The Power of Unplugging One Day a Week
Columbia University Press
Covering the use of Microsoft OneNote in a wide variety of situations, this handbook provides tips for anyone who takes notes, organizes materials, or keeps a to-do list. In addition to providing the basic information on using the product's interface, this guide teaches how to use OneNote to do specific tasks such as brainstorming, mind mapping, storyboarding, and minutes taking. Also discussed are using OneNote on a Tablet PC, using the existing stationery files to organize notes for a wide variety of classes, and finding OneNote resources online.
How to Win Friends and Influence People
Penguin
Counselor and popular radio host Dr.

Carlson invites readers to begin moving toward change one daily, intentional step at a time. He teaches readers how to figure out which positive change can make the biggest payoff in their lives.
Tandia Vintage Crime/Black Lizard
What would happen if women suddenly possessed a fierce new power? "The Power is our era's *The Handmaid's Tale*." --Ron Charles, *Washington Post* **WINNER OF THE BAILEYS WOMEN'S PRIZE FOR FICTION** One of the *New York Times*'s Ten Best Books of the Year One of President Obama's favorite reads of the Year A *Los Angeles Times* Best Book of the Year One of the *Washington Post*'s Ten Best Books of the Year An NPR Best Book of the Year One of *Entertainment Weekly*'s Ten Best Books of the Year A *San Francisco Chronicle* Best Book of the Year A *Bustle* Best Book of the Year A *Paste Magazine* Best Novel of the Year A *New York Times* Book Review Editors' Choice An Amazon Best Book of the Year "Alderman's

writing is beautiful, and her intelligence seems almost limitless. She also has a pitch-dark sense of humor that she wields perfectly." --Michael Schaub, NPR In *THE POWER*, the world is a recognizable place: there's a rich Nigerian boy who lounges around the family pool; a foster kid whose religious parents hide their true nature; an ambitious American politician; a tough London girl from a tricky family. But then a vital new force takes root and flourishes, causing their lives to converge with devastating effect. Teenage girls now have immense physical power--they can cause agonizing pain and even death. And, with this small twist of nature, the world drastically resets. From award-winning author Naomi Alderman, *THE POWER* is speculative fiction at its most ambitious and provocative, at once taking us on a thrilling journey to an alternate reality, and exposing our own world in bold and surprising ways.
The Power of One Productivity Press

How do you bounce back after you've been reduced to zero? How do you move forward when you are sitting in uncertainty? How do you respond after betrayal? You cling to the power of one word. One word, spoken at the right time, can change the complete trajectory of your life. Author Roslyn Rice has always had an addiction to words. Each chapter in her *Power of One: Finding Hope in the Midst of Struggle* focuses on one word. At the end of every devotion, Roslyn shares a passage of scripture, question, and prayer to jumpstart application of the word in your daily life. Prepare to be encouraged and equipped by the inspired devotional, *Power of One*.

The 48 Laws Of Power Mango Media Inc. The seemingly disparate lives of a DEA agent, a drug lord, a call girl, a hit man, and a priest intertwine around a nexus of the drug trade involving the Latin American drug cartels, the American underworld, and the U.S. government, from the rise of the Mexican drug Federation in the 1970s to the present day. Reprint. 17,500 first printing.

Strelbytskyy Multimedia Publishing Widely used since the mid-twentieth century, GDP (gross domestic product) has become the world's most powerful statistical indicator of national development and progress. Practically all governments adhere to the idea that GDP growth is a primary economic target, and while criticism of this measure has grown, neither its champions nor its detractors deny its central importance in our political culture. In *The Power of a Single Number*, Philipp Lepenies recounts the lively history of GDP's political acceptance—and eventual dominance. Locating the origins of GDP measurements in Renaissance England, Lepenies explores the social and political factors that originally hindered its use. It was not until the early 1900s that an ingenuous lone-wolf economist revived and honed GDP's statistical approach. These ideas were then extended by John Maynard Keynes, and a more focused study of national income was born. American economists furthered this work by emphasizing GDP's ties to social well-being, setting the stage for its ascent. GDP finally achieved its singular status during World War II, assuming the importance it retains today. Lepenies's absorbing account helps us understand the personalities and popular events that propelled GDP to supremacy and clarifies current debates over the wisdom of the number's rule.

#1 NEW YORK TIMES BESTSELLER • Now a

major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets *The Matrix*.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at stake. A quest for the ultimate prize. Are you ready? In the year 2045, reality is an ugly place. The only time Wade Watts really feels alive is when he's jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades past.

