Psychology students who want to continue their education today are confronted by a bewildering variety of possibilities.

Succeeding in Graduate School offers them much needed practical help. Written by experienced mentors, this book:

*explains the options provided by a bachelor's degree, describes what each of the many available programs at the master's and doctoral levels prepares one to do, helps in selecting the most appropriate program, and enhances one's chances of being

admitted; *gives reader-friendly tutorials in teaching, research, and clinical/consulting skills; *describes the stresses of life as a graduate student; *suggests ways to cope with the management of difficult professors, the search for the optimal advisor-mentor match, and other political and emotional problems that can make or break a graduate career; *offers advice on overcoming obstacles to completing a thesis or dissertation; and *provides guidance on navigating beyond graduate school: maintaining one's ethical focus, getting into and completing the internship that is a requirement of many programs, obtaining a license for those requiring one to work, and in general, building a career beyond the degree. Clear, crisp, and comprehensive—with extensive references for further exploration—Succeeding in Graduate School is must reading for undergraduates and graduate students alike.

ANATOMY OF A BOYFRIEND

Harper Collins

This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are

periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

This five-views work brings together an all-star lineup of Pauline scholars to offer a constructive, interdenominational, up-to-date conversation on key issues of Pauline theology. The editors begin with an informative recent history of biblical tradition related to the perspectives on Paul. John M. G. Barclay, A. Andrew Das, James D. G. Dunn, Brant Pitre, and Magnus Zetterholm then discuss how to interpret Paul's writings and theology, especially the apostle's view of salvation. The book concludes with an assessment of the perspectives from a pastoral point of view by Dennis R. Edwards.

Vivid, bawdy, comic, and arresting, the exciting new novel by the Indonesian phenomenon, Eka Kurniawan Told in short, cinematic bursts, *Vengeance Is Mine, All Others Pay Cash* is gloriously pulpy. Ajo Kawir, a lower-class Javanese teenage boy excited about sex, likes to spy on fellow villagers in flagrante, but one night he ends up witnessing the savage rape of a beautiful crazy woman by two policemen. Deeply traumatized, he becomes impotent. His efforts to get his virility back all fail, and Ajo Kawir turns to fighting as a way to vent his frustrations. He gets such a fearsome reputation as a brawler that he is hired to kill a thug named The Tiger, but instead Ajo Kawir falls in love with Iteung, a gorgeous female bodyguard who works for the local mafia. Alas, the course of true love never did run smooth... Fast-forward a decade. Now a truck driver, Ajo Kawir has reached a new equanimity, thinking that his penis may be trying to teach him a lesson and even consulting it in many situations as if it were his guru—love may yet triumph. *Vengeance Is Mine, All Others Pay Cash* shows Eka Kurniawan in a gritty, comic, pungent mode that fans of Quentin Tarantino will appreciate. But even with its liberal peppering of fights, high-speed car chases, and ladies heaving with desire, the novel continues to explore Kurniawan's familiar themes of female agency in a violent male world dominated by petty criminals and a corrupt police state.
