FREEMAN MELODY

The Duke And I Penguin
The brand new series
from 10-Time USA Today

Bestselling author Jess
Michaels! When the Jasper
Kincaid, the Earl of
Harcourt, offered to marry
one of the infamous

Shelley triplets, he was doing it for the dowry to refill his depleted coffers, not for anything so silly as love. But when he realizes it is Thomasina Shelley masquerading as his fiancée at their final engagement ball, not his true intended, a desire for her that he has been ignoring sparks. And when it becomes clear her sister has run away with another, an opportunity arises for a marriage with a much deeper connection. Thomasina's feelings for Jasper have never been appropriate

and she doubted the prudence of pretending to be his even for just one night. Once she's caught, everything escalates so quickly. Suddenly she's going to marry this stern, fascinating man who is not particularly pleased at her perfidy. Add to that her worry about where her wayward sister has gone and it's a recipe for both passion...and disaster. As the two slowly grow closer, Jasper realizes his former fiancée's disappearance may have more to do with his own past than he

originally realized. And the longer he keeps that from Thomasina, the more painful it will be when the truth comes out. Can they let each other close enough to fight together against the dangers right around the corner? And will they survive to meet the future they could have if they do? Length: Full Length Novel Heat Level: Put a fan in your cart now (you're gonna need it). This is the first book in The Shelley Sisters series.

TO WED A WICKED

EARL**MIRA**

Three generations of Irish nobles face their family secrets in this spellbinding novel from the award-winning author of the Boleyn King trilogy. The Gallagher family has called Deeprath Castle home for seven hundred years. Nestled in the Wicklow Mountains of Ireland, the estate is now slated to become a public trust, and book lover and scholar Carragh Ryan is hired to take inventory of its historic library. But

after meeting Aidan, the current Viscount Gallagher, and his enigmatic family, Carragh knows that her task will be more challenging than she'd thought. Two decades before, Aidan's parents died violently at Deeprath. The case, which was never closed, has recently been taken up by a new detective determined to find the truth. The couple's unusual deaths harken back a century, when twenty-three-year-old Lady Jenny Gallagher also died at Deeprath under

mysterious circumstances, leaving behind an infant son and her husband, a renowned writer who never published again. These incidents only fueled fantastical theories about the Darkling Bride, a local legend of a sultry and dangerous woman from long ago whose wrath continues to haunt the castle. The past catches up to the present, and odd clues in the house soon have Carragh wondering if there are unseen forces stalking the Gallagher family. As

secrets emerge from the shadows and Carragh gets closer to answers—and to Aidan—could she be the Darkling Bride’s next victim?
