**MALIK MCKEE**

**The Story of Russia** Springer Nature

The Harry Potter series forms a single epic story that has been published in nearly 70 languages, and has been examined in a large number of disciplines. This collection of essays contributes to the scholarly discourse that forms Potter Studies. These essays

take on the consideration of Rowling's work as being worthy of study as a phenomenon and influence, as well as a work of literary value. They add genuine statistical information about the reasons for the books' popularity, consider their effects on child readers, and examine some deep-rooted reasons for their having been manipulated in American publishing, in film adaptations, in musical complements, and in their thingification in popular culture around the world. Some of these essays take on the critics of the books' religion and considerations of psychological, as well

as philosophical good and evil, and well as some stylistic anomalies. The fact that scholars from China, Germany, Poland, Romania, and Israel, in addition to English-speaking nations, have felt compelled to examine these books in detail testifies in part to Harry Potter's world-wide influence.

Insight Editions

NATIONAL BESTSELLER • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick.

“A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Grammar* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Legal Fictions in Theory and Practice W. W. Norton & Company Ted Striphas argues that, although the production and propagation of books have undoubtedly entered a new phase, printed works are still very much a part of our everyday lives. With examples from trade journals, news media, films, advertisements, and a host of other commercial and scholarly materials, Striphas tells a story of modern publishing that proves, even in a rapidly digitizing world, books are anything but dead. From the rise of retail superstores to Oprah's phenomenal reach, Striphas tracks the methods through which the book industry has adapted (or has failed to adapt) to rapid changes in twentieth-century print culture. Barnes & Noble, Borders, and Amazon.com have established new routes of traffic in and around books, and pop sensations like Harry Potter and the Oprah Book Club have inspired the kind of brand loyalty that could only make advertisers swoon. At the same time, advances in digital technology have presented the book industry with extraordinary threats and unique opportunities. Striphas's provocative analysis offers a counternarrative to those who either triumphantly declare the end of printed books or deeply mourn their passing. With wit and brilliant insight, he isolates the invisible processes through

which books have come to mediate our social interactions and influence our habits of consumption, integrating themselves into our routines and intellects like never before.

The Late Age of Print Great Brand Stories S.

“Vita Nostra” — a cross between Lev Grossman’s “The Magicians” and Elizabeth Kostova’s “The Historian” [...] is the anti-Harry Potter you didn’t know you wanted.” -- The Washington Post “Vita Nostra has become a powerful influence on my own writing. It’s a book that has the potential to become a modern classic of its genre, and I couldn’t be more excited to see it get the global audience in English it so richly deserves.” -- Lev Grossman Best Books of November 2018 -- Paste Magazine The definitive English language translation of the internationally acclaimed Russian novel—a brilliant dark fantasy combining psychological suspense, enchantment, and terror that makes us consider human existence in a fresh and provocative way. Our life is brief . . . Sasha Samokhina has been accepted to the Institute of Special Technologies. Or, more precisely, she’s been chosen. Situated in a tiny village, she finds the students are bizarre, and the curriculum even more so. The books are impossible to read, the lessons obscure to the point of maddening, and the work refuses memorization. Using terror and coercion to keep the students in line, the school does not punish them for their transgressions and failures; instead, it is their families that pay a terrible price. Yet despite her fear, Sasha undergoes changes that defy the dictates of matter and time; experiences which are nothing she has ever dreamed of . . . and suddenly all she could ever want. A complex blend of adventure, magic, science, and philosophy that probes the mysteries of existence, filtered through a distinct Russian sensibility, this astonishing work of speculative fiction—brilliantly translated by Julia Meitov Hersey—is reminiscent of modern classics such as Lev Grossman’s *The Magicians*, Max Barry’s *Lexicon*, and Katherine Arden’s *The Bear and the Nightingale*, but will transport them to a place far beyond those fantastical worlds.

Russian Short Stories for Beginners Zondervan

This book is a collection of Nineteen selected stories by the renowned Russian authors. The most of the 27 illustrations are the pictures of the Greek and Roman Goddesses worshiped before the influence of Christianity and monotheism. The authors and the stories are: *The Queen Of Spades* - By Aleksandr S. Pushkin; *The Cloak* - By Nikolay V. Gogol; *The District Doctor* - By Ivan S.

*Turgenev; The Christmas Tree And The Wedding* - By Fiodor M. Dostoyevsky; *God Sees The Truth, But Waits* - By Leon. Tolstoy; *How A Muzhik Fed Two Officials* - By M.Y. Saltykov [N. Shchedrin]; *Banquet Given By The Mayor, The Shades and A Phantasy* - By Vladimir G. Korlenko; *The Signal* - By Vsevolod M. Garshin; *The Darling, The Bet and Vanka* - By Anton P. Chekhov; *Hide And Seek* - By Fiodor Sologub; *Dethroned* - By I.N. Potapenko; *The Servant* - By S.T. Semyonov; *One Autumn Night* - By Maxim Gorky; *The Revolutionist* - By Michail P. Artzybashev; *The Outrage : A True Story* - By Aleksandr I. Kuprin. Beat regards.Asino Calcio

Harry Potter may not be the biggest brand in the world, or the most venerable, but his story is one of the most dramatic. This book tells the story of the Harry Potter brand and how it has taken the entertainment world by storm. Joanne K Rowling and her fabulous money-spinning creation is a contemporary fairytale, a 21st century version of the classic cornucopian chronicle. An impoverished single parent pens an accidental bestseller, which grows exponentially. The book begets more books, which beget movies and merchandise and huge media coverage. Today, Harry Potter is as much a brand as Tom Cruise, Starbucks or even Heinz. This book provides a fascinating insight into how Harry Potter became one of the world's most recognised brands in an extraordinarily short period of time.

