THE SAMA/BAJAU LANGUAGE IN THE LESSER SUNDA ISLANDS

London : Benn

Tsem Rinpoche lived a fascinating and extraordinary life that took him, bizarrely, from Taiwan to New Jersey, then on to Los Angeles, India, and Malaysia. At times he seemed blessed and, at other times, he seemed cursed, yet he never wavered from his spiritual calling to bring Buddhist truth to the world. If you think you know what an incarnate lama is like, you'll be amazed by Tsem Rinpoche. In this revealing book, we tell his unique and intriguing story

TALES OF OGOSSHOTO

Lyons Press

The truth, in legal terms, is the version of "what happened" which carries most authority. This original and thought-provoking book looks at how this narrative is constructed in Muslim societies, and which truths are privileged over others in constructing it. Looking at a range of contrasting case studies, from Sharia courts to inquiries into police abuse, this book explores how ordinary stories are transformed into authoritative truths.

Hello Kitty Crochet Readers Digest

From the former President and CEO of the United States Tennis Association—the first black woman and youngest person ever to hold the position—comes a behind-the-scenes look at the leadership skills involved in hosting the U.S. Open, the largest and most lucrative sports event in the world—lessons that can be applied across business and to any life challenge. One of professional tennis's Grand Slam Tournaments, the U.S. Open has been described as a fourteen-day Superbowl. This single tennis championship, held annually in New York City, attracts top professionals from around the globe, generates more money than any other sporting event—or any other sport over an entire season—and attracts more than 700,000 attendees and millions of television viewers. In *Own the Arena*, Katrina Adams offers a privileged, singular inside look at this sensational global event, while elaborating on what makes tennis the only sport of a lifetime. She opens with the women's 2018 championship match between Naomi Osaka and Serena Williams that ended in boos. This was Adams's last year as president and the whole world was watching. How would she respond? How should the press be handled? What needs to be said to Osaka? Serena? What does this break from decorum mean for the Open and the sport? As Adams shares a wealth of stories from her career and personal life, as well as insights from top tennis professionals, she provides invaluable information on meeting life's tests both on the tennis court and off. *Own the Arena* offers fresh perspectives on having presence, being remembered, directing a conversation, and moving boldly in spaces where "you are the only one." It also covers good sportsmanship—treating others with respect and by being inclusive and open to diverse perspectives. Tennis is said to be 90 percent mental; this book shows how to take the elements of mental fortitude and use them to achieve greatness. By embracing and expressing one's inner grace and humanity, Adams shows, you can own the arena.

Q&A deliver a rigorous review for pulmonary board certification Part of the acclaimed McGraw-Hill Specialty Board Review series, this well-illustrated review is essential for pulmonary medicine physicians preparing for board certification or recertification. The coverage mirrors the board exam outline of the American Board of Internal Medicine (ABIM), focusing specifically on the most commonly tested topics in obstructive lung disease, critical care, diffuse parenchymal lung disease, sleep medicine, infections, and neoplasms. Offering more illustrations than similar reviews, *Pulmonary Disease Examination and Board Review* delivers authoritative coverage of the key concepts tested on the certification exam, including: making a diagnosis, test ordering and interpretation, treatment recommendations, understanding epidemiologic studies, understanding pathophysiology, and applying basic science knowledge to clinical situations. Case-based presentation mirrors the exam format Includes numerous high-quality images, including: x-rays, CT scans, and electrocardiograms Excellent as clinical refresher in pulmonary medicine

Rekayasa Kearifan Tempatan dalam Sastera Melayu (Penerbit USM) Lontar

History and criticism on Malay poetry and its relation to cultural tradition in Malaysia.

Pelita bahasa Morgan James Publishing

First published in 1995, *Youth Cultures* critically studies an anthropologically neglected population: the youth. The book broadens the scope for analysing young people's behaviour by moving away from notions of resistance and deviance and offers a range of ethnographically based studies of different kinds of youth in varied national contexts. From Nepal to Canada, Europe, the Solomon Islands and Algeria, it addresses issues relating to globalisation in Third World cities, ethnic diversity in European cities and consumption practices, and places the lives of these young people in the contexts of wider cultures. *Youth Cultures* contributes to the general concern in anthropology with 'rewriting' culture, even while it seeks to close particular gaps in studies on youth culture. By challenging the limitation of previous youth research and acknowledging children and young adults as agents to be respected rather than objectified, this book will be invaluable reading to students of anthropology, sociology, education, psychology, and cultural studies.

