Acts is the sequel to
Luke's gospel and tells the
story of Jesus's followers
during the 30 years after
his death. It describes
how the 12 apostles,

formerly Jesus's disciples,
spread the message of
Christianity throughout
the Mediterranean against
a background of
persecution. With an

LETTERS TO THE SEVEN CHURCHES OF ASIA IN THEIR LOCAL SETTING

The Message of the Church

Women comprise at least half the world, and usually more than half the church, but so often Christian teaching to women either fails to move beyond a discussion of roles or assumes a particular economic situation or stage of life. This all but shuts women out from contributing to God's kingdom as they

were designed to do.

Furthermore, the plight of women in the Majority World demands a Christian response, a holistic embrace of all that God calls women and men to be in his world. The loudest voices speaking into women's lives in the twenty-first century thus far come from either fundamentalist Islam or radical feminism. And neither can be allowed to carry the day. The Bible contains the highest possible view of women and invests women's lives

with cosmic significance regardless of their age, stage of life, social status, or culture. Carolyn Custis James unpacks three transformative themes the Bible presents to women that raise the bar for women and calls them to join their brothers in advancing God's gracious kingdom on earth. These new images of what can be in Christ free women to embrace the life God gives them, no matter what happens. Carolyn encourages readers with a positive, kingdom approach to the changes,

challenges, and opportunities facing women throughout the world today.

The experiences of the early church have much to say about issues that concern Christians today. What can Acts tell us about tongues and other manifestations of the Spirit? How should the church reach out into the world with the message of salvation? This revised BST volume from John Stott opens to us the early

days of the church as recorded by Luke in the book of Acts.

The Message to the Church Roy Wade, Sr., D.Min.

What does the church believe? Every church has a driving confession, but what is the confession of a true and biblical church? *The Heart of the Church* answers with the gospel. It explains the story of the gospel, its basic doctrines, and God's work in salvation. Fresh yet consistent with classic expressions, it helps churches reclaim their

essential identity and return from distracting pursuits. Useful for training in membership classes, discipleship groups, and elder boards—and even for devotional reading—*The Heart of the Church* is at once theological, practical, and experiential. Readers will not simply be informed, but led to believe in, rejoice in, and be transformed by the truth of God for His gathered people. Without the gospel, the church does not exist. This book is

Thorn's full and detailed exploration of the message that is indispensable to the church's life and identity. For any church lacking power, any Christian feeling dry, or any person seeking truth, *The Heart of the Church* brings relief, direction, and light, leading to worship.

The Acts of the Apostles Multnomah
The newest volume in the Bible Speaks Today Bible Themes Series, *The Message of the Church* offers an encouraging exposition on the church's

mission and nature from select Old Testament and New Testament texts. Chris Green helps us see that the church has a message, it is the result of that message, and that the church itself is a message.

RECAPTURING GOD'S GLOBAL VISION FOR WOMEN

Naked Apostles Preaching's Preacher's Guide to the Best Bible Reference for 2014 (Old Testament Commentaries) The prophet Jeremiah

addressed the people of Judah and Jerusalem over a forty-year period leading up to the destruction of Jerusalem in 587 B.C. The book of Jeremiah addresses the exiles, especially those in Babylon, in the years after the catastrophe. Here we encounter Jeremiah the prophet who, from his youth to old age, delivered the word of God to the people of Israel at the most terrifying time in all their troubled history. Understanding Jeremiah's context is essential to understanding his life and

message. More than that we must encounter the God of Jeremiah--an encounter that should be both profoundly disturbing and ultimately reassuring, as it was for him. If Jeremiah spoke in his day, and if the book still speaks today, in both cases it is because of the God who called the man to speak and commanded the book to be written. In the end, Jeremiah is a book of the victory of God's love and grace. His redemptive, reconstructive work comprises the book's

portrait of the future--a future that we see fulfilled in the New Testament through the life, death and resurrection of Jesus the Messiah. Ultimately we see it in God's dwelling with his redeemed people forever in the new creation. A replacement volume in the Bible Speaks Today Old Testament commentary series, this book offers a new exposition on the book of Jeremiah.

What is the church's mission in the world? What message does it proclaim, and who is to proclaim it? The mission, says Darrell Guder in this book, is to complete the work of salvation that God began in the incarnation of his son Jesus Christ. The message is the gospel -- the good news of the incarnate Christ. And the messengers are the Body of Christ -- the church -- who have been called to be his witnesses. Only as we understand Christ's

incarnation and the church's role in proclaiming its meaning, according to Guder, can we understand our calling to be witnesses of God's salvation.

