This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song. Last Chance Texaco is the first ever no-holds-barred account of the life of two-time Grammy Award-winner

Rickie Lee Jones in her own words. It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, the "Duchess of Coolsville" (Time) takes us on a singular journey through her nomadic childhood, to her years as a teenage runaway, through her legendary love affair with

Tom Waits and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs - "Chuck-E's in Love," "Weasel and the White Boys Cool," "Danny's All-Star Joint," and "Easy Money"— but long before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, a pimp with a heart of gold and tales of her fabled ancestors. In this tender and intimate memoir by

one of the most remarkable, trailblazing, and tenacious women in music are never-before-told stories of the girl in the raspberry beret, a singer-songwriter whose music defied categorization and inspired American pop culture for decades. Blind Trust Bethany House The summer before ninth grade, when Joss sets off to meet his uncle and hunt down the beast that murdered his younger sister three years earlier, he learns he is destined to join the Slayer Society.

You can't change History. History doesn't like it. There are always consequences. Max is no stranger to taking matters into her own hands. Especially when she's had A Brilliant Idea. Yes, it will mean breaking a few rules, but - as Max always says - they're not her rules. Seconded to the Time Police to join in the hunt for the renegade Clive Ronan, Max is a long way from St Mary's. But life in the future does have its plus points - although not for long. A problem with the Time

The third book in the

bestselling Chronicles of St Mary's series which follows a group of tea-soaked disaster magnets as they hurtle their way around History. If you love Jasper Fforde or Ben Aaronovitch, you won't be able to resist Jodi Taylor. History happens all around you. And, occasionally, to you. I could have been a bomb-disposal expert, or a volunteer for the Mars mission, or a firefighter, something safe and sensible. But, no, I had to be an historian. It began well. A successful

assignment to 17th century Cambridge to meet Isaac Newton, and another to witness the historic events at The Gates of Grief. So far so good. But then came the long-awaited jump to the Trojan War that changed everything. And for Max, nothing will ever be the same again. With the bloody Battle of Agincourt playing out around her, Max risks everything on one last desperate gamble to save a life and learns the true meaning of a second chance. Readers love Jodi Taylor:

Normally, Wes Grayson would have been

attracted to the striking woman with the camera. But this woman has clearly been stalking Amy, his adoptive daughter and the center of his life. And a threat to Amy is a threat to Wes. Laney Fields has no desire to threaten anyone, just a longing to see the child she'd brought into the world six years ago and then been forced to release for adoption. But when she learns that Amy's adoptive mother has died, Laney becomes determined to play a part in her daughter's life.

Between a man and woman torn by past losses, present fears, and the paradox of their growing fascination for each other, stands one small child. She could be the object of distrust that will drive them apart or the agent of faith in God that can bring them together.
