Kirkus Reviews “Mbue
reaches for the moon and,
by the novel’s end, has it
firmly held in her
hand.”—NPR We should
have known the end was
near. So begins Imbolo
Mbue’s powerful second
novel, *How Beautiful We
Were*. Set in the fictional
African village of Kosawa,
it tells of a people living in
fear amid environmental
degradation wrought by

an American oil company. Pipeline spills have rendered farmlands infertile. Children are dying from drinking toxic water. Promises of cleanup and financial reparations to the villagers are made—and ignored. The country’s government, led by a brazen dictator, exists to serve its own interests. Left with few choices, the people of Kosawa decide to fight back. Their struggle will last for decades and come at a steep price. Told from the perspective of a

generation of children and the family of a girl named Thula who grows up to become a revolutionary, *How Beautiful We Were* is a masterful exploration of what happens when the reckless drive for profit, coupled with the ghost of colonialism, comes up against one community’s determination to hold on to its ancestral land and a young woman’s willingness to sacrifice everything for the sake of her people’s freedom. **Big, Bold, and Beautiful** Seal Press
The Christian faith is not

only about belief and practices, it is also about the kind of people that we become. Yet some of the biggest barriers to our transformation come from our toxic self-narratives. These narratives shape the way we see ourselves and the way we interact in the world. God designed us with a deep longing in our souls to be wanted, loved, alive, and connected to God. Healing our souls requires more than knowing what God thinks about us. Our healing comes not through reason alone, but

through revelation. "The best practice I have seen in Christian spiritual formation" was Dallas Willard's endorsement of the Good and Beautiful series a decade ago. Now this fourth book in the series, *The Good and Beautiful You*, addresses the self-narratives that hinder spiritual growth and the desires of the soul that only God can satisfy. James Bryan Smith reminds us how Scripture reveals the beauty and goodness of our own souls and how we long for healing that only God can

provide. Complete with spiritual practices that help us live into that reality, *The Good and Beautiful You* will serve as a welcome companion on your journey to discover who you truly are in Christ. *The Good and Beautiful Series* includes four essential discipleship books from James Bryan Smith. Work through these proven Bible study resources individually or with a group to learn who God is, what it means to be a Christian, how to live in community, and how to address toxic self-

narratives that hinder spiritual growth.

Be Beautiful, be You

Farrar, Straus and Giroux
Beauty is within your heart, you are perfect just the way you are. The God of the universe designed you before the foundation of the world to be exactly who you are — not some touched up picture in a magazine. He created you beautiful the way you are right now. That may sound unbelievable, but let Christian music artist Jonny Diaz...

Hijas Americanas Sterling Publishing Company, Inc.

"Each child is precious, valuable...and beautiful. With simple words and vivid illustrations of everyday life, *You are Beautiful* lets young children know they are beautiful on the outside and the inside. Children will learn that beauty is more than skin deep and they are beautiful in many ways, just the way they are"--From page [4] of cover.

Beautiful You Simon and Schuster

A child who looks different from her mother finds beauty and belonging in

this new book from the creator of *I Sang You Down from the Stars* Izzy's favorite place to be is in Mama's arms--skin to skin, safe and warm. One night, cuddled up on Mama's lap, Izzy notices something she's never noticed before: her skin is the color of chocolate, but Mama's skin is the color of sand. When Izzy realizes she's different from Mama in other ways, too, she feels sad and confused. She wants to be beautiful like Mama! But Mama addresses Izzy's disappointment with a

gentle, loving refrain: You're part of me, and I'm part of you. I'm beautiful like me, and you're beautiful like you. Finding lessons from nature and repeating her affirming message, Mama encourages Izzy to see her own unique beauty. This story about a multiracial child navigating identity and belonging draws from author Tasha Spillett-Sumner's own experience growing up as an Afro-Indigenous girl. Lyrical text and warm, lively illustrations show Izzy's

journey as she learns to celebrate the differences that make her uniquely beautiful, and the connection to her mother that transcends physical traits.

