LAUREN GEORGE

Daemons are Forever
Butterworth-
Heinemann
More than ten years
have passed since the
untimely death of King-
Sun Fu, one of the
great pioneers in the
field of pattern

recognition. It was he,
more than any other
single individual, who
nurtured the field
during its formative
years, and set the tone
and tempo for others
to follow. This book is
dedicated to his
memory. This book
contains 11 chapters
by authors who knew
King-Sun Fu and in
varying degrees
interacted with him.
The articles span the

field of pattern recognition in its current state, and cover such diverse topics as neural nets, covariance propagation, genetic selection, shape description, characteristic views for 3D modeling, face recognition, speech recognition, and machine translation. In tone they vary from the highly theoretical to the applied. Their presentation here is a testimonial, by his former colleagues and friends, to the pioneer who did so much to bring pattern recognition to its position as a recognized discipline world-wide.

SAGE

Psychosocial
Rehabilitation is a

comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in

the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for intervention effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final

section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction. **Delhi OMG!** Krause Publications Using the unifying valuation framework based on the Law of One Price, Corporate Finance, Fourth Canadian Edition, blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager. With this ideal melding of the core with modern topics, innovation with proven pedagogy, renowned researchers Berk, DeMarzo and Stangeland establish the new canon in

finance. KEY TOPICS: The Corporation; Introduction to Financial Statement Analysis; Arbitrage and Financial Decision Making; The Time Value of Money; Interest Rates; Valuing Bonds; Valuing Stocks; Investment Decision Rules; Fundamentals of Capital Budgeting; Capital Markets and the Pricing of Risk; Optimal Portfolio Choice and the Capital Asset Pricing Model; Estimating the Cost of Capital; Investor Behaviour and Capital Market Efficiency; Financial Options; Option Valuation; Real Options; Capital Structure in a Perfect Market; Debt and Taxes; Financial Distress, Managerial Incentives, and Information; Payout Policy; Capital Budgeting and Valuation with Leverage; Valuation and Financial Modeling: A Case Study; The Mechanics of Raising Equity Capital; Debt Financing; Leasing; Working Capital Management; Short-Term Financial Planning; Mergers and Acquisitions; Corporate Governance; Risk Management; International Corporate Finance MARKET: Appropriate for Undergraduate Corporate Finance Courses.

Why Sourcebooks, Inc. The purpose of this book is to explore new developments in the field of economic sociology. It contains cutting-edge theoretical discussions by some of the world's leading economic sociologists, with chapters on topics such as the economic convention, relational sociology, economic identity, economy and law, economic networks and institutions. The book is distinctive in a number of ways. First, it focuses on

theoretical contributions, by pulling together and extending what the contributors believe to be the most important theoretical innovations within their own particular areas of the field. Second, there are contributions by leading economic sociologists from both the US and Europe, which gives the book both wider scope and appeal, while also creating the opportunity for some interesting dialogue between distinct theoretical traditions. The book will be of interest to researchers, Ph.D. students, and advanced students on both side of the Atlantic, and indispensable in advanced economic sociology courses.

A Guide to Finding and

Using Causes Peachpit Press
 Data Collection Data Collection is the second of six books in the Measurement and Evaluation Series from Pfeiffer. The proven ROI Methodology--developed by the ROI Institute--provides a practical system for evaluation planning, data collection, data analysis, and reporting. All six books in the series offer the latest tools, most current research, and practical advice for measuring ROI in a variety of settings. Data Collection offers an effective process for collecting data that is essential to the implementation of the ROI Methodology. The authors outline the techniques, processes, and critical issues involved in successful

data collection. The book examines the various methods of data collection, including questionnaires, interviews, focus groups, observation, action plans, performance contracts, and monitoring records. Written for evaluators, facilitators, analysts, designers, coordinators, and managers, Data Collection is a valuable guide for collecting data that are adequate in quantity and quality to produce a complete and credible analysis.