Whoever is first to solve them will inherit his vast fortune—and control of the OASIS itself. Then Wade cracks the first clue. Suddenly he's beset by rivals who'll kill to take this prize. The race is on—and the only way to survive is to win. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Entertainment Weekly • San Francisco Chronicle • Village Voice • Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the grown-up's Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN “A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe “Ridiculously fun and large-hearted . . . Cline is that rare writer who can translate his own dorky enthusiasms into prose that's both hilarious and compassionate.”—NPR “[A] fantastic page-turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

THE POWER OF NOW

Penguin

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued. [The Power of a Single Number](#) Ballantine Books

Leviathan or The Matter, Forme and Power of a Common-Wealth Ecclesiastical and Civil is a book written by an English materialist philosopher Thomas Hobbes about problems of the state existence and development. *Leviathan* is a name of a Bible monster, a symbol of nature powers that belittles a man. Hobbes uses this character to describe a powerful state (“God of the death”). He starts with a postulate about a natural human state (“the war of all against all”) and develops the idea “man is a wolf to a man”. When people stay for a long time in the position of an inevitable extermination they give a part of their natural rights, for the sake of their lives and general peace, according to an unspoken agreement to someone who is obliged to maintain a free usage of the rest of their rights - to the state. The state, a union of people, where the will of a single one (the state) is compulsory for everybody, has a task to regulate the relations between all the people. The book was banned several times in England and Russia.

The Power of One Little, Brown #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved

novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

The Power of One More New World Library

The New York Times bestselling authors of *Switch* and *Made to Stick* explore why certain brief experiences can jolt us and elevate us and change us—and how we can learn to create such extraordinary moments in our life and work. While human lives are endlessly variable, our most memorable positive moments are dominated by four elements: elevation, insight, pride, and connection. If we embrace these elements, we can conjure more moments that matter. What if a teacher could design a lesson that he knew his students would remember twenty years later? What if a manager knew how to create an experience that would delight customers? What if you had a better sense of how to create memories that matter for your children? This book delves into some fascinating mysteries of experience: Why we tend to remember the best or worst moment of an experience, as well as the last moment, and forget the rest. Why "we feel most comfortable when things are certain, but we feel most alive when they're not." And why our most cherished memories are clustered into a brief period during our youth. Readers discover how brief experiences can change lives, such as the experiment in which two strangers meet in a room, and forty-five minutes later, they leave as best friends. (What happens in that time?) Or the tale of the world's youngest female billionaire, who credits her resilience to something her father asked the family at the dinner table. (What was that simple

question?) Many of the defining moments in our lives are the result of accident or luck—but why would we leave our most meaningful, memorable moments to chance when we can create them? *The Power of Moments* shows us how to be the author of richer experiences.

Unleash the Power of One Note

Tyndale House Publishers, Inc. *Time Management Made Simple and Easy* Fans of *The Compound Effect* by Darren Hardy, *Eat That Frog* by Brian Tracy, and *12 Week Year* by Brian P. Moran and Michael Lenington will love *Time Management Ninja*. More time, stress relief, and relaxation: You want more time in your life. Time to spend with family, to achieve big goals, and to simply enjoy life. Yet, the world we live in is busier and changing faster than ever before. More things competing for your time, and more distractions interrupting your day. Simple and practical time management: You have tried to manage your time better but have found that most time management systems and tools are too complex. Or they are too unwieldy to be effective or sustainable. Time management shouldn't be difficult, and it shouldn't take up more of your precious time than it gives back! Easy tools, rules, and tactics: Craig Jarrow has been there, too. However, after spending many years testing time management tactics, tools, and systems and having written hundreds of articles on productivity, goals, and organization, Jarrow discovered a simple truth. Time management should be easy. More productivity and less stress: It is only when you simplify your approach that you can rise above the busyness and chaos of our fast-paced society. *Time Management Ninja* offers "21 Rules" that will show you an easier and more effective way to take control of your time and manage your busy life. If you follow these simple principles, you will get more done with less effort. You will have less stress and more time to do the things you want to do. No-stress, uncomplicated time management that works

