with Diamonds * Penny Lane * Revolution * Something * Ticket to Ride * Twist and Shout * When I'm Sixty-Four * While My Guitar Gently Weeps * Yellow Submarine * Yesterday * and more. 4-1/2 inches x 7-1/2 inches.

The Oral History of Seattle Rock Music Hal Leonard Corporation (Fretted). Play along with your favorite tunes from the Beatles, Elvis, Johnny Cash, Woody Guthrie, Simon & Garfunkel, and more! The songs are presented in the order of difficulty, beginning with simple rhythms and melodies and ending with chords and notes up the neck. You can also strum and sing along using the provided lyrics and ukulele chord diagrams. Songs include: I Walk the Line * Ob-La-Di, Ob-La-Da * Tom Dooley * We Shall Overcome * Your Cheatin' Heart * and more.

The Little Black Book of Beatles Songs for Ukulele Hal Leonard Corporation

There has never been a band like Pearl Jam. The Seattle quintet has recorded eleven studio albums; sold some 85 million records; played over a thousand shows, in fifty countries; and had five different albums reach number one. But Pearl Jam's story is about much more than music. Through resilience, integrity, and sheer force of will, they transcended several eras, and shaped the way a whole generation thought about art, entertainment, and commerce. Not for You: Pearl Jam and the Present Tense is the

first full-length biography of America's preeminent band, from Ten to Gigaton. A study of their role in history - from Operation Desert Storm to the Dixie Chicks; "Jeremy" to Columbine; Kurt Cobain to Chris Cornell; Ticketmaster to Trump - Not for You explores the band's origins and evolution over thirty years of American culture. It starts with their founding, and the eruption of grunge, in 1991; continues through their golden age (Vs., Vitalogy, No Code, and Yield); their middle period (Binaural, Riot Act); and the more divisive recent catalog. Along the way, it considers the band's activism, idealism, and impact, from "W.M.A." to the Battle of Seattle and Body of War. More than the first critical study, Not for You is a tribute to a famously obsessive fan base, in the spirit of Nick Hornby's Fever Pitch. It's an old-fashioned - if, at times, ambivalent - appreciation; a reflection on pleasure, fandom, and guilt; and an essay on the nature of adolescence, nostalgia, and adulthood. Partly social history, partly autobiography, and entirely outspoken, discursive, and droll, Not for You is the first full-length treatment of Pearl Jam's odyssey and importance in the culture, from the '90s to the present.

My Life in and out of Aerosmith Hal Leonard Publishing Corporation

In this major biography Martin Clarke investigates one of the most popular and influential bands of our time and paints a detailed portrait of its enigmatic leader, Eddie Vedder.

Billboard John Wiley & Sons

Joe Perry's New York Times bestselling memoir of life in the rock-and-roll band Aerosmith: "An insightful and harrowing roller coaster ride through the career of one of rock and roll's greatest guitarists. Strap yourself in" (Slash). Before the platinum records or the Super Bowl half-time show or the Rock and Roll Hall of Fame, Joe Perry was a boy growing up in small-town Massachusetts. He idolized Jacques Cousteau and built his own diving rig that he used to explore a local lake. He dreamed of becoming a marine biologist. But Perry's neighbors had teenage sons, and those sons had electric guitars, and the noise he heard when they started playing would change his life. The guitar became his passion, an object of lust, an outlet for his restlessness and his rebellious soul. That passion quickly blossomed into an obsession, and he got a band together. One

night after a performance he met a brash young musician named Steven Tyler; before long, Aerosmith was born. What happened over the next forty-five years has become the stuff of legend: the knockdown, drag-out, band-splintering fights; the drugs, the booze, the rehab; the packed arenas and timeless hits; the reconciliations and the comebacks. *Rocks* is an unusually searching memoir of a life that spans from the top of the world to the bottom of the barrel—several times. It is a study of endurance and brotherhood, with Perry providing remarkable candor about Tyler, as well as new insights into their powerful but troubled relationship. It is an insider's portrait of the rock and roll family, featuring everyone from Jimmy Page to Alice Cooper, Bette Midler to Chuck Berry, John Belushi to Al Hirschfeld. It takes us behind the scenes at unbelievable moments such as Joe and Steven's appearance in the movie of Sgt. Pepper's Lonely Hearts Club Band (they act out the murders of Peter Frampton and the Bee Gees). Full of humor, insight, and brutal honesty about life in and out of one of the biggest bands in the world, *Rocks* is "well-paced, well-plotted...a mini-masterpiece" (The Boston Globe).
