In the 1970s  
and 1980s,  
the Disney  
animation  
studio  
redefined its  
creative vision  
in the wake of  
Walt Disney's  
death. This  
latest volume  
from  
renowned  
Disney  
historian  
Didier Ghez  
profiles Ken

Anderson and Mel Shaw, whose work defined beloved classic Disney characters from films like *The Jungle Book*, *The Aristocats*, *Robin Hood*, and *The Rescuers*. With vivid descriptions of passages from the artists' autobiographies and interviews, accompanied by never-before-seen images of their art and process, this visually rich collection offers a rare view of the Disney

legends whose work helped shape the nature of character and story development for generations to come.

### **5-MINUTE DISNEY FURRY FRIENDS STORIES**

Mouse Works  
In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney

music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural

inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the

interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward. The Aristokittens #1: Welcome to the Creature Café Pi Kids When an elderly rich woman decides to leave all her money to her beloved cats,

her butler gets jealous and abandons them in the country. An alley cat named O'Malley and his friends come to the rescue and help them find their way back home. Golden/Disney Tom O'Malley, an alley cat, helps Duchess and her three kittens find their way back to their home with Madame Bonfamille *The Aristocats* Disney Press Mowgli and his friends dance through the jungle! My First Stories, featuring

classic Disney characters, are just the right length for little ones!

**Walt Disney's Classic Storybook**

MDPI

For fans of Unicorn Princesses and Purrmaids, this illustrated chapter book series follows kittens Marie, Berlioz, and Toulouse from Disney's *The Aristocats* as they embark on their next adventure-- opening a Parisian critter café! Meet the Aristokittens, a trio of siblings with

big (and delicious) plans! One day, while chasing each other through the streets of Paris, Marie, Berlioz, and Toulouse uncover an abandoned café made just for animals. After hearing stories of the café's wondrous past, the kittens decide to reopen the place themselves. But the trio can't agree on the menu, music, and decorations. With opening day creeping closer, can the kittens avoid a

total catastrophe and create the purrfect recipe for success? Filled with mystery, humor, and friendship, each book in the Aristokittens series expands the world of Disney's *The Aristocats* through the eyes of its iconic kitten trio . . . and is the perfect recipe for fun! Don't miss the Aristokittens' next adventure: \* *The Great Biscuit Bake-Off*
