When a professional relationship turns personal, it's impossible to resist the law of attraction. Alec Rowland is a high-flying lawyer in a London firm whose career is his life. He doesn't have time for relationships and his sexuality is a closely guarded secret. After picking up a cute guy on a Friday night, Alec's world is rocked to its foundations when his one night stand shows up in the office on Monday morning-as the new temp on his team. Ed Piper is desperate to prove himself in his new job. The last thing he needs is to be distracted by a crush on his boss. It's hard to ignore the attraction he feels, even though Alec's a difficult bastard to work for. Both men strive to maintain a professional relationship, but tempers fray, passions ignite, and soon they're both falling hard and fast. If they're ever going to find a way to be together, Alec needs to be honest about who he really is because Ed won't go back in the closet for anyone.

The Truth about the Law of Attraction HarperCollins UK

The Law of Attraction This book presents the powerful basics of the original Teachings of Abraham. Within these pages, you'll see how all things, wanted and unwanted, are brought to you by this most powerful Law of the Universe: the Law of Attraction (that which is like unto itself, is drawn). You've most likely heard the sayings "Like attracts like," "Birds of a feather flock together," or "It is done unto you as you believe" (a belief is only a thought you keep thinking); and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never before been explained in as clear and practical terms as in this latest book by best-selling authors Esther and Jerry Hicks. Here, you'll learn about the omnipresent Laws that govern this Universe and how to make them work to your advantage. The knowledge that you'll absorb from reading this book will take all the guesswork out of daily living. You'll finally understand just about everything that's happening in your own life, as well as the lives of those you're interacting with. This book will help you joyously be, do, or have anything that you desire! Esther and Jerry Hicks, the authors of *Ask and It Is Given* and *The Amazing Power of Deliberate Intent*, produce the leading-edge Abraham-Hicks teachings on the art of allowing our natural Weil-Being to come forth.

Now available as an eBook, a simple step-by-step guide that allows you to realistically apply the Law

of Attraction to improve your life and achieve the next level of practical understanding. The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information. In one book, Dr. David Che has made the most powerful secrets of the Law of Attraction accessible for any individual who seeks them.
