"A Disciple's Path has transformed countless new members into deeply committed disciples - people who are using their gifts, praying in new ways, worshipping regularly and not only when it's

convenient, giving sacrificially of their financial resources, and seeking to be a witness to Christ's love and light in the world. Darrick MacBrehon, a government auditor, wakes among the dead.
Bloodied and disoriented from a gaping head wound, the man who staggers out of the mine crack in Redbird, West Virginia, is much more powerful--and dangerous--than the one thrown in. An orphan with

an unknown past, he must now figure out how to have a future. Hard-as-nails Lourana Taylor works as a sweepstakes operator and spends her time searching for any clues that might lead to Dreama, her missing daughter. Could this stranger's tale of a pit of bones be connected? With help from disgraced deputy Marco DeLucca and Zadie Person, a local journalist investigating

an acid mine spill, Darrick and Lourana push against everyone who tries to block the truth. Along the way, the bonds of love and friendship are tested, and bodies pile up on both sides. In a town where the river flows orange and the founding-- and controlling-- family is rumored to "strip a man to the bones," the conspiracy that bleeds Redbird runs as deep as the coal veins that feed it.

Baum Wizard of Oz storybooks. Fire in His Bones St. Martin's Press This essential authorized biography of Eugene Peterson offers unique insights into the experiences and spiritual convictions of the iconic American pastor and beloved translator of The Message. "In the time of a generation-wide breakdown in trust with leaders in every sphere of society, Eugene's quiet life of deep integrity and gospel purpose is a bright light against a dark backdrop."—John Mark Comer, author of *The Ruthless Elimination of Hurry* "This hunger for something radical—some thing so true that it burned in his bones—was a constant in Eugene's life. His longing for God ignited a ferocity in his soul." Encounter the multifaceted life of one of the most influential and creative pastors of the past half century with unforgettable stories of Eugene's lifelong devotion to his craft and love of language, the influences and experiences that shaped his

unquenchable faith, the inspiration for his decision to translate *The Message*, and his success and struggles as a pastor, husband, and father. Author Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable

life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake; a kiss from his wife, Jan; a good joke; a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

The north and the west and the south are good hunting ground, but it is forbidden to go east. It is forbidden to go to any of the Dead Places except to search for metal and then he who touches the metal must be a priest or the son of a priest. Afterwards, both the man and the metal must be purified.

These are the rules and the laws; they are well made. It is forbidden to cross the great river and look upon the place that was the Place of the Gods- this is most strictly forbidden. We do not even say its name though we know its name. It is there that spirits live, and demons-it is there that there are the ashes of the Great Burning. These things are forbidden- they have been forbidden since the

beginning of time.

THE SHAKESPEARE SECRET

Xlibris Corporation This volume presents an autobiography of one writer's existence in poetry, the tracks left by

a clumsy bear taming himself in public; it is also a forum in which to act out and discover oneself. It will serve to light fires, the can-do drive others can surpass, finding in themselves language as daring as their lives, and more daring than the author's. It

endeavours to allow every reader of this text to leave it feeling better, more able to do things by him- or herself, and more convinced that poetry is essential to a good life. The text itself is the eighth title in the 10-volume series Inside Selfhood and History.