[Why Certain Experiences Have Extraordinary Impact](#) Little, Brown

What can one man do? History is filled with world-changing events that turned on the hinge of a single person taking action. Their decisions and words shaped the world later generations came to inhabit. In *The Power of One Man*, author Ron Archer examines biblical figures who changed the world in which they lived, then applies those lessons to the challenges men face today—deftly weaving the narrative with stories of both failure and success in his own life in a way that is not only

educational, but inspirational. Most of the social problems in our culture stem from an epidemic of fatherlessness. But as Ron's own life demonstrates, God has a plan to redeem and restore those areas by redeeming and restoring men themselves—one individual at a time. What can God do with just one man? Anything He wants to—if you let Him. *The Book Thief* John Wiley & Sons Being a teenager in today's world is a trying time for a young Christian's heart, mind and faith. Ron Luce helps teens know that they are not alone, by encouraging them to stand up and be counted among the faithful. Topics included are: Standing up to peer pressure Standing up to your friends Standing up for purity Standing up at work *The Power of One* has the bold answers to the hard questions teens have to face. It's about the most basic part of being a Christian--Standing Up for what you believe. Once you can Stand Up, you're ready to start walking wherever Jesus wants to lead you.

ONE FAMILY'S DECISION TO STOP TAKING AND START GIVING BACK

HMH

Winner of the Marshall McLuhan Outstanding Book Award *People's New Book Worth Reading* *Real Simple's* Great Books You Won't Be Able to Put Down *Entrepreneur's* 12 Productivity and Time-Management Books to Read "I'm won over to a day with people, not screens....I tried Shlain's idea. I highly recommend it." —The New York Times "Tiffany Shlain is a modern-day prophet, brilliant and incredibly funny in equal measure...24/6 is timeless and timely wisdom." —Angela Duckworth, #1 New York Times bestselling author This "wise, wonderful work" (Publishers Weekly starred review) demonstrates how turning off screens one day a week can work wonders on your brain, body, and soul. Do you wish you had more time to do what you love, think deeply, and focus on the people and things that matter most? By giving up screens one day a week for over a decade, Internet pioneer and renowned filmmaker Tiffany Shlain and her family have gained more time, productivity, connection, and presence. Shlain takes us on a thought-provoking and entertaining journey through time and technology, introducing a strategy for flourishing in our 24/7 world. Drawn from the ancient ritual of Shabbat, living 24/6 can work for anyone from any background. With humor and wisdom, Shlain shares her story, offering the accessible lessons she has learned and providing a blueprint for how to do it yourself. "Bolstered with fascinating and

germane facts about neuroscience, philosophy, psychology, and the history of the concept of a day of rest" (Publishers Weekly), 24/6 makes the case for incorporating this weekly reset into our 24/7 lives, issuing a call to rebalance ourselves and our society.

Learn the best time to do everything--from drink your coffee to have sex or go for a run--according to your body's chronotype. Most advice centers on what to do, or how to do it, and ignores the when of success. But exciting new research proves there is a right time to do just about everything, based on our biology and hormones. As Dr. Michael Breus proves in *The Power Of When*, working with your body's inner clock for maximum health, happiness, and productivity is easy, exciting, and fun. *The Power Of When* presents a groundbreaking new program for getting back in sync with your natural rhythm by making minor changes to your daily routine. After you've taken Dr. Breus's comprehensive Bio-Time Quiz to figure out your chronotype (are you a Bear, Lion, Dolphin or Wolf?), you'll find out the best time to do over 50 different activities. Featuring a foreword by Mehmet C. Oz, MD, and packed with fascinating facts, fun personality quizzes,

and easy-to-follow guidelines, *The Power Of When* is the ultimate "lifehack" to help you achieve your goals.

A GUIDE TO SPIRITUAL ENLIGHTENMENT

Simon and Schuster

A true story of making a difference: "What does your family stand for? Read this book—it will change your life" (Daniel H. Pink). It all started when fourteen-year-old Hannah Salwen had a "eureka" moment. Seeing a homeless man in her neighborhood at the same moment when a glistening Mercedes coupe pulled up, she said "You know, Dad, if that man had a less nice car, that man there could have a meal." Until that day, the Salwens had been caught up like so many of us in the classic American dream—providing a good life for their children, accumulating more and more stuff, doing their part but not really feeling it. So when Hannah was stopped in her tracks by this glaring disparity, her parents knew they had to do something. As a family, they made the extraordinary decision to sell their Atlanta mansion, downsize to a house half its size, and give half of the sale price to a worthy charity. What began as an outlandish scheme became a remarkable journey that

transported them across the globe and well out of their comfort zone. In the end they learned that they had the power to change a little corner of the world—and found that it changed them, too. "You feel lighter reading this book, as if the heavy weight of house and car and appliances, the need to collect these things to feel safe as a family, are lifted and replaced by something that makes much more sense."

—Los Angeles Times

[Every Act of Kindness Counts](#) Knopf Books for Young Readers

Do you feel stuck in life, not knowing how to make it more successful? Do you wish to become more popular? Are you craving to earn more?
