Cultural Anthropology McGraw-Hill Humanities/Social Sciences/Languages

A recent National Academy of Sciences inductee, Conrad Phillip Kottak offers an up-to-date holistic introduction to general anthropology from the four-field perspective. Kottak emphasizes why anthropology should matter to students and how students can use anthropology to better understand themselves. "Bringing It All Together" essays found on the online learning center demonstrate the integrated and comparative nature of anthropology. New "Through the Eyes of Others" essays offer the perspectives of foreign students and recent graduates who present their own cultures of origin in contrast with contemporary American culture. Thought-provoking questions now begin each chapter to highlight key themes and spark discussions and critical thinking.

Anthropology: Appreciating Human Diversity McGraw-Hill Humanities/Social Sciences/Languages

Focused on the appreciation of anthropology, the new edition of *Anthropology: Appreciating Human Diversity* offers an up-to-date holistic introduction to general anthropology from the four-field perspective. Key themes of appreciating the experiences students bring to the classroom, appreciating human diversity, and appreciating the field of anthropology are showcased throughout the text. In this edition, *Understanding Ourselves* chapter openers and *Through the Eyes of Others* boxes show how anthropology helps us understand ourselves. New *Appreciating Diversity* boxes focus on the various forms of human biological and cultural diversity. *Appreciating Anthropology* boxes are also new to the text and focus on the value and usefulness of anthropological research and approaches.

Like other Overture Books, *Mirror for Humanity* is designed to provide a concise, relatively low-cost introduction to cultural anthropology. Derived from his bestselling *Cultural Anthropology*, 6/E, Kottak has condensed and updated 19 chapters into 14, with conceptual and textual reorganization. The organization is intended to cover core and basics, while also illustrating prominent current issues. Reflecting the world itself, anthropology seems to change at an increasing pace. *Mirror for Humanity* provides a fully-up-to-date, affordable alternative.

WINDOW ON HUMANITY: A CONCISE INTRODUCTION TO GENERAL ANTHROPOLOGY

McGraw-Hill Humanities, Social Sciences & World Languages

Written by a prominent scholar in the field, Conrad Phillip Kottak, this concise, student-friendly, current introduction to general anthropology carefully balances coverage of core topics and contemporary changes in the field. New to this edition, *Connect Anthropology* offers a variety of learning tools

and activities to make learning more engaging for students and teaching more efficient for instructors. *Window on Humanity* is a perfect match for general anthropology courses that use readings or ethnographies along with a main text.

Cultural Anthropology 18e McGraw-Hill

"*Window on Humanity* is intended to provide a concise, readable introduction to general (four-field) anthropology. Its shorter length increases the instructor's options for assigning additional reading-case studies, readers, and other supplements-in a semester course. *Window* also can work well in a quarter system, for which traditional texts may be too long"--

Cultural Anthropology University of Michigan Press

Written by a prominent scholar in the field, this concise, up-to-date introduction to cultural anthropology carefully balances coverage of core topics with contemporary changes in the field. Since no single or monolithic theoretical perspective orients this book, instructors with a wide range of views and approaches can use it effectively. The combination of brevity and readability make *Mirror for Humanity* a perfect match for cultural anthropology courses that use readings or ethnographies along with a main text.

Assault on Paradise Overture Books

On Being Different provides an up-to-date, comprehensive, and interdisciplinary account of diversity and multiculturalism in the United States and Canada. Kottak and Kozaitis clarify essential issues, themes, and topics in the study of diversity, including ethnicity, religion, gender, and sexual orientation. The book also presents an original theory of multiculturalism, showing how human agency and culture work to organize and change society. The authors use rich and varied ethnographic examples, from North America and abroad, to help students apply the material to their own lives, and thus gain a better understanding of diversity and multiculturalism.