 Whether it's John Deere, International Harvester or AGCO, Warman's Farm Toys Field Guide satisfies collectors' need to reliable details, in a portable format. This

brilliantly illustrated guide delivers more than 500 color photos of powerful machines in small-scale splendor. Inside this toy show companion collectors will discover:

&break;&break;Collect or values for farm toys made in the early 1900s through the 1990s which make buying and selling in the 5,000+ active online auctions easier

&break;&break;Detailed and concise listings provide quick and accurate identification

&break;&break;Reliable expert information based on the successful big book, Standard Catalog of Farm Toys, 2nd Edition, with nearly \$100,000 in sales

&break;&break;This book is a smart investment for fans of farm toys and

experienced collectors and an affordable gift display along with your favorite farm toys.

The Festivals and Their Meaning Image Comics Itching to build interesting projects with Drupal, but confused by the way it handles design challenges? This concise guide helps small teams and solo website designers understand how Drupal works by demonstrating the ways it outputs content. You'll learn how to manage Drupal's output, design around it, and then turn your design into a theme. In the second of three volumes on Drupal design, award-winning designer Dani Nordin takes you beyond basic site planning and teaches you key strategies for

working with themes, layouts, and wireframes. Discover how to use Drupal to make your vision a reality, instead of getting distracted by the system's project and code management details. Learn strategies for sketching, wireframing, and designing effective layouts Break down a Drupal layout to understand its basic components Understand Drupal's theme layer, and what to look for in a base theme Work with the 960 grid system to facilitate efficient wireframing and theming Manage Drupal markup, including the code generated by the powerful Views module Use LessCSS to organize CSS and help you theme your site

more efficiently

 Written as a tongue-in-cheek B-movie serial, "Jailbait" follows the adventures of an all-female undercover organization looking to hunt down predatory perverts by any means necessary and prevent children from becoming targets. It has been described as "To Catch a Predator" meets "Charlie's Angels" meets Ed Wood's "The Violent Years." Comic de ficcion basado en la película de serie B, "Jailbait", sigue las aventuras de una organización secreta constituida solo de mujeres que buscan dar caza a los pervertidos depredadores por

cualquier medio necesario, y evitar que los ni_os se conviertan en objetivos. Ahora en espa_ol por StormFront Productions.

 Process Safety Management and Human Factors: A Practitioner's Experiential Approach addresses human factors in process safety management (PSM) from a reflective learning approach. The book is written by engineers and technical specialists who spent the last 15-20 years of their professional career looking at behavioral-based safety, human factor research, and safety culture

development in organizations. It is a fundamental resource for operational, technical and safety managers in high-risk industries who need to focus on personal and occupational safety management to prevent safety accidents. Real-life examples illustrate how a good, effective understanding of human factors supports PSM and positive impacts on accident occurrence. Covers the evolution and background of process safety management Shows how to integrate and augment process safety management with operational excellence and health, safety and environment management systems Focuses on human

factors in process
safety management
Includes many real-life
case studies from the
collective experience
of the book's authors
Swing Vol. 1 Image
Comics
Yvonne Weaver
created this coloring
book to provide hours
of enjoyment. Yvonne
has chosen to make
each page something
children of all ages can
color and enjoy with
their family and
friends. She has
included desert scenes
as well as reptiles and
migratory birds who
visit the wetland areas.
The flowers are just for
fun; she loves to color
them herself. The
desert comes alive in
the spring with many
beautiful colored
wildflowers. The desert
scenery changes colors
as the sun rises and
sets. Yvonne saw a

need for a coloring
book to encourage
children to love our
planet and care for our
wildlife. She suggests,
"Just have fun with it."

What Your Doctor Doesn't Tell You...That You Need to Know World

Scientific
What if... The last man in the world she could be prevailed upon to marry...is her husband? In Jane Austen's *Pride and Prejudice*, Elizabeth Bennet tells the proud Mr. Fitzwilliam Darcy that she wouldn't marry him if he were the last man in the world. But what if she never said the words? What if circumstances

conspired to make her accept Darcy the first time he proposes? In this installment of *Abigail Reynolds's* acclaimed *Pride and Prejudice Variations*, Elizabeth agrees to marry Darcy against her better judgment, setting off a chain of events that nearly brings disaster to them both... What readers are saying "A highly original story, immensely satisfying." "Anyone who loves the story of Darcy and Elizabeth will love this variation." "I was hooked from page one." "A refreshing new look at what might have happened if..." "Another good book to curl up with... I never wanted to put it down."
