## **LANE VILLEGAS**

### **A Novel**

HarperCollins  
The closest he will ever come to happiness is when he's hurting her. Will she let him? A beautiful and twisted story of first love and innocence lost -- written when the author was just eighteen. Sphinxie and Cadence. Promised to each other in childhood. Drawn together again as teens. Sphinxie is sweet, compassionate, and plain.

Cadence is brilliant, charismatic. Damaged. And diseased. When they were kids, he scarred her with a knife. Now, as his illness progresses, he becomes increasingly demanding. She wants to be loyal -- but fears for her life. Only the ultimate sacrifice will give this love an ending.

### **Three Strikes**

Scholastic Inc.  
All Amber wants is a little bit of love. Her mum has never been the

caring type, even before she moved to California, got remarried and had a personality transplant. But Amber's hoping that spending the summer with her can change all that. And then there's Kyle, the most American person Amber's ever met. She can't help liking him. But can he really be interested in her? Even with best friends Evie and Lottie's advice, Amber's finding love is

hard. Is it worth the fight? "I'm a big Holly Bourne fan and this is my favourite yet. She writes with such humour and great honesty, with wonderfully relatable characters. It's also refreshing to see feminism highlighted in such a positive and relevant way for teenagers." - Fiona Noble, The Bookseller "Bourne talks about feminism so openly and truthfully in her books and

if you ever doubted the intelligence, ability or passion of teenage girls read her books and you never will again." - Muchbooks reader review on Guardian Children's Books "Written with humour and warmth, Amber's story perfectly captures the emotional rollercoaster that is love: embracing all its joy and pain, whether it be for family, friends or a gorgeous boy. A really satisfying

page turner." - BookTrust "Emotive and thought provoking this searingly honest book deals with the biggest life lesson of all - nobody's perfect." - South Wales Daily Post "Holly Bourne truly is the Queen of YA!" - Humaira Kauser, age 17, for LoveReading4 Kids "Holly Bourne is hugely popular with the young adult audience. The second instalment in her Normal series tells

Amber's story of first love, friendship and addiction." - The Sunday Express "Holly Bourne's new novel demonstrates that with the right female friends, and a decent supply of cheesy snacks, a girl can get through anything... Well-written and thoughtful, this has a thoroughly authentic twenty-first century teen voice and lightens serious issues with humour." - LoveReading4

Kids "When I received this book I let out a squeal... I really love this series." - Lucy the Reader "Hysterical" - Mslexia "The story is equal parts hilarious and heart-wrenching... I cannot get over how many times I snorted out loud whilst reading this book. You'll have to read it to see for yourself" - Fable & Table "[Holly Bourne's] writing style keeps me hooked, makes me feel things and genuinely

makes me think hard about important issues. I cannot recommend her novels highly enough and I am on a mission to read them all!" - Adventures of a Teenage Bookworm The Complete Six-Book Series Penguin Moss lives with her pa on a remote island. The Old World has disappeared beneath the waves - only Pa's magic can save the sunken continents. But a huge

storm is brewing, promising cataclysmic changes. Soon, Moss learns to open her eyes to the truth about her isolated world ...

### **Stolen Tongues**

Mozaika LLC  
From the critically acclaimed author of *Allegedly*, Tiffany D. Jackson, comes a gripping new novel perfect for fans of E. Lockhart and Gillian Flynn about the mystery of one teenage girl's

disappearance and the traumatic effects of the truth. Monday Charles is missing, and only Claudia seems to notice. Claudia and Monday have always been inseparable—more sisters than friends. So when Monday doesn't turn up for the first day of school, Claudia's worried. When she doesn't show for the second day, or second week, Claudia knows that something is wrong. Monday

wouldn't just leave her to endure tests and bullies alone. Not after last year's rumors and not with her grades on the line. Now Claudia needs her best—and only—friend more than ever. But Monday's mother refuses to give Claudia a straight answer, and Monday's sister April is even less help. As Claudia digs deeper into her friend's disappearance, she discovers that no one seems

to remember  
the last time  
they saw  
Monday. How  
can a teenage  
girl just vanish  
without  
anyone  
noticing that  
she's gone?

This thrilling bestseller and National Book Award Finalist is a gritty, high-stakes adventure of a teenage boy faced with conflicting loyalties, set in a dark future America devastated by the forces of climate change. In

America's flooded Gulf Coast region, oil is scarce, but loyalty is scarcer. Grounded oil tankers are being broken down for parts by crews of young people. *Storm-Wake*  
Henry Holt and Company (BYR)  
From the international bestselling author of *The Lost Wife* and *The Garden of Letters*, comes a story--inspired by true events--of two women pursuing freedom and independence

in Paris during WWII. As Paris teeters on the edge of the German occupation, a young French woman closes the door to her late grandmother's treasure-filled apartment, unsure if she'll ever return. An elusive courtesan, Marthe de Florian cultivated a life of art and beauty, casting out all recollections of her impoverished childhood in the dark alleys of Montmartre. With Europe on the brink of

war, she shares her story with her granddaughter Solange Beaugiron, using her prized possessions to reveal her innermost secrets. Most striking of all are a beautiful string of pearls and a magnificent portrait of Marthe painted by the Italian artist Giovanni Boldini. As Marthe's tale unfolds, like velvet itself, stitched with its own shadow and light, it helps to guide Solange on

her own path. Inspired by the true account of an abandoned Parisian apartment, Alyson Richman brings to life Solange, the young woman forced to leave her fabled grandmother's legacy behind to save all that she loved.

@hayleylipsquid  
Lipsquid Book blog A book that will become a huge favourite amongst horse lovers

and easily become as much loved as Patricia Leitch and K.M. Peyton novels. The novel, packed with equestrian knowledge, although aimed at teens certainly had me gripped and would suit adults just as easily. Although centred around horses, this novel has the makings of a book that would easily rival popular young adult titles such as The Perks of being a Wallflower and

The Fault in Our Stars. A top horse novel from author, Emily Williams. Goodreads review. Author Bio Emily Williams lives by the seaside in West Sussex with her family and a menagerie of small pets. After graduating from Sussex University with a BA in Psychology, Emily trained as a primary school teacher and teaches in a local school. Rafferty Lincoln Loves... is her first YA novel after the

success of her debut bestselling adult novel, *Letters to Eloise*, released in 2017. *Mr. Know-All / Il Signor So-Tutto-lo (and Other Stories / Ed Altre Storie)* *Chicken House* An intense and riveting novel from the critically acclaimed author of *Before I Die*. If someone hurts your sister and you're any kind of man, you seek revenge. If your brother's accused of a terrible crime

but says he didn't do it, you defend him. When Mikey's sister claims a boy assaulted her, his world begins to fall apart. When Ellie's brother is charged with the offense, her world begins to unravel. When Mikey and Ellie meet, two worlds collide. This is a brave and unflinching novel from the bestselling author of *Before I Die*. It's a book about loyalty and the choices that come with it.

But above all, it's a book about love.
