Macmillan
A revealing look at the making of Martin Scorsese's iconic mob movie and its enduring legacy, featuring interviews with its legendary cast. When *Goodfellas* first hit the theatres in 1990, a classic was born. Few could anticipate the unparalleled

influence it would have on pop culture, one that would inspire future filmmakers and redefine the gangster picture as we know it today. From the rush of grotesque violence in the opening scene to the iconic hilarity of Joe Pesci's endlessly quoted "Funny how?" shtick, it's little wonder the film is widely regarded as a mainstay in contemporary cinema. In the first ever

behind-the-scenes story of *Goodfellas*, film critic Glenn Kenny chronicles the making and afterlife of the film that introduced the real modern gangster. Featuring interviews with the film's major players, including Martin Scorsese and Robert De Niro, *Made Men* shines a light on the lives and stories wrapped up in the *Goodfellas* universe, and why its

enduring legacy has such a hold on American culture. A Library Journal Best Book of the Year A Sight and Sound Best Film Book of 2020

Wiseguy
Minotaur
Books
This book
furthers the

international adventures of the New York Times Bestseller and hit movie, giving readers an always-shocking look at the psychology, mindset and traditions that make wiseguys such a unique breed. The book has stories from FBI agent Pistone about Scotland Yard, the Russian Mob and Chinese Triads and it also includes an audio CD on FBI surveillance tapes.

The Way of

the Wiseguy

Bloomsbury Publishing Silicon Valley icon and bestselling author Guy Kawasaki shares the unlikely stories of his life and the lessons we can draw from them. Guy Kawasaki has been a fixture in the tech world since he was part of Apple's original Macintosh team in the 1980s. He's widely respected as a source of wisdom about entrepreneurs hip, venture capital,

marketing, and business evangelism, which he's shared in bestselling books such as *The Art of the Start* and *Enchantment*. But before all that, he was just a middle-class kid in Hawaii, a grandson of Japanese immigrants, who loved football and got a C+ in 9th grade English. *Wise Guy*, his most personal book, is about his surprising journey. It's not a traditional memoir but a series of

vignettes. He toyed with calling it Miso Soup for the Soul, because these stories (like those in the Chicken Soup series) reflect a wide range of experiences that have enlightened and inspired him. For instance, you'll follow Guy as he . . .

- Gets his first real job in the jewelry business-- which turned out to be surprisingly useful training for the tech world.
- Disparages one of Apple's potential

partners in front of that company's CEO, at the sneaky instigation of Steve Jobs.

- Blows up his Apple career with a single sentence, after Jobs withholds a pre-release copy of the Think Different ad campaign: "That's okay, Steve, I don't trust you either."
- Reevaluates his self-importance after being mistaken for Jackie Chan by four young women.
- Takes up surfing at age

62--which teaches him that you can discover a new passion at any age, but younger is easier! Guy covers everything from moral values to business skills to parenting. As he writes, "I hope my stories help you live a more joyous, productive, and meaningful life. If Wise Guy succeeds at this, then that's the best story of all."

On the Run
CreateSpace
Discusses high blood pressure,

heart attack, and quadruple bypass surgery, and suggests that adjusting attitude is the most important health change men can make

Vampire Wiseguy

Grand Central Publishing

Frances Dracul, the undead vampire, survives a hit by two wiseguys from the Ernie Dutch Getti family. She starts to exact her revenge against the mob. Avi Asher and his team of human

vampires are called in to assist the police of West Haven, Connecticut, and become immersed in the culture of the Contralto family of gangsters. The team is on the trail of Frances and her new partner Vinny, and are pulled into a mob war of Connecticut made guys and a New York crime family.

Almost A

Wiseguy is the gritty life-story of Vince Ciacci, a hair stylist, with ambitions to become a made-man in the Mafia. But his alcohol and drug abuse kept that from happening. Ciacci grows up without the love and acceptance he needs from his parents and seeks that from the wrong type of people. It isn't until the birth of his daughter, his only child, that he realizes the destructive nature of his

life. In an effort to stop his downward spiral, he reluctantly seeks and finds help in AA, but his road to recovery isn't an easy one, with many starts and setbacks. *The Predator* University Press of New England *Good Guys*, *Wiseguys*, and *Putting Up Buildings* is an engaging memoir about one man's career in construction--rising to the top of an industry renowned for crime,

corruption, violence, physical danger, and the chronic risk of financial catastrophe. Starting in the Navy Seabees at the end of WWII, Samuel C. Florman made his way as a general contractor in New York City through the period of explosive development, private exuberance and the historic growth of publicly supported housing--all amidst the rise of the notorious

Mafia families, and evolution of the Civil Rights Movement. His storied career brought him into contact with a variety of personalities: politicians and civil servants, developers and technocrats, saintly do-gooders and corrupt rapsallions. Along with the rousing adventures there were satisfactions of a different sort: the enchantment of seeing architecture made real; the

pride of creating housing, hospitals, schools, places of worship-- shelter for the body and nourishment for the spirit.
Harlem Shuffle St. Martin's Press
'At the age of twelve my ambition was to be a gangster. To me being a wiseguy was better than being president of the United States. To be a wiseguy was to own the world.'
GoodFellas is Henry Hill's own story,

telling the fascinating and sometimes brutal details of the day-to-day life of a working New York mobster - the violence, wild spending sprees, his wife, his mistress, his code of honour. From the small-time scamming of his early years, his first arrest at the age of sixteen and initiation into the dealings of his wiseguy friends and bosses, Henry Hill tells of the good times, dodgy dealings,

indulgences, and the insularity of the mob-controlled neighbourhoods. But things start to go too far. To save his own life, Hill turns into a Federal witness, and the mob is to this day still hunting him down for revealing their involvement in hundreds of crimes including arson, extortion, hijacking, the six-million dollar Lufthansa heist (the most successful cash robbery

in US history),
and murder.