Beyond Beautiful Quercus Despite what the world leads us to believe, true beauty has nothing to do with outward appearances. The more we focus on what we look like on the outside, the more insecure we become. Fortunately, God doesn't measure our worth by how we look. We have value simply

because we are His children. The more we focus on getting our hearts right with the Lord and honoring Him, the more secure and confident we will become—and the more we will exude true beauty. In *30 Days to a More Beautiful You*, former Victoria's Secret Runway Angel Kylie Bisutti gives a complete inner-beauty makeover with succinct devotional readings designed to transform your heart, body, mind, and soul and put you on the path to becoming a

happier, healthier, more beautiful you. The perfect gift for every young woman, this devotional will forever change the way you define the word beautiful.

WHAT'S THE MOST BEAUTIFUL THING YOU KNOW ABOUT HORSES?

DeepMisti Publication
The summer of 1972. Katie and her town, Elephant Beach, are both on the verge: Katie of adulthood, and Elephant Beach of gentrification. But not yet: Elephant

Beach is still gritty, working-class, close-knit. And Katie spends her time smoking and drinking with her friends, dreaming about a boy just back from Vietnam who's still fighting a battle Katie can't understand. No matter how beautiful some dreams are, there comes a time when we must let them go.

You Are Beautiful and You Are Alone Berkley
Body image insecurity is something a lot of us face. Overwhelming evidence suggests that constantly worrying about your

appearance can stunt your ambition, cause you to feel inadequate, and make it impossible for you to enjoy your life to the fullest. Sounds familiar? There is a solution! This compact book tackles the underlying causes of body image anxiety and breaks them down so you can start to change how you view yourself and your perceived flaws. You will learn to nip destructive behaviors in the bud, stop self-criticism, and manage emotional eating habits. Dr Jessamy Hibberd and Jo Usmar employ the latest

techniques in Cognitive Behavioral Therapy (CBT) to create practical exercises that can help you to take the first steps towards feeling more confident, poised, and, yes, beautiful.

The Book of Beautiful Questions WestBow Press

When the Beautiful Girl looks in the mirror, she doesn't see or feel that she is beautiful. Through scripture, her reflection reminds her of her identity in Christ and her worth. Designed to build confidence and

knowledge of God's word, this beautifully illustrated book reminds girls everywhere that they are Beautiful. Not only will they know who they are, they will know whose they are.

More Beautiful You Elephant Online

Sometimes it's tough being a girl! Whether you are outgoing or shy, a tomboy or a girly girl, silly or serious, it can be really hard to feel comfortable with yourself. This devotional is filled with stories and thoughts about how God created us

to be healthy, strong, and confident—both with our bodies and our minds—because we are daughters of the great heavenly Father. The goal of Brave Girls® is to encourage you to appreciate yourself as God made you and to help you grow strong in your relationship with Him. Beautiful You will help you really see yourself as brave and beautiful inside and out . . . just like God made you!

This book is a tool to help facilitate the healing and restoration process that ultimately God brings forth. A sacred healing means God is guiding the process. We are living in amazing times as God is dismantling all destructive programming imposed on the minds of humanity. Living under the influence of these programs has caused so much chaos and trauma. There is historical, generational and personal trauma that is impacting the way we

live life. As more people wake up spiritually, the need for healing is crucial. These deep seeded programs that keep us in bondage must be recognized so that our God given true nature can emerge. We are beings of God's love and light. Anything not aligned with Gods love is against the intended design of humanity and therefore will cause discord. Just like a fish must live in water according to its nature, we to need to live according to the nature God designed for us.

Make Life Beautiful

HarperCollins

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business

opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google, Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the

ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems—from “How can I adapt my career in a time of constant change?” to “How can I step back from the daily rush and figure out what really makes me happy?” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “Why,” “What if,” and “How” queries, Berger

offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and greater success in business and life.

