*Secrets & Mysteries of the World* For those of us who have always been fascinated by the unexplained - or inadequately explained - secrets and mysteries of this world, Sylvia Browne now comes to our rescue. Using a combination of information from her spirit guide Francine as well as her own incredible psychic powers, Sylvia augments current scientific research to provide us with detailed explanations about seemingly inexplicable concepts. From the Great Pyramid to Stonehenge, Sylvia reveals amazing facts about some of the world's most mysterious sites. The truth behind sacred and controversial topics such as the Shroud of Turin, the Holy Grail, and the lost years of Jesus are also brought to light; and fascinating and mystifying subjects such as crop circles, vampires, voodoo, Atlantis, extra-terrestrials, Easter Island, and many more are examined and clarified. Sylvia tears away the obscure and timeworn explanations that hide the underlying truths about these phenomena, taking us on a fabulous journey that unlocks the secrets and mysteries that surround us in this "wonder-full" world.

Internationally recognized psychic and star of A&E's hit show *Psychic Kids: Children of the Paranormal*, Chip Coffey shares his personal story of discovering his gift at a young age and offers valuable advice for nurturing and embracing psychic ability. No one knows more about psychic kids than Chip Coffey, and no expert on psychic kids is better known throughout the world. These kids are widely misunderstood, misjudged, and misdiagnosed. In *Growing Up Psychic*, Chip Coffey offers indispensable information for anyone who interacts with these extraordinary youngsters—parents, educators, medical professionals, mental health clinicians, members of the clergy, paranormal investigators—and adults who faced the challenges of growing up psychic. In *Growing Up Psychic*, drawing on his firsthand experience and the true stories of kids he has worked with and helped, Chip Coffey shows you how to:

- Determine if a child is really psychic—as opposed to simply imaginative or seeking attention
- Identify the different kinds of psychic abilities kids (and adults) might have
- Gain control over when and how psychic information is received
- Safely connect with others in the

psychic community • Deal with skeptics and disbelievers "Read Chip Coffey's book to learn about an astonishing, inspiring, unexplained propensity of the human mind." —from the foreword written by Dr. Raymond Moody, author of *Life After Life*

*Miracles Can Happen to You!* We normally use the term "miraculous" to describe dramatic, larger-than-life events, but not all miracles are out of this world. Ordinary miracles — surprising positive occurrences, such as surviving a horrible automobile accident or finding our soul mate — can happen in our everyday lives. A scientist as well as a student of metaphysics, Dr. Carolyn Miller has spent more than twenty-five years researching the elements that are common in real-life miracles. She has discovered that ordinary people often survive impending disaster by entering a serene state of consciousness and following inner guidance. In *Creating Miracles*, Dr. Miller shares specific suggestions and techniques, such as tapping into our intuition and disarming our ego, for cultivating a state of miracle-readiness in our lives. Through the true stories and amazing experiences she relates in this book, she demonstrates that miracles are real and that accessing them requires only that we follow some clear and simple steps.

The image on the cover of this book represents the idea that brain state alterations at sacred sites

allow us to re-experience memories that are woven into the morphogenetic fields of that place, an idea that originates with Paul Devereux's empirical enquiry into dreams at sacred sites in Wales and England. This book examines how this investigation provides us with a new way of understanding consciousness, and a new direction toward a reconciliation of the divorce between matter and spirit. We explore the work of David Lukoff, and Stanislav and Christina Grof, the connections between the varieties of transformative experience in dream studies, ecopsychology, transpersonal psychology, and the anthropology of consciousness, as well as the overlap between David Bohm's interpretation of quantum theory and Rupert Sheldrake's hypothesis of formative causation.

This book is designed to help you to become psychic readers, with a deeper understanding of spirit world. We are powerful beings, our psychic abilities come in many forms and start with hunches, gut feelings, visions, premonitions and thoughts. We have access to other realms and we can uncover the hidden mysteries of life. We are challenged to develop our instinct for prophecy and to work on building our clairvoyance, clairsentience and knowing. We can develop these skills through meditation, psychometry, and the many training exercises set out in this book to help you. What is psychometry? The ability to read the vibrations placed in an object by your friend, family member or client - Would you like to be able to read a beautiful flower chosen by the enquirer? - Pick up a set of keys or a piece of jewellery and tune into messages from spirit world? - Hold a unique shell or many other objects and let your mind flow into information about possible romance, career prospects, holidays, new love or spiritual advancement? - Through meditation and spiritual exercises you will connect with your inner guide or higher-self You are encouraged to open your awareness, and accept the unexpected answers to your questions which at first will come randomly into your mind. Your abilities will become more of your everyday life as you accept that you really are psychic and developing your intuition becomes both a pleasure and an exciting adventure as you enter into the unknown realms of your mind. It's your gift, learn how to enhance it.

"A superb survey of the paranormal" and a travelogue through the twilight zone of human consciousness—hailed by experts as the best introduction to psychic phenomena (Herbie Brennan, New York Times–bestselling author). This is the most entertaining and broad survey of the paranormal ever made—combining forgotten lore, evidence from parapsychological experiments, and the testimonies of scientists, archaeologists, anthropologists, psychologists, physicists, and philosophers. Exploring the possibility that paranormal phenomena may be objectively real, this travelogue through the twilight zone of human consciousness is both scientifically rigorous and extremely entertaining. Readers may be surprised to learn that reputable scientists, among them several Nobel laureates, have claimed that: • telepathy is a reality • Cleopatra's lost palace and Richard III's burial place were recovered with clairvoyance • the US military set up an espionage program using psychics Could it be that what we usually call "supernatural" is a natural but little

understood communication via this mental internet? The winner of the most prestigious award in the field, the Parapsychological Association Book Award, *A Short History of (Nearly) Everything Paranormal* is an engaging, entertaining and informative analysis of a controversial subject.

America's top psychic medium reflects on his life of speaking to Spirit and the lessons he's learned along the way—from both the living and the dead. Matt Fraser is just an ordinary guy...who happens to talk to dead people. Born into a psychic family, Matt carries on the legacy passed down from his late Grandmother Mary by connecting people to their dearly departed loved ones and delivering messages from the other side. His sold-out live group readings, television appearances, and private readings have allowed him to bring hope and healing to fans from around the world. But people who are not in the habit of talking with the dead have a hard time imagining what his day-to-day life is like. Based on the questions he gets, they seem to think he spends most of his time sitting cross-

legged in a trance, maybe hovering a few inches off the ground, leaving his physical body behind as he journeys across the veil to the spirit realm. But it's not like that at all. Now, in *When Heaven Calls*, Matt opens up about it's really like to be a psychic medium—including how he discovered his spiritual gift, what it's like to connect with souls on the other side, what communicating with the dead has taught him about embracing life, and how you can tap into your own intuitive awareness to manifest your dreams, goals, and desires.