An astonishing testimony to God's amazing saving grace and healing power. What makes a successful young businesswoman give up her job and sell all that she owns? Isabel Chapman followed God's call to the Philippines where she ministered to

the primitive, headhunting mountain tribes. She obeyed the great commission in its entirety and God worked with her confirming His word with signs following. Through her preaching of the gospel God's saving grace reached out to the mountain people. Many were saved from eternal damnation and received eternal life through faith in Jesus Christ, and were delivered and healed from all kinds of ailments, pains and diseases. She herself was miraculously healed of typhoid fever. Since

publishing her best-selling books *Arise and Reap* and *Reaping with Joy*, Isabel has continued to live a life dedicated to obeying the Lord's commission and has ministered in many countries. Her God-given faith is uncomplicated and uncompromising, her testimony striking and challenging.

The Man: You can't separate the man from the message. This chapter deals with the preparations and

surrender that a true God-called preacher must be willing to endure. Drawing from Paul's pattern to the Thessalonians, Dr. Peacock deals with issues like confrontation, preaching for results, and discouragement. The Message: God has a message He wants to be imparted to the congregation each Sunday. This chapter explains what biblical preaching is and how to find the right message. Dr. Peacock tackles things like harsh preaching, outward conformity, and

preaching on "isms." He also deals with what to keep out of the pulpit. The Ministry: A biblical ministry is built on the proper foundation: the Lord Jesus Christ. This final chapter addresses many concerns in the ministry. Dr. Peacock offers his advice and biblical explanation for things like when to start a church, the appearance of church facilities, how to treat visitors, missions, street preaching, counseling, and much more. *Revelation of Revelation*

Millions have caught Karl Marx's vision of a New Man and a New Society. "Paul presents a greater vision still," writes John Stott. In his letter to the Ephesians the apostle "sees the human predicament as something even deeper than the injustice of the economic structure and so propounds a yet more radical solution. He writes of nothing less than a 'new creation.'" John Stott

expounds Paul's theme of uniting all things in Christ by uniting his church and breaking down all that separates us from God, one ethnic group from another, husband from wife, parent from child, master from slave. A book for all who want to build the church into the new society God has planned it to be.

The Great Omission

Crossway
revelation of Revelation,
An Urgent Message for
the Church, Volume 2,
The Seven Letters of
Revelation focuses

exclusively on revealing the message Jesus wrote concerning the entire Church Age (33 AD-the start of the great tribulation). The vision John received consists of four different stories or narratives. They are mind blowing prophecies which are the capstone of all the prophecies within the Bible itself. However, even before these visions are given, Jesus dictates one letter consisting of seven separate letters. They are meant for all His elect over the entire history of the Church Age.

It is a single intimate letter addressed exclusively to His bride; the Church. It is only because of the constant use of the number seven, that we can realize Jesus is addressing the entire Church Age telling us of everything it will face and become. Seven is used in framing the seven days of creation; the beginning of time; the seven seals; the premature end of time outlining judgment and redemption; the seven letters to the seven churches; outlining the entire Church Age and the

Lord's admonishments. When God outlines anything using the structure of sevens, He is telling us that He has included the beginning, the end, and a comprehensive explanation of what He is describing. The use of seven guarantees that nothing of significance is left out. With that in mind, we can glean from the seven letters of Revelation a whole new layer of information Jesus is trying to communicate to His beloved Church. Volume 2, The Seven

Letters of Revelation, reveals what that message is. The message Jesus personally spoke to His elect before giving John the visions of Revelation.

Sermon On The Mount
Upfront

For All Christians Who Yearn for Revival God's Way This no-compromise biblical clarion call to revival is timeless. Leonard Ravenhill clearly shows how the church can be brought from where it is to where it ought to be. The church still needs his message, first published

in 1983, for as Ravenhill said, "We live in a generation which has never know revival--God's way." The message is drastic, fearless, and often radical. His goal for the church is nothing less than full restoration to the glory, power, holiness, and dignity that Christ intended for it.

Already Gone InterVarsity Press

"The followers of Jesus are to different," writes John Stott, "different from both the nominal church and the secular world, different from both the

religious and the irreligious. The Sermon on the Mount is the most complete delineation anywhere in the New Testament of the Christian counter-culture. Here is a Christian value-system, ethical standard, religious devotion, attitude to money, ambition, lifestyle and network of relationships--all of which are totally at variance with those in the non-Christian world. And this Christian counter-culture is the life of the kingdom of God, a fully human life indeed but

lived out under the divine rule." In this careful exposition of Jesus' Sermon on the Mount, John R. W. Stott accurately expounds the biblical text and relates it to life today. Above all, the author says, he wants to let Christ speak this sermon again, this time to the modern world. *Art and the Message of the Church* WestBow Press
These seven sermons came into print as a result of a series of sermons that the author preached at the Mount Zion Baptist

Church. These sermons are appropriate for the 21st Century Church. In a century where it seems as though the message of the local church has been "watered" down, these sermons point the local church back to the days of the First Century Church in which the message was from the mouth of God!
