This book provides a convenient and edited version of the 100 U.S. history, civics and government questions of the Tennessee Civics Test. It has been formatted to be easy, clear and inexpensive. (The questions are the same questions (edited) that are asked of applicants for United States citizenship and are available for free online.) The 100 civics questions are presented in 3 different ways: 1. Regular Question/Answer format: (each question is followed directly with the answer). This format is helpful when you first start studying the questions and answers. It gives you a "bird's eye view" of the questions and answers. 2. Historical order (Logical Order): The same 100 questions and answers are rearranged in a logical, historical order. This helps you see the relationship among the questions and helps you to better remember the answers. 3. Question on one page and the answer on the following page. This allows you to test your memory and makes memorizing the questions and answers both easy and fun. Included also is a brief timeline of the state of Tennessee. Although not required for the Tennessee Civics Test, the timeline reminds us of the important people, places and events that contributed to making our great state.
