Faking It Macmillan

New York Times bestselling author Jennifer Crusie teams up with USA Today bestselling author Bob Mayer to write a sizzling, high-octane romantic adventure about a straight-talking woman and a straight-shooting man... Lucy Armstrong is a director of television commercials who's just been recruited to finish a four-day action movie shoot. But she arrives on the set to discover that the directing staff has quit, the make-up artist is suicidal, the stars are egomaniacs, the stunt director is her ex-husband, and the lead actor has just acquired as an advisor a Green Beret who has the aggravating habit of always being right. Green Beret Captain JT Wilder had thought that hiring on as a military consultant for a movie star was a good deal: easy money and easier starlets. Instead he has to babysit a bumbling comedian, dodge low-flying helicopters, and resist his attraction to a director who bears a distracting resemblance to Wonder Woman. Then the CIA calls and he realizes that somebody is taking "shooting a movie" much too literally. Full of

suspense and humor, non-stop action and fast-paced dialogue, Don't Look Down is the perfect blend of male and female, adventure and romance, Mayer and Crusie.

A Mechanism For Development Macmillan Dumped and fired, radio producer Allie McGuffey is taking her new project, temporary DJ Charlie Tenniel, with her on her climb to the top, where despite his objections and the fact that he is totally wrong for her, Charlie and Allie fall into success--and into bed. Reprint.

Sizzle Macmillan

Abby has just arrived in Summerville, Ohio, with her placid Newfoundland, Bowser. She's reluctantly inherited her grandmother's coffee shop, but it's not long before she's brewing up trouble in the form of magical baked goods and steaming up her life with an exasperating college professor. And then there's Daisy, a web code writer, and her hyperactive Jack Russell, Bailey. Her tightly-wound world spins out of control when she discovers the chaos within and meets a mysterious dog trainer whose teaching style is definitely hands-on. Finally there's Shar, professor of ancient history at Summerville College, who wakes up one morning to find her neurotic dachshund,

Wolfie, snarling at an implacable god sitting at her kitchen table, the first thing in her life she hasn't been able to footnote. What on earth is going on in this unearthly little town? It's up to Abby, Daisy, and Shar to find out before an ancient goddess takes over Southern Ohio, and they all end up in the apocalyptic doghouse...

Manhunting St. Martin's Press

The aim of this book is to bridge the widening gap between ongoing educational reforms and the lack of advances in knowledge, research and practice. Included is a description of new mechanisms in fields such as leadership, staff development and curriculum change. [Trust Me on This](#) Mira Books

A bored high-school art teacher dumps her football-coach boyfriend and embarks on a mayhem-filled search for happiness that lands her in trouble with the law and sends her into the arms of the one man in her small Ohio town she should probably avoid. 75,000 first printing. Tour. HQN Books

The New York Times bestselling author of *Bet Me*, *Tell Me Lies* and *Welcome to Temptation* delivers her long-awaited novel *Andie Miller* is ready to move on in life. She wants to marry her fiancé and leave behind everything in her past,

especially her ex-husband, North Archer. But when Andie tries to gain closure with him, he asks one final favor of her before they go their separate ways forever. A very distant cousin of his has died and left North as the guardian of two orphans who have driven out three nannies already, and things are getting worse. He needs a very special person to take care of the situation and he knows Andie can handle anything. When Andie meets the two children she quickly realizes things are much worse than she feared. The place is a mess, the children, Carter and Alice, aren't your average delinquents, and the creepy old house where they live is being run by the worst housekeeper since Mrs. Danvers. What's worse, Andie's fiancé thinks this is all a plan by North to get Andie back, and he may be right. Andie's dreams have been haunted by North since she arrived at the old house. And that's not the only haunting. What follows is a hilarious adventure in exorcism, including a self-doubting parapsychologist, an annoyed medium, her Tarot-card reading mother, an avenging ex-mother-in-law, and, of course, her jealous fiancé. And just when she thinks things couldn't get more complicated, North shows up on the doorstep making her wonder if maybe this time things could be different between them. If Andie can just get rid of all the guests and ghosts, she's pretty sure she can save the kids, and herself, from the past. But fate might just have another thing in mind...

A Novel Macmillan

On Wednesday, Quinn McKenzie changes her life. On Thursday, she tries to get somebody to notice. On Thursday night, somebody does. Quinn McKenzie is dating the world's nicest guy, she has a good job as a high school art teacher, she's surrounded by family and friends who rely on her, and she's bored to the point of insanity. But when Quinn decides to change her life by adopting a stray dog over everyone's objections, everything begins to spiral out of control. Now she's coping with dognapping, breaking and entering, seduction, sabotage, stalking, more secrets than she really wants to know, and two men who are suddenly crazy . . . for her.

Dogs and Goddesses HarperCollins Australia

"Too fast to fall ... For Jenny Stone, driving is her escape--from her past, her problems, her quiet life in Jackson Hole. But after Deputy Nate Hendricks stops her--again--for speeding, she could lose more than just her license. She could lose her heart. Nate seems to think that Jenny should replace her love for fast driving with something even more...heart pumping. And despite her need for speed, Jenny's never been one for defying the law."--Provided by publisher.

