This intricately woven narrative is one of the landmark novels of Indian modernism. This ambitious novel, teeming with characters, focuses on the family of Srinivasa Aiyar or SRS, who moves from his ancestral house in Alapuzhai in Kerala, to the more modern Kottayam, before returning to his wife Lakshmi’s home in Nagercoil in Tamil Nadu. Set in the late 1930s and reflecting the political and social turmoil of the pre-war years, it chronicles the psychological conflict between SRS and his nine-year-old son, Balu; the moral struggle of a young widow, Anandam, as she considers remarriage; and the political journey of Sridaran, who chooses to break off his studies in England in order to join nationalist activities at home.

GORILLA

MacMillan India

Can true love bring someone back from the dead? Akshara is left devastated by her mother’s death and spends most of her time in solitude at the local park. One day, as she is sobbing uncontrollably, a young man named Harry approaches her. They become friends and Harry recounts to her a story about the miraculous reunion of a young woman and her dead boyfriend to help ease some of her pain. The story makes Akshara hopeful that she can perhaps see her dead mother again. But she soon realizes that Harry isn’t what he seems to be. Even the characters in his story seem dubious, almost unreal. So what is he hiding? And why? Is there any truth to his story at all? In this darkly suspenseful romance mystery, Akshara is left facing a truth that will make her doubt not just Harry but herself as well . . .

SCAVENGER'S SON

Indiana University Press

Amish Tripathi devoted years to the research of Hindu mythological stories and history, and discussions with his family about the destiny of the human body, mind and soul to create this sweeping and fascinating adaptation of ancient Hindu mythology for modern fantasy readers. 1900 BC in what modern Indians call the Indus Valley Civilization and the inhabitants called the land of Meluha: a near-perfect empire created many centuries

earlier by Lord Ram--one of the greatest monarchs that ever lived--faces peril as its primary river, the Saraswati, is slowly drying to extinction. The Suryavanshi rulers are challenged with devastating terrorist attacks from the east, the land of the Chandravanshis. To make matters worse, the Chandravanshis appear to have allied with the Nagas, an ostracized and sinister race of deformed humans with astonishing martial skills. The only hope for the Suryavanshis is an ancient legend: When evil reaches epic proportions, when all seems lost, a hero will emerge. Is the unexpected, rough-hewn Tibetan immigrant Shiva that hero? Drawn suddenly to his destiny, duty, and by love, Shiva will attempt to move mountains and lead the Suryavanshi to destroy evil.

Asura : Tale of the Vanquished BRILL

This book constitutes the refereed proceedings of the First International Conference on Computer Science, Engineering and Information Technology, CCSEIT 2011, held in Tirunelveli, India, in September 2011. The 73 revised full papers were carefully reviewed and selected from more than 400 initial submissions. The papers feature significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects.

Tigerclaw Tree ஓர் பூலியமாரத்தின் காதல் (Oru Puliymarathin Kathai)

The “intimate and affecting” novel of an Indian couple’s quest for a child that sparked national conversations about caste and female empowerment (Laila Lalami, New York Times Book Review). Set in South India during the British colonial period, One Part Woman tells the story of Kali and Ponna, a married couple unable to conceive. The predicament is of major concern for their families—and the crowing amusement of Kali’s male friends. From making offerings at different temples to circumambulating a mountain supposed to cure barren women, Kali and Ponna try everything to solve the problem. But a more radical plan is required. The annual chariot festival, a celebration of the god Maadhorubaagan, who is part male and part female, may provide the answer. On the eighteenth night of the festival, the rules of marriage are relaxed, and consensual sex between unmarried men and women is overlooked, for all men are considered gods. The festival may be the solution to Kali and Ponna’s problem, but it soon threatens to drive the couple apart as much as to bring them together. Wryly amusing and deeply poignant, One Part Woman is a powerful exploration of a loving marriage strained by the expectations of others, and an attack on the rigid rules of caste and tradition that continue to constrict opportunity and happiness.
