But Gannon only thinks he is out of his element standing in the small marina office. Then... he meets Cam. Rumor is opposites attract. Sparks fly when this sexy, tattooed bad boy comes face to face with this buttoned-up gamer in glasses. Can Cam and Gannon push one another out of their comfort zones? Their first official case as a task force doesn't take Brantley Walker and Reese Tavoularis far from home. Getting right down to business, the Off the Books Task Force prioritizes a case of a fifteen-year-old girl who went missing nine years earlier from the same small town they grew up in: Coyote Ridge, Texas. While it appears she vanished without a trace, they soon find themselves uncovering disturbing evidence that points directly to someone the town once trusted. While Brantley and Reese set out to find closure for the girl's family, they're on a bumpy ride of their own. Not only are they embarking on new careers, they are also venturing into uncharted territory as far as their relationship goes.

ETHAN

Simon and Schuster Sex and Film is a frank, comprehensive analysis of the cinema's love affair with the erotic. Forshaw's lively study moves from the sexual abandon of the 1930s to filmmakers' circumvention of censorship, the demolition of taboos by arthouse directors and pornographic films, and an examination of how explicit imagery invaded modern mainstream cinema.

Meet the most wanted players in sports . . . one ridiculously hot alpha male at a time. Chase: With a nickname like "Sin," it's no wonder they call me the bad boy of hockey. Opponents curse me. Fans scream my name—in the arena and in other, much more private places. Penalties or not, I'm not afraid to dish out a little pain. But pleasure? That's my weakness. And no one knows it better than my best friend, Cassie Desrosiers. I'd have to be blind not to notice her rocking body and teasing grin. So when she invites me along on a trip to Vegas, my curiosity isn't the only thing that's aroused. Cassie: Chase Barrett is a world-class A-hole. As his best friend, I'm allowed to call him on his BS. Who else is going to do it? Certainly not the puck bunnies swooning at every flex of his biceps. Everyone knows that Chase is the love-'em-and-leave-'em type. There's no such thing as commitment for the king of casual hookups. So why should I care? Maybe because all work and no play makes me a sexually frustrated girl. It's time to put the hockey stud at my beck and call to good use

. . . but after a week in Vegas with Chase, I might never want to go back to the real world.