Crazy for You Routledge

The highly anticipated sequel to the New York Times bestselling and critically acclaimed *If I Stay* Picking up several years after the dramatic conclusion of *If I Stay*, *Where She Went* continues the story of Adam and Mia, from Adam's point of view. Ever since Mia's decision to stay - but not with him - Adam's career has been on a wonderful trajectory. His album, borne from the anguish and pain of their breakup, has made him a bona fide star. And Mia herself has become a top-rate cellist, playing in some of the finest venues in the world. When their respective paths put them both in New York City at the same time, the result is a single night in which the two reunite - with wholly satisfying results. And don't miss Gayle's newest novel, *JUST ONE DAY* and the forthcoming companion, *JUST ONE YEAR*.

SCHOOL EFFECTIVENESS AND SCHOOL-BASED MANAGEMENT

Bantam

Some Rules Were Made to Be Broken Photographer Nick Coltrane broke Daisy Parker's heart nine years ago. And now he wants to hire her as his bodyguard. She wants to tell him where he can go, but her fledgling company desperately needs the cash flow. She once broke her own rules, only to watch his sexy self run for the door. Providing round-the-clock protection for him is out of the question . . . right? Nick needs Daisy around to keep the hired thugs who are out for his blood from actually getting it. If he can make amends for the way he screwed up nine years ago in the process, then so much the better. Except time has done nothing to dull the memory of how Daisy once rocked his world off its axis, and her cocky attitude and mouthwatering curves still have the power to turn his brain to mush. Now two people who once were friends and used to be lovers will discover whether love and trust can come from a passion that breaks every rule.

Welcome to Temptation Harlequin

In the fall of 2000, Gilmore Girls premiered

on the WB and viewers were introduced to the quirky world of Stars Hollow and the Gilmores who had made it their home, mother-daughter best friends Lorelai and Rory Gilmore. With the show in its seventh season on the fledgling CW, *Coffee at Luke's* is the perfect look at what has made the show such a clever, beloved part of the television landscape for so long. What are the risks of having your mother be your best friend? How is Gilmore Girls anti-family, at least in the traditional sense? What's a male viewer to do when he finds both mother and daughter attractive? And how is creator Amy Sherman-Palladino like Emily Gilmore? From the show's class consciousness to the way the characters are shaped by the books they read, the music they listen to and the movies they watch, *Coffee at Luke's* looks at the sometimes hilarious, sometimes heartbreaking underpinnings of smart viewer's Tuesday night television staple, and takes them further into Stars Hollow than they've ever been before. *What The Lady Wants* Harlequin Lucy Savage's cheating husband, Bradley, stood her up in divorce court, and a bad dye job has left her hair green. On top of that, someone is now trying to kill her. Sexy cop Zach Warren is assigned to protect her and moves into her big Victorian house, making them both sleepless--and not just from things that go bump in the night!

Don't Look Down Harlequin Treasury-Harlequin Temptation 90s

Part basset, part beagle, all Cupid... For Nina Askew, turning forty means freedom—from the ex-husband, freedom from their stuffy suburban home, freedom to focus on what she wants for a change. And what she wants is something her ex always vetoed—a puppy. A bouncy, adorable puppy. Instead she gets...Fred. Overweight, middle-aged, a bit smelly and obviously depressed, Fred is light-years from perky. But he does manage to put Nina in the path of Alex Moore, her gorgeous, younger-by-a-decade neighbor. Alex seems perfect—he's a sexy, seemingly sane, surprisingly single E.R. doctor—but the age gap convinces Nina that anyone but Alex would be better relationship material. But with every silver-haired stiff she dates, the more she suspects it's the young, dog-loving doc she wants to sit and stay!

Sizzle\Too Fast to Fall\Alone With You Hodgkin and Blount

Dumped by her boyfriend and demoted from WBBB's prime-time spot, radio producer Allie McGuffey has nowhere to go but up. She plans to make her comeback by turning temporary DJ Charlie Tenniel

into a household name. And if he's willing to help cure her breakup blues with a rebound fling, that's an added bonus. Charlie just wants to kick back, play good tunes and eat Chinese food. He's not interested in becoming famous. But he is interested in Allie. And after all, what harm is a little chemistry between friends? But suddenly their one-night stand has become a four-week addiction. Night after night on the airwaves, his voice seduces her...and all the other women in town. He's a hit. It looks as if Charlie's solved all Allie's problems...except one. What is she going to do when he leaves?

A Novel/ Harper Collins

While working on a story about a con man, reporter Dennie Banks runs afoul of undercover government agent Alec Prentice, who is investigating the same swindler, and who thinks that Dennie is working with the crook.

Bet Me BenBella Books, Inc.

Tess Newhart knows her ex-boyfriend Nick Jamieson isn't the right guy for her. He's caviar and champagne; she's take-out Chinese pot stickers. He's an uptight Republican lawyer; she was raised in a commune. He wants to get ahead in business; she just wants...him. But there's no way Tess will play second fiddle to his job. Yet somehow she finds herself agreeing to play his fiancée on a weekend business trip that could make or break Nick's career. And while he's trying to convince Tess that he needs her in his respectable world, Tess is doing her best to keep her opinions to herself and her hands off Nick.
