The Miracle! In this book Nicholas presents you a practical, unique, subliminal, very simple, detailed method of how to Make Him Burn with Desire...only for You. You will feel the effects immediately and the results will appear very quickly! So it was in my case. You will not achieve fulfillment and happiness until YOU become the architect of your own reality. Imagine that with a few moments

each day, you could begin the powerful transformation toward complete control of your own life and well being through this unique, subliminal method combined with positive affirmations. The order of words is extremely important for every book written by Nicholas. These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being, blockages that are bringing disease or failure on various plans. You don't need a big chunk of your time or expensive programs. Everything is extremely simple! Health, money, prosperity, abundance, safety, stability, sociability, charisma, sexual vitality, erotic attraction, will, optimism, perseverance, self-confidence, tenacity, courage, love, loving relationships, self-control, self-esteem, enthusiasm, refinement, intuition, detachment, intelligence, mental calm, power of concentration, exceptional memory, aspiration, transcendence, wisdom, compassion. You have the ability to unlock your full inner-potential and achieve your ultimate goals. This is the age-old secret of the financial elite, world class scholars, and Olympic champions. For example, when you watch the Olympics, you'll find one consistency in all of the champions. Each one closes their eyes for a moment and clearly affirms & visualizes themselves completing the event flawlessly just before starting. Then they win gold medals and become champions. That's merely one example of how the real power of mind can elevate you above any of life's challenges. By reading this book, you will feel totally that life deserves to be lived and enjoyed every moment and that everything that you propose for yourself becomes easy for you to fulfill. Nicholas will guide you to touch your longed-for dream and will make you see life from a new perspective, full of freshness and success. This book helps you step by step, in a natural way, in just 3 minutes a day, to change your misguided way of thinking and to Make Him Burn with Desire...only for You. (NOTE: For good, Nicholas keep the price of the book as lower as he can, even if it is a hard work behind this project. A significant portion of the earnings from the sale of the book are used for these purposes: for charity, volunteer projects, nature restoration, and other inspired ideas to do good where it is needed. If you can not afford to buy the book please contact Nicholas and he will give you a free copy.) You, also have a bonus in the pages of the book that makes you live your success by doing a seemingly trivial thing. You will feel the difference. Yes. The Miracle is possible! Get Your Copy Now!

FIRST DATE TIPS FOR MEN

Lanie Stevens

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

THE MAN WHO HAS NO SOUL

Simon and Schuster

A heavenly shade of blue was always in her eyes and her innocent smile captured the hearts of many. But even a beautiful smile can cover the ugliest of things. Who would've ever known that the beautiful and loving Princess MARRISA would fall victim to a very dark and hostile scheme, conjured up by something that is as old as time? No one did—not even Tairren, who was one of MARRISA's dearest friends. Overtaken by MARRISA's beauty and charm, Tairren was very much in love with her and would do anything for her—even if that meant facing the overwhelming powers of darkness... It was on MARRISA's long awaited sixteenth birthday, her engagement to Prince Phillip and the day before her enthronement to the kingdom of Ishkar, when it happened. When MARRISA is abducted by someone she had always trusted, she is forced into the Forbidden Lands of Minslethrate and awakens upon a plot that would shake the world. With the company of his very different comrades, the unconventional Lady Natalia and the arrogant Prince Phillip of Ishkar, Tairren travels across the uncertain lands of Minslethrate to rescue MARRISA. They begin to realize that their precarious situation is dealing with more than just a kidnapped princess—that's just the beginning... They must trust in the unseen God of Light and have faith in a legend that they don't even understand. While their beloved princess awaits a terrifying fate, they must become awakened by light if they are to face their own dark quest... Prophecy stirs, blood spills, light burns and darkness screams—revealing *The Last Legend*...

She isn't looking for love. He's not planning on staying around. But when they meet, sparks fly...As a big city firefighter, Lucas lives for his job. Forced to take extended leave following an accident, he returns to his small hometown to stay at the beach cottage his grandparents left him. The problem is, he's not used to having so much time on his hands. After a broken engagement, Ember isn't ready for love right now. Though her heart might be mended, she prefers to keep herself busy with her family and work; that way she won't get hurt again. But she didn't count on meeting a handsome firefighter with a dimpled smile. After Lucas saves her from one awkward situation too many, she can't stop thinking about him. Ember finds Lucas impossible to resist, and he's determined not to let her. As long summer days melt into sultry, passionate nights what begins as a fling develops into something much deeper. Until the day Ember's ex-fiancé returns to town and threatens to destroy the fragile connection that's building between them.

