Whitney Houston! BOLD RAIN (Book). Based on the official Top 20 charts from Billboard in the US and NME/Music Week in the UK, this entertaining book shows at a glance the monthly international status of the hits. The fully updated and revised fourth edition lists the charts since they began in January 1954 all the way through December 2000. Each song is listed with artist name and nationality, current and previous month's chart position, record label, weeks on the chart, and simultaneous position on the "other side of the pond." Special symbols indicate million-sellers, plus artists' first and most recent hits. All stars and songs are indexed separately, making it especially easy to pinpoint any Top 20 hit. Includes 200 photos, plus new pop trivia and star gossip!

REMEMBERING WHITNEY

Omnibus Press
This book of original essays presents controversial topics, then encourages the readers to consider what they think ought to be done. The selections identify several

of the existing issues in policing about which something needs to be done; then, they present various viewpoints on possible solutions. This is done against the backdrop of an era of significant change in worldwide security, post-9/11, that has caused major changes in the manner in which the U.S. conducts its political, social and economic affairs.

Billboard Top Ten Hits 1980-2015 with Youtube Links Simon and Schuster
She still wondered, "Am I good enough? Am I pretty enough? Will they like me?" It was the burden that made her great and the part that caused her to stumble in the end. If you could hear me, no I would tell you, you weren't just good enough, you were great. -- Kevin Costner We all read the same stories and found ourselves believing the rumors. The stories of drug use and drunken nights out, her problems with money and marriage, and even those about how much Kevin Costner despised working with her on the film, *The Bodyguard*, because of her diva-like ways. But quotes like the one above, along with everything else Kevin Costner shared about his friendship with Whitney Houston, can't help but make you wonder just how misunderstood she really was. This book takes you full circle through Whitney Houston's life, starting with her first solo in her mother's choir at the New Hope Baptist Church in New Jersey to her funeral in that very same church. Every page will give you more and more insight into the tragic superstar, leaving you with an understanding of just how incredible she was, even when the tabloids were declaring otherwise.

(Heart) and more.

IT ONLY TAKES A MINUTE TO CHANGE YOUR LIFE

Gannett Satellite Info Netw
"Joshua Clover finally puts the lie to the tiresome cliché that 'writing about music is like dancing about architecture.' He shows definitively that when the time is right, architecture is precisely what people do dance about."—Greil Marcus, author of *Lipstick Traces*

God's Holy War to Rescue the Messiah

Routledge
The New York Times Bestseller! After decades of silence, Robyn Crawford, close friend, collaborator, and confidante of Whitney Houston, shares her story. Whitney Houston is as big a superstar as the music business has ever known. She exploded on the scene in 1985 with her debut album and spent the next two decades dominating the charts and capturing the hearts of fans around the world. One person was there by her side through it all—her best friend, Robyn Crawford. Since Whitney's death in 2012, Robyn has stayed out of the limelight and held the great joys, wild adventures, and hard truths of her life with Whitney close to her heart. Now, for the first time ever, Crawford opens up in her memoir, *A Song for You*. With warmth, candor, and an impressive recall of detail, Robyn describes the two meeting as teenagers in the 1980s, and how their lives and friendship evolved as Whitney recorded her first album and Robyn pursued her promising Division I basketball career. Together during countless sold-out world tours, behind the scenes as hit after hit was recorded, through Whitney's marriage and the birth of her daughter, the two navigated often challenging families, great loves, and painful losses, always supporting each other with laughter and friendship. Deeply personal and heartfelt, *A Song for You* is the vital, honest, and previously untold story that provides an understanding of the complex life of Whitney Houston. Finally, the person who knew her best sets the record straight.

PASSAGES

Routledge

Overachiever Joe Theismann had reached the pinnacle of success as an elite NFL quarterback, with a Super Bowl victory and NFL MVP award. But the memory that sticks with many fans is the gruesome injury—his leg was shattered on Monday Night Football—that ended his career. The end of his days on the gridiron wasn't the end of life for Theismann, though. In *How to Be a Champion Every Day*, Theismann recounts stories from his impressive career, providing an inspirational guide for how to succeed on a team, in your career, and in your everyday life. Theismann draws on the people who have inspired and motivated him over the years, like head coach Ron Rivera, San Francisco 49ers safety Ronnie Lott, and his own mother. These amazing stories all emphasize a simple yet profound message that with hard work, focus, and belief in yourself, you can achieve greatness. Organized by themes such as Attitude, Teamwork, and Motivation, Theismann's wise anecdotes highlight his firm belief that positive-thinking, goal-oriented people can achieve anything they set their minds to. See how Theismann's advice can change your life.

The Spectacular Rise and Tragic Fall of the Woman Whose Voice Inspired a Generation Macmillan

A keepsake, a remembrance, a celebration: USA TODAY's *Passages* is a rich and touching look at the lives of those who left us in 2012 - ranging from pop's

troubled goddess to the reclusive first man on the moon, from a wise sheriff in mythical Mayberry to a brave schoolteacher who saved her students in Connecticut. These are the stories of more than 235 people who changed entertainment, science, sports, business and our world, leaving legacies large and small. *Passages* is a USA TODAY e-book worth turning to again and again.

My Life with Whitney Houston

Lulu.com

A candid exploration of the genius, shame, and celebrity of Whitney Houston a decade after her passing. On February 11, 2012, Whitney Houston was found submerged in the bathtub of her suite at the Beverly Hilton Hotel. In the decade since, the world has mourned her death amid new revelations about her relationship to her Blackness, her sexuality, and her addictions. *Didn't We Almost Have It All* is author Gerrick Kennedy's exploration of the duality of Whitney's life as both a woman in the spotlight and someone who often had to hide who she was. This is the story of Whitney's life, her whole life, told with both grace and honesty. Long before that fateful day in 2012, Whitney split the world wide open with her voice. Hers was a once-in-a-generation talent forged in Newark, NJ, and blessed with the grace of the church and the wisdom of a long lineage of famous gospel singers. She redefined "The Star-Spangled Banner." She became a box-office powerhouse, a queen of the pop charts, and an international superstar. But all the while,

she was forced to rein in who she was amid constant accusations that her music wasn't Black enough, original enough, honest enough. Kennedy deftly peels back the layers of Whitney's complex story to get to the truth at the core of what drove her, what inspired her, and what haunted her. He pulls the narrative apart into the key elements that informed her life—growing up in the famed Drinkard family; the two romantic relationships that shaped the entirety of her adult life, with Robyn Crawford and Bobby Brown; her fraught relationship to her own Blackness and the ways in which she was judged by the Black community; her drug and alcohol addiction; and, finally, the shame that she carried in her heart, which informed every facet of her life. Drawing on hundreds of sources, Kennedy takes readers back to a world in which someone like Whitney simply could not be, and explains in excruciating detail the ways in which her fame did not and could not protect her. In the time since her passing, the world and the way we view celebrity have changed dramatically. A sweeping look at Whitney's life, *Didn't We Almost Have It All* contextualizes her struggles against the backdrop of tabloid culture, audience consumption, mental health stigmas, and racial divisions in America. It explores exactly how and why we lost a beloved icon far too soon.
