This edition of our successful series to support the Cambridge IGCSE Biology syllabus (0610) is fully updated for the revised syllabus for first examination from 2016. Written by an experienced teacher and examiner, Cambridge IGCSE Biology Workbook helps students build the skills required in both their theory and practical examinations. The exercises in this write-in workbook help to consolidate understanding and get used to using knowledge in new situations, develop information handling and problem solving skills, and develop experimental skills

including planning investigations and interpreting results. This accessible book encourages students to engage with the material. The answers to the exercises can be found on the Teacher's Resource CD-ROM.

This Cambridge IGCSE® Mathematics Core and Extended series has been authored to meet the requirements of the Cambridge IGCSE® Mathematics syllabus (0580/0980), for first examination from 2020. This second edition of Cambridge IGCSE® Mathematics Core and Extended Coursebook offers complete coverage of the Cambridge IGCSE Mathematics (0580/0980) syllabus. It contains detailed explanations and clear worked examples, followed by practice exercises to allow

students to consolidate the required mathematical skills. The coursebook offers opportunities for checking prior knowledge before starting a new chapter and testing knowledge with end-of-chapter and exam-practice exercises. Core and Extended materials are presented within the same book and are clearly signposted to allow students to see the range of mathematics required for study at this level. Answers are at the back of the book.

Cambridge IGCSE™ English Student's Book (Collins Cambridge IGCSE™) Cambridge University Press

This series supports teachers and students of Cambridge IGCSE(TM) English as a Second Language (0510/0511/0991/0993) The ideal companion to the Cambridge IGCSE(TM) English as a Second Language Coursebook, the workbook with digital access provides more opportunities for students to practise key skills and prepare for assessment. Following the same structure as the coursebook, each unit is split into four key practice areas: Vocabulary, Language, Skills (e.g. reading, writing, speaking and listening) and Exam practice. The language section is also split into three levels, providing 'foundation',

'practice' and 'challenge' activities to support every student. Suitable for students studying syllabuses for examination from 2024 and those seeking a course exit CEFR level of B1/B2.