"After spending years wanting to look like everyone else, I realized I needed to love and accept myself just as I am. When

I stopped listening to other people and started making a life for myself, I discovered my purpose in life, my passion. Is someone or something hurting you? Are you feeling alone or lonely? Afraid? Misunderstood? Do you wish even just one person would listen to you? Do you have a decision to make and need help choosing a path? I want to give you the tools to figure out what to do about each of those problems." --Lizzie Velasquez, "Be Beautiful, Be You" When an Internet

video calling her "The World's Ugliest Woman" went viral, Lizzie Velasquez set out to discover what truly makes us beautiful. Now she shares what she learned on that faith-filled journey. In "Be Beautiful, Be You, " Lizzie uses anecdotes and exercises to teach readers to recognize their own unique gifts and blessings, talk to God in their own words, deal with disappointment, make and maintain healthy friendships, and set realistic goals. In a world

filled with airbrushed celebrity photos and plastic surgery, Lizzie Velasquez is a refreshing force of nature whose story will inspire anyone who has ever felt singled out, misunderstood, or afraid--and who hasn't? Lizzie Velasquez is a communications major at Texas State University in San Marcos. She is one of only three known people in the world with a medical syndrome that doesn't allow her to gain weight or create muscle. Lizzie has appeared as a motivational speaker at

more than 200 workshops. Her story has been featured in both national and international media, including "The Today Show, Inside Edition, " Australia's "Sunday Night, " Germany's "Explosiv," and "Dr. Drew." This is her second book. "Paperback" View sample pages. Click here to see Lizzie Newz. Lizzie on "Entertainment Tonight " Click here to see Lizzie in "Liguorian" magazine. EVERYTHING HERE IS BEAUTIFUL

Roaring Brook Press
From the bestselling author of *A More Beautiful Question*, hundreds of big and small questions that harness the magic of inquiry to tackle challenges we all face--at work, in our relationships, and beyond. When confronted with almost any demanding situation, the act of questioning can help guide us to smart decisions. By asking

questions, we can analyze, learn, and move forward in the face of uncertainty. But "questionologist" Warren Berger says that the questions must be the right ones; the ones that cut to the heart of complexity or enable us to see an old problem in a fresh way. In *The Book of Beautiful Questions*, Berger shares illuminating stories and compelling research on the power of inquiry. Drawn from the insights and expertise of psychologists, innovators, effective leaders, and

some of the world's foremost creative thinkers, he presents the essential questions readers need to make the best choices when it truly counts, with a particular focus in four key areas: decision-making, creativity, leadership, and relationships. The powerful questions in this book can help you: - Identify opportunities in your career or industry - Generate fresh ideas in business or in your own creative pursuits - Check your biases so you can make better judgments

and decisions - Do a better job of communicating and connecting with the people around you Thoughtful, provocative, and actionable, these beautiful questions can be applied immediately to bring about change in your work or your everyday life.

Beautiful You Faber & Faber

A ROUGH TRADE, MOJO, UNCUT & LOUDER THAN WAR BOOK OF THE YEAR SHORTLISTED FOR THE RALPH J. GLEASON MUSIC BOOK AWARDS

redemptive, myth-shattering biography of one of the twentieth century's most underestimated creative and artistic forces.'Here is the Odyssey of Nico . . . a scholarly and detailed chronicle of this brilliant artist, who was spurned and tortured for her trouble.'IGGY POP'At last, a comprehensive and compelling book about Nico.'VIV ALBERTINE'Absorbs from start to finish.'OBSERVERThe real story of Nico is one of determination, self-

destruction and belief in one's artistic vision, at any cost . . . You Are Beautiful and You Are Alone is an empowering reappraisal of an underappreciated icon. Drawing upon new interviews and rare archival material Bickerdike defies the sexist casting of Nico's life as the tragedy of a beautiful woman losing her youth and fame, and instead cements her legacy as one of the most vital artists of her generation.'Gripping.' THE TIMES'[This] book gets

closer to understanding Nico than most.'
 GUARDIAN'Deserves to sit with the great biographies.' RECORD COLLECTOR'A compassionate portrait of a musician whose artistry has often been overlooked.'
 MOJO'Valuable . . . Bickerdike gives Nico her due as an artist.'
 THE SPECTATOR'Entertainingly written and insightful.'
 INDEPENDENT'The best music book you will read this year.'
 LOUDER THAN WAR