### KOLYMA TALES

Rowman & Littlefield

Harry Potter: Knitting Magic is sure to have fans everywhere summoning needles, conjuring yarn, and practicing their best knitting wizardry.

### **TWILIGHT WATCH**

Bloomsbury Publishing

This book provides an introduction to the Forge, an online discussion site for tabletop role-playing game (TRPG) design, play, and publication that was active during the first years of the twenty-first century and which served as an important locus for experimentation in game design and production during that time. Aimed at game studies scholars, for whom the ideas formulated at or popularized by the Forge are of key interest, the book also attempts to provide an accessible account of the growth and development of the Forge as a site of participatory culture. It situates the Forge within the broader context of TRPG discourse, and connects "Forge theory" to the academic investigation of role-playing.

### **MITOSIS: A RECKONERS STORY**

The Floating Press

A New York Times Bestseller "I'll be forever changed by Dr. Eger's story...The Choice is a reminder of what courage looks like in the worst of times and that we all have the ability to pay attention to what we've lost, or to pay attention to what we still have."—Oprah "Dr. Eger's life reveals our capacity to transcend even the greatest of horrors and to use that suffering for the benefit of others. She has found true freedom and forgiveness and shows us how we can as well." —Desmond Tutu, Nobel Peace

Prize Laureate "Dr. Edith Eva Eger is my kind of hero. She survived unspeakable horrors and brutality; but rather than let her painful past destroy her, she chose to transform it into a powerful gift—one she uses to help others heal." —Jeannette Walls, New York Times bestselling author of *The Glass Castle* Winner of the National Jewish Book Award and Christopher Award At the age of sixteen, Edith Eger was sent to Auschwitz. Hours after her parents were killed, Nazi officer Dr. Josef Mengele, forced Edie to dance for his amusement and her survival. Edie was pulled from a pile of corpses when the American troops liberated the camps in 1945. Edie spent decades struggling with flashbacks and survivor's guilt, determined to stay silent and hide from the past. Thirty-five years after the war ended, she returned to Auschwitz and was finally able to fully heal and forgive the one person she'd been unable to forgive—herself. Edie weaves her remarkable personal journey with the moving stories of those she has helped heal. She explores how we can be imprisoned in our own minds and shows us how to find the key to freedom. The Choice is a life-changing book that will provide hope and comfort to generations of readers.

### **FLUENT FOREVER**

Penguin UK

The book presents new issues and areas of work in modality and evidentiality in English(es), and in relation to other European languages (French, Galician, Lithuanian, Spanish). Given the complexity of the relations among modal and evidential expressions, their constant diachronic evolution, and the variation found in different English-speaking areas, and in different genres and discourse domains, the volume addresses the following issues: the conceptual nature of modality, the relationship between the domains of modality and evidentiality, the evolution and current status of the modal auxiliaries and other modal expressions, the relationship with neighbouring grammatical categories (tense, aspect, mood), and the variation in different discourse domains and genres, in modelling stance and discourse identities.

The black sorceress Plague-del-Cake, whose name they dread

even to utter aloud, climbing to power, destroys the brilliant magicians one by one. Among her victims is the remarkable white magician Leopold Grotter. His daughter Tanya, by some unknown means, manages to avoid death, but on the tip of her nose, a mysterious birthmark remains for life... Plague-del-Cake mysteriously disappears, and Tanya Grotter turns out to be abandoned to the family of businessman Durnev, her distant relative... She lives with this extremely unpleasant family until the age of ten, and then finds herself in the unique world of the Tibidox School of Magic...

*Writing History in Late Imperial Russia* Springer

*Conversational Russian Dialogues* is an immersion book for Russian learners. The student will be provided with over 100 conversational stories in both Russian and English so the two texts can easily be compared as it is a dual language book.

*Bored of the Rings* Reaktion Books

An ancient race of humans who have supernatural powers face their greatest threat yet when a renegade Other absconds with a fabled book of spells and appears intent on using it to alter the course of humanity in the third book in the bestselling Russian trilogy that is part fantasy, part vampire story, and part detective story.

*Conversational Russian Dialogues* Litres

It is estimated that some three million people died in the Soviet forced-labour camps of Kolyma, in the northeastern area of Siberia. Shalamov himself spent seventeen years there, and in these stories he vividly captures the lives of ordinary people caught up in terrible circumstances, whose hopes and plans extended to further than a few hours This new enlarged edition combines two collections previously published in the United States as *Kolyma Tales* and *Graphite*.

*Harry Potter: Knitting Magic* Litres

The Russian internet is a hotbed for memes and viral videos: the political, satirical and simply absurd compete for attention in Russia while the West turns to it for an endless reserve of humorous content. But how did this powerful cyber community grow out of the repressive media environment of the Soviet Union? What does this viral content reveal about the country, its politics and its culture? And why are the memes and videos of today's Russia so popular, spreading so rapidly across the globe? Award-winning author Eliot Borenstein explores the explosive

online movement and unpicks, for the first time, the role of mimetic content and digital activism in modern Russian history up to the present day.

*Translating Names in Harry Potter* Cambridge Scholars Publishing  
Through what he terms "bibliographical sociology", Suman Gupta

explores the presence of English-language publications in the contemporary Indian context – their productions, circulations and readerships – to understand current social trends.