Kamus Inggeris-Melayu Dewan An English-Malay Dictionary
Penguin

Mah Meri is an Aslian (Austroasiatic: Mon-Khmer) language spoken in scattered settlements along a section of the southwest coast of Selangor in Peninsular Malaysia. The Mah Meri are the only Aslian speakers who live in a coastal environment. Their language, which may have about 2,000 speakers, has no written language and is highly endangered. This is the first comprehensive dictionary of Mah Meri and is based on the author's extensive field research and consultation with members of the community over the last ten years. The dialect presented here is spoken by about 600 people at Bukit Bangkong, the most southerly Mah Meri settlement. The dictionary contains around 4,000 entries, each with a phonetic transcription and translations in both English and Malay. Many entries are further complemented by illustrative examples, notes on usage, derivations, ethnographic information, and illustrations—all provide insight into the world of Mah Meri speakers. Two finder lists (English–Mah Meri and Malay–Mah Meri) are included, giving access to the intended audience of international and local scholars and community members. The volume also includes a general introduction to the Mah Meri, notes to assist the reader in using the dictionary, and a short grammatical description.

An invaluable resource, *Dressmaking* will guide you through all the stages of making, altering, and customizing clothes. Starting with the Tools and Materials, you will learn what you need to buy and how to use it. The Fabrics chapter demonstrates the drape and weave of fabrics and explains the best uses of each. The Patterns chapter covers everything from understanding a pattern to altering one. In General Techniques, close-up photography and guiding annotation to explain key techniques step by step. A section on Basic Patterns and Variations then guides you through creating six garments. Patterns and detailed step-by-step instructions are provided for a skirt, dress, shirt, tee, jacket, and pair of trousers. Instructions are also given for possible variations of each garment. Finally, chapters on Alterations and repairs and Customizing offer practical tips for repairing worn items and inspiration for modernizing tired pieces. Packed with essential advice and inspiration, this is the dressmaking bible that no budding seamstress should be without.

Festschrift in honor of Ismail Hussein, b. 1932, a Malaysian linguist.

Routledge

Surgical Guide to Circumcision is a compendium of the who, what, where, why, and most importantly, the how of circumcision. Given that one third of the world's males have undergone this most ancient of surgical procedures, a contemporary resource on the subject is in order. Most circumcisions are elective with no acute medical necessity; that is, most are done for cultural reasons. Thus, in addition to being a standard surgical guide for those who perform circumcision, this book is an anthology of circumcision, from its prehistoric roots to its present day admixture of religion, culture, and medicine. *Surgical Guide to Circumcision* is a fully illustrated, step-by-step guide to the most common techniques of circumcision and addresses aspects such as informed consent, religious and cultural sensitivities, pre-exam, post-care, pain control, and prevention and management of potential complications. Written by experts in the field, *Surgical Guide to Circumcision* will appeal to family physicians, pediatricians, obstetricians, midwives, nurses, urologist, and anyone with a general interest in circumcision.

Tips on utilizing Social Media to showcase your personal brand
How personal branding can help advance your career
Guidance on creating a clear and concise image
With the hands-on, friendly help of *Personal Branding For Dummies*, you'll establish a professional presence and personal "brand" identity to keep yourself distinguished in the business world.>

Memory and Material Culture Malaysian Branch of Royal Asiatic Society

First published in 1922, the novel "Sitti Nurbaya: A Love Unrealized," by Marah Rusli, retains the poignancy that made it a modern Indonesian classic. In terms of its social impact in what was then the Dutch East Indies, "Sitti Nurbaya" may be compared to "Uncle Tom's Cabin" in the ante-bellum United States. Even to this day, the issues of injustice and indignities suffered by women that this novel raised continue to be debated throughout the country. Rich in description, dense with ironic foreboding and the inexorable workings of fate, Sitti Nurbaya is Samsu and "Sitti Nurbaya"'s ill-fated love story. But in their wishes, the reader might also discern young people's tantalizing dream of what the East Indies society might become, or could become, if only local genius, embodied in a modernizing youth emancipated from stifling traditions, could fuse with European genius in mutual respect and admiration. This too was, of course, a dream never to be realized, and one perhaps which never could have been realized.