BEAUTIFUL WORLD, WHERE ARE YOU CHAPTER SAMPLER

Children's Book Press
 The author dispels the myths and hype surrounding products and procedures and gives advice on what works and what doesn't, what's ridiculously expensive and what's reasonable.
Beautiful You Harper Horizon
 When I started writing Beautiful You, the title poem itself started to take on an image of strength. From the first line to the

last, it demonstrates strength and hope in the midst of pain and disappointment: I look into your eyes Beyond a million tears To see you begging To rid you of your fears I want the first four lines to demonstrate that even though there is pain in whatever personal difficulties one faces that, in those tear filled eyes, there is a lot of hope. There is hope that you will get over whatever fear or difficulty you may face. I have always believed that tears are powerful healers. They help to

release your emotions
and sometimes helps you
sort through things. I look
at your mouth Beyond a
tired frown To see you
wondering When you'll
wear your crown When I
see people who are down
about the mouth, I know
how tired they must feel.
When you are awake and
thriving and feeling great
it is so easy to smile. I
heard somewhere once
that it takes more energy
to frown than it does to
smile. It takes more
muscles to produce a
frown than it does a
smile! Frowning takes

more energy so it makes
you feel tired. Therefore,
when I think of things that
give me a hard time, I
always try to remember
that there are millions of
other people out there
with problems worse than
what I have. It makes it
easier for me to smile.
Think about it: Next time
you smile, notice that you
hold yourself a little
higher, stand a little taller.
It changes the
atmosphere around your
being. I look into your
heart Beyond its breaking
beats To see you asking If
you can endure the heat I

feel that as long as my
heart is beating, no
matter how difficult the
issue, I can get through
anything. The heart is
such a powerful muscle
that it can help you power
through any problem.
Dedication and
determination help make
the heart stronger and the
fight to power through
your problems a little
easier. I look at your
hands Beyond their
aching joints To see them
praying Your anguished
mind to anoint What do
millions of people do
everyday that gives them

strength? Pray. I heard someone close to me say, at one point, she prayed so hard and so much her hands ached to keep them folded in prayer anymore! I knew how much she was relying on the power of faith to help heal her. How much more strong or beautiful can you get than that? No amount of words I write could ever demonstrate how powerful that is. I look into your soul Beyond its hopeful feeling To see you anticipating Its eventual healing In one's belief you can get through

difficulties, you tell yourself that it is only a matter of time before things improve. Time heals all wounds. If you believe that, as I have at certain times, you will see that with family, friends and a supportive network that healing can begin quickly and be softened by that love and support; it can be likened to a blanket that keeps you warm when the world is feeling cold. I look into All these parts of you And see nothing less Than beautiful you In the final four lines of Beautiful You,

when you look at a being that is full of love, faith, determination and strength you find a beautiful person who uses all those characteristics to bring themselves through tough times. When I wrote this poem, as I point out in my introduction, I and several of my friends faced some difficult problems and or decisions. I felt that inner strength is what brought us all through our respective problems and allowed us to apply the lessons learned and strength gained to the

future. I know I look back on what I had gone through and can proudly say to myself, 'I guess I was stronger than I knew'. It was an incredible experience to write this second book. So much of it is me

2: How Will You Create Something Beautiful

Together? Farrar, Straus and Giroux

On January's coldest day of the year in a small community in the Northwest Territories, a stranger to horses searches among family and friends for answers to

an important question. It's forty below in the little town of Fort Smith in the Northwest Territories of Canada -- so cold that the ravens refuse to fly and author Richard Van Camp can't go outside. He belongs to the Dogrib tribe, whose people traditionally haven't used horses. To help pass the time, he decides to pose the question, "What's the most beautiful thing you know about horses?" to family members, friends, and artist George Littlechild, who is Plains Cree and knows a lot

about horses. The answers range from zany to profound: Horses can run sideways; they have secrets; they can always find their way home. In this delightful new book, Littlechild's fanciful paintings perfectly capture Van Camp's gentle world-view. Together, they inspire readers to see the world in entirely new ways. *YOU: Being Beautiful* Seal Press

I want to be beautiful! Sometimes, you couldn't help thinking this thought — when you see models

on billboards; when someone comments on your wrinkles and greying hair that were not there before; when you just want to be attractive to your boyfriend or husband. How can one be beautiful? It's not a simple

question. This friendly and honest book will teach you how to enhance your outer at inner beauty mo. Learn from Malu Tiongson-Ortiz as she shares helpful make-up tips, as well as woman-to-

woman advice on how to have lasting inner beauty. Learn how to have beauty inside and out. And learn how to make it last. "Real beauty comes from within. This book is from a writer who knows all about it." Kuh Ledesma