Make Him Desperate Quick, Easy Ways to Make Him Chase You and Beg to be Your Boyfriend We have all experienced the pain of meeting someone that we are romantically interested in, only for them to not reciprocate those feelings. But what if we could do things slightly differently in future and, as a result, get these same men to be the ones who are chasing us? Well that thought is precisely what we are going to explore over the course of this book. There's no need to feel like you need to be perfect in every way to attract any man you want. As long as you have the basics down, if there are a couple of things here and there that you don't get right then it shouldn't matter too much at all. The changes that we are going to talk about in this book, don't mean that you need to change who you are, what you like, or what you're interested in. You won't be pretending to be someone you're not. By following these simple changes in the way we act around men and talk to men, you will get them to not only be romantically interested in you far more often, you will also get them to actively crave your attention and chase you. This may sound a bit too good to be true, but it's incredible what the practical application of basic psychology can do and how much it can affect your interactions with the opposite sex. In fact, the things I am going to cover in this book are so simple, that you will be able to apply most of them on day one. So even if you already have a man who you're interested in and he's not giving you enough attention, you can begin to repair the damage and alter the way you are acting as soon as you finish this book.

"Are our schools safe?" It's hard to turn on the news without hearing this question, and the answer is typically "no." This novel explores what happens when bullying escalates to violence, and it challenges our definition of victimization. With thought-provoking prose, Suzanne Phillips explores the psyche of Cameron, a bullied freshman who ultimately does the unthinkable: he kills another student. As she did with Chloe Doe, Suzanne has found a way to make this seemingly dark story ultimately redemptive. But she also dares readers to look at the behavior that provokes violence as having the potential to be as dangerous as the violence itself. It's Suzanne's hope that Burn will inspire readers to take a precautionary stance against bullying rather than waiting to react to it.

The Last Legend Createspace Independent Publishing Platform

A classic fairy tale gets a sexy, edgy twist. Jackson "The Beast" Boudreaux is rich, gorgeous, and unbelievably rude to the staff at Chef Bianca Hardwick's New Orleans restaurant. Bianca would sooner douse herself in hot sauce than cook for Jackson again, but when he asks her to cater his fund-raiser, Bianca can't refuse, knowing the cash will help pay her mother's medical bills. Then Jackson makes another outrageous request: Marry me. The unconventional offer includes an enormous sum—money Bianca desperately needs, even if it does come with a contract—and a stunning ring. The heir to a family bourbon dynasty, Jackson knows the rumors swirling around him. The truth is even darker. Still, he needs a wife to secure his inheritance, and free-spirited, sassy Bianca would play the part beautifully. Soon, though, their simple business deal evolves into an emotional intimacy he's built walls to avoid. As the passion heats up between them, Bianca and Jackson struggle to define which feelings are real and which are for show. Is falling for your fake fiancé the best happy ending...or a recipe for disaster?

Make Him Desperate Createspace Independent Publishing Platform

"Topical, engaging, personable, and above all, reassuring." -Dr. Jordan B. Peterson, author of *12 Rules for Life* From host of *The Rubin Report*, the most-watched talk show about free speech and big ideas on YouTube right now, a roadmap for free thinking in an increasingly censored world. The left is no longer liberal. Once on the side of free speech and tolerance, progressives now ban speakers from college campuses, "cancel" people who aren't up to date on the latest genders, and force religious people to violate their conscience. They have abandoned the battle of ideas and have begun fighting a battle of feelings. This uncomfortable truth has turned moderates and true liberals into the politically homeless class. Dave Rubin launched his political talk show *The Rubin Report* in 2015 as a meeting ground for free thinkers who realize that partisan politics is a dead end. He hosts people he both agrees and disagrees with—including those who have been dismissed, deplatformed, and despised—taking on the most controversial issues of our day. As a result, he's become a voice of reason in a time of madness. Now, Rubin gives you the tools you need to think for yourself in an age when tribal outrage is the only available alternative. Based on his own story as well as his experiences from the front lines of the free speech wars, this book will empower you to make up your own mind about what you believe on any issue and teach you the fine art of: • Checking your facts, not your privilege, when it comes to today's most pervasive myths, from the wage gap and gun violence to climate change and hate crimes. • Standing up to the mob against today's absurd PC culture, when differences of opinion can bring relationships, professional or personal, to a sudden end. • Defending classically liberal principles such as individual rights and limited government, because freedom is impossible without them. *The Progressive Woke Machine* is waging war against the last free thinkers in the world. *Don't Burn This Book* is the definitive account of our current political upheaval and your guide to surviving it.