enter the FBI's Witness Protection Program. Unfortunately for his children Gregg and Gina, they're dragged along for the ride. Like nomads, they're forced to wander from state to state, constantly inventing new names and finding new friends, only to abandon them at a moment's notice. They live under constant fear of being found and killed. But Henry, the rock Gregg and Gina so

desperately need, is a heavy cocaine user and knows only the criminal life. He is soon up to his old tricks and consistently putting their identities in jeopardy. And so it continues until the kids, now almost grown, can no longer ignore that the Mob might be less of a threat to them than remaining under the roof of their increasingly unbalanced father. Penguin The true story of an undercover

cop who went under the covers with a wiseguy. She was a married organized crime detective. He was the Mafia wiseguy she was trailing. Their affair would shake the very foundation of Miami's criminal underworld—and end in murder.

THE WAR-HAWK BIOLOGICAL THREAT

Simon & Schuster
He was about to take Julie against her will. Having her body

would not be the same as having her heart and mind, but Don didn't realize it at the time. Obsession takes on terrifying form in Anthony V. Aqua's *The Predator*. This sexually explicit cat-and-mouse game will take readers into the mind of a man who will stop at nothing to get what he wants. Don Ricci is handsome, rich...and a psychopath. After a humiliating rejection by Julie, an old

classmate, he kidnaps her at knifepoint and locks her away in a homemade dungeon. Determined to make Julie into his idealized version of the perfect "wife," Don's violently sexual encounters with his traumatized captor are interrupted only by his intermittent carousing around town. As his tempter spirals out of control, Don runs into more and more trouble both in and out of his underground lair. His erratic

behavior eventually brings him to Black Jack Roma, a grizzled veteran of the New England mafia who assumes Don is there to silence him for good. But as Black Jack realizes the true nature of Don's derangement, he decides to make the rich playboy an offer that he simply can't refuse.

Pasta Fazool for the Wiseguy's Soul

"Having survived his first brush of

death with the Mafia, Danny Esposito's life seems to be settling into a steady routine until a figure from his past sets him back on a collision course with the local mob. With disaster threatening him at every turn, Danny makes a dangerous decision to go undercover, hoping to find out whom he can trust. While Danny struggles to keep his girlfriend, the FBI, and his godfather at arm's length, he and his friends

discover that the new mob leadership is more ruthless than ever and that Danny's own family is on their hit list. With the loyalty of Danny's godfather, Gino, unclear, and law enforcement closing in, Danny must face his past and his fears to stay one step ahead of those who would hurt the people he loves the most."--Back cover.
Wise Guy
Rowman & Littlefield
Now in paperback,

here's the first nonfiction work from Joe Pistone since his New York Times #1 bestseller and hit movie, *Donnie Brasco*. Perhaps no man alive knows the lifestyle of wiseguys better than Pistone does, having spent six years infiltrating the Mafia as an undercover FBI agent. Now, years later, Pistone reassesses the underworld. Often poignant, and in startling detail, *THE WAY OF THE*

WISEGUY gives readers a first-hand look at the psychology and customs of the wiseguy. The book features 34 chapters that reveal key principles of wiseguy life, including “How Wiseguys Carry Out a Hit,” “How Wiseguys Get Straightened Out,” and “A Typical Day in the Life of a Wiseguy.” Pistone's spellbinding stories provide a first-hand look at this lawless realm of badguys, which is often

uncannily relevant to the workings of legitimate big business and everyday social discourse.

Almost a Wiseguy Bloomsbury Publishing Nicholas Pileggi's vivid, unvarnished, journalistic chronicle of the life of Henry Hill—the working-class Brooklyn kid who knew from age twelve that “to be a wiseguy was to own the world,” who grew up to live the highs and lows of

the mafia gangster's life—has been hailed as “the best book ever written on organized crime” (Cosmopolitan). This is the true-crime bestseller that was the basis for Martin Scorsese's film masterpiece *GoodFellas*, which brought to life the violence, the excess, the families, the wives and girlfriends, the drugs, the payoffs, the paybacks, the jail time, and the Feds...with Henry Hill's crackling

Wiseguy

Murders

Routledge Sergeant Wiseguy is back again to fight terrorism and a plot against his own life. An international terrorist group hires a professional

killer known only as "War-Hawk" to assassinate Sergeant Wiseguy while on vacation in San Francisco. Meanwhile, the terrorists plot to recreate and improve on one of the world's most deadly plagues and unleash it upon the East Coast with a strong ultimatum. While Sergeant Wiseguy's team assembles to stop the threat, War-Hawk's attempt to assassinate

him takes several exciting turns that goes from San Francisco to Mexico and finally ending up on an island off the Coast of Italy. The War-Hawk Biological Threat is a book of action twists and turns and will leave you wanting more. This will build you up for book three in the series due to be released in 2013.

Jack Parker's Wiseguys
Bloomsbury Publishing
The true story behind the Martin Scorsese film:

A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic Wiseguy—basis for the film Goodfellas—Nicholas Pileggi reveals how the pair

worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in

cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-

dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the	world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of	adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high- stakes page- turner (Booklist).
