, I’m a dangerous man, a ruthless one. But in my world, you have to be. Then Natalie stumbles into my life. Wrong place. Wrong time. Twice, fate put her in my path. Twice, fate placed the innocent lamb at the mercy of the monster. I gave her a chance to walk away. Told her it would be better for her if she did. But she didn’t listen. And now it’s too late. Because I’m not good. I never wanted to be. And I won’t let her go anymore. See, I’m not the hero. When I touch her, it’s with dirty hands. I know my

reckoning is coming though. I know I’ll burn for the things I’ve done, the sins I’ve committed. And I don’t deny hell is where I belong, but I want my time first. I want my time with her. She’s mine. Forever. No matter what. Author’s Note: Sergio is an emotional romance set in the Benedetti Mafia world. It is not a traditional romance. It is recommended that you read both *Salvatore: a Dark Mafia Romance* and *Dominic: a Dark Mafia Romance* before reading Sergio’s story. *Living and Deceased, from the Earliest Accounts to the Latter Half of the Nineteenth Century; Containing Over Forty-six Thousand Articles (authors), with Forty Indexes of Subject* Natasha Knight

I am Lakshmi Prasad, native of Bihar. I am doing PhD on a very important subject “Mating habits of gay chimpanzees in West Africa” at PANU University, the best University in India and possibly the best University in the world. My idols are “Faizal Guru”, “Janab Kasab Sahib”, “Focus Carat”, “Baba Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y, etc.

Now a major Channel 4 series **GBP USA**

Take Up Space The Style Diary of a Bollywood Diva

A stunning four-color biography of Congresswoman Alexandria Ocasio-Cortez in the bestselling tradition of *Notorious RBG* and *Pelosi* that explores her explosive rise and impact on the future of American culture and politics. The candidate was young—twenty-eight years old, a child of Puerto Rico, the Bronx, and Yorktown Heights. She was working as a waitress and bartender. She was completely unknown, and taking on a ten-term incumbent in a city famous for protecting its political institutions. “Women like me aren’t supposed to run for office,” Alexandria Ocasio-Cortez said in a video launching her campaign, the camera following her as she hastily pulled her hair into a bun. But she did. And in perhaps the most stunning upset in recent memory, she won. At twenty-nine, she was sworn in as the youngest member of the 116th Congress and became the youngest woman to serve as a representative in United States history. Before long, Ocasio-Cortez had earned her own shorthand title—AOC—and was one of the most talked-about public figures (loved and loathed) in the world. Her natural ability to connect with everyday people through the social media feeds grew her following into the multimillions. Every statement she made, every tweet and Instagram Live, went viral, and her term had barely begun before people were speculating that she could one day be president. The question seemed to be on everyone’s mind: How did this woman come from nowhere to acquire such influence, and so fast? Now, in *Take Up Space*, that question is

answered through a kaleidoscopic biography by the editors of *New York* magazine that features the riveting account of her rise by Lisa Miller, an essay by Rebecca Traister that explains why she is an unprecedented figure in American politics, and multiform explorations (reportage, comic, history, analysis, photography) of AOC’s outside impact on American culture and politics. Throughout, AOC is revealed in all her power and vulnerability, and understood in the context of the fast-changing America that made her possible—and perhaps even inevitable.

*Claiming His Bollywood Cinderella* Harlequin

My new boss likes rules, but there's one nobody dares to break... No touching his banana.

Seriously. The guy is like a potassium addict. Of course, I touched it. If you want to get technical, I actually put it in my mouth. I chewed it up, too... I even swallowed. I know. Bad, bad, girl. Then I saw him, and believe it or not, choking on a guy's banana does not make the best first impression. I should backtrack a little here. Before I ever touched a billionaire

*Catamarans* Penguin

This work covers computers and the principles in designing digital controllers. Details on computer networking, topology, communication protocol, and a brief description of DCS are provided. New topics, such as programmable logic control (PLCs), smart sensors and fieldbus, identification and design of nonlinear controllers are also covered. The text also presents fundamentals of fuzzy logic control, design of such controllers, and use of fuzzy logic in improving the performance of conventional PID controllers.

### MALLU BABES

Ballantine Books

The electrifying conclusion to the #1 *New York Times* bestselling *Children of Eden* series that follows Rowan as she leaves behind the paradise she’s always dreamed of to save Eden—and the world—from a terrible fate. Rowan is finally in Harmonia, an Earth-friendly, sustainable commune in the wilderness she always believed was dead. Even in this idyllic world, she finds no peace. Harmonia has strict rules—and dire consequences. Thinking about Eden is forbidden, but she’s determined to rescue the loved ones she left behind. Though they are in terrible danger, her pleas for help are ignored. After months of living as one with nature, a shocking reminder of her past pushes Rowan to act. With the help of new friends, she infiltrates Eden. What she discovers is even worse than the situation she left behind. In the chaos of civil war, Rowan and her friends join forces with the second children and other rebels trapped inside. They fight for their lives, and for the future of humanity in this broken Earth.
