MADDEN KENDALL

THE DIARY OF A TEENAGE GIRL, REVISED EDITION

Abrams

"Not of woman born, the Fortunate, the Unborn"—the terms designating those born by Caesarean section in medieval and Renaissance Europe were mysterious and ambiguous. Examining representations of Caesarean birth in legend and art and tracing its history in medical writing, Renate Blumenfeld-Kosinski addresses the web of religious, ethical, and cultural questions concerning abdominal delivery in the Middle Ages and the Renaissance. Not of Woman Born increases our understanding of the history of the medical profession, of medical iconography, and of ideas surrounding "unnatural" childbirth. Blumenfeld-Kosinski compares texts and visual images in order to trace the evolution of Caesarean birth as it was perceived by the main actors involved—pregnant women, medical practitioners, and artistic or literary interpreters. Bringing together medical treatises and texts as well as hitherto unexplored primary sources such as manuscript illuminations, she provides a fresh perspective on attitudes toward pregnancy and birth in the Middle Ages and the Renaissance; the meaning and consequences of medieval medicine for women as both patients and practitioners, and the professionalization of medicine. She discusses writings on Caesarean birth from the twelfth and thirteenth centuries, when Church Councils ordered midwives to perform the operation if a mother died during childbirth in order that the child might be baptized; to the fourteenth century, when the first medical text, Bernard of Gordon's *Lilium medicinae*, mentioned the operation; up to the gradual replacement of midwives by male surgeons in the fifteenth and sixteenth centuries. Not of Woman Born offers the first close analysis of Franois Rousset's 1581 treatise on the operation as an example of sixteenth-century medical discourse. It also considers the ambiguous nature of Caesarean birth, drawing on accounts of such miraculous examples as the birth of the Antichrist. An appendix reviews the complex etymological history of the term "Caesarean section." Richly interdisciplinary, Not of Woman Born will enliven discussions of the controversial issues surrounding Caesarean delivery today. Medical, social, and cultural historians interested in the Middle Ages and the Renaissance, historians, literary scholars, midwives, obstetricians, nurses, and others concerned with women's history will want to read it.

THE TRUE STORY OF CANDACE MOSSLER AND AMERICA'S STRANGEST MURDER TRIAL

Quirk Books

First released in 2002, this provocative, critically acclaimed novel is now a major motion picture starring Bel Powley, Kristen Wiig, and Alexander Skarsgård. "I don't remember being born. I was a very ugly child. My appearance has not improved so I guess it was a lucky break when he was

attracted by my youthfulness." So begins the wrenching diary of Minnie Goetze, a fifteen-year-old girl longing for love and acceptance and struggling with her own precocious sexuality. After losing her virginity to her mother's boyfriend, Minnie pursues a string of sexual encounters (with both boys and girls) while experimenting with drugs and developing her talents as an artist. Unsupervised and unguided by her aloof and narcissistic mother, Minnie plunges into a defenseless, yet fearless adolescence. While set in the libertine atmosphere of 1970s San Francisco, Minnie's journey to understand herself and her world is universal: this is the story of a young woman troubled by the discontinuity between what she thinks and feels and what she observes in those around her. Acclaimed cartoonist and author Phoebe Gloeckner serves up a deft blend of visual and verbal narrative in her complex presentation of a pivotal year in a girl's life, recounted in diary pages and illustrations, with full narrative sequences in comics form. The Diary of a Teenage Girl offers a searing comment on adult society as seen through the eyes of a young woman on the verge of joining it. This edition has been updated by the author with an introduction reflecting on the book's critical reception and value as diary or novel, historical document or work of art. Also included in this revised edition are supplementary photographs and illustrations from the author's childhood, including some of her own diary entries. "Phoebe Gloeckner... is creating some of the edgiest work about young women's lives in any medium."—The New York Times "One of the most brutally honest, shocking, tender and beautiful portrayals of growing up female in America."—Salon "It's the most honest depiction of sexuality in a long, long time; as a meditation on adolescence, it picks up a literary ball that's been only fitfully carried after Salinger."—Nerve.com **Candy** Cornell University Press

Aydra Ravenspeak has lived peacefully in the kingdom of Magnice her entire life. She rules as Queen over the northwestern realm of Haerland with her loving brother, King Rhafian Sunfire, and her younger siblings. Their kingdom knows only prosperity, sanctuary, and peace. A loving home for all their people. Of course, these are all lies. When Aydra rides out to the Forest of Darkness for the rise of the Dead Moons, she is injured in the enemy king, Draven Greenwood's, realm. What she learns whilst recovering there shatters the world she knows. She has been engulfed by lies within her own kingdom. Forced to smile and dine at banquet as nothing more than a trophy. Given a title no person ever intended on allowing her to use. But the lies that throw her the most are those she was told about him. Strangers arrive on their shores, and she'll have to work with Draven to stop them from taking their lands. The secrets of her kingdom and Haerland begin to unravel, and Aydra is soon faced with an impossible decision as the war begins. Warning: This book is considered dark adult high fantasy and is not intended for persons under 18 years of age. Triggers include explicit language, graphic sex with one or more persons, battle scenes, abuse, mental manipulation, sexual abuse, and mentions of rape and incest.

[How Media Attract and Affect Youth](#) Simon and Schuster

Multimodal Literacy challenges dominant ideas around language, learning, and representation. Using a rich variety of examples, it shows the range of representational and communicational modes involved in learning through image, animated movement, writing, speech, gesture, or gaze. The effect of these modes on learning is explored in different sites including formal learning across the curriculum in primary, secondary, and higher education classrooms, as well as learning in the home. The notion of literacy and learning as a primary linguistic accomplishment is questioned in favor of the multimodal character of learning and literacy. By illustrating how a range of modes contributes to the shaping of knowledge and what it means to be a learner, Multimodal Literacy provides a multimodal framework and conceptual tools for a fundamental rethinking of literacy and learning.

Miss Peregrine's Home for Peculiar Children VIZ Media LLC

"Evens is the finest ambassador for Belgian illustration since Hergé." --The Guardian Brecht Evens, the award-winning author of *The Wrong Place* and *The Making Of*, returns with an unsettling graphic novel about a little girl and her imaginary feline companion. Iconoclastic in his cartooning and page layouts, subtle in his plotting, and deft in his capturing of the human experience, Evens has crafted a tangled, dark masterwork. Christine lives in a big house with her father and her cat, Lucy. When Lucy gets sick and dies, Christine is devastated. But alone in her room, something special happens: a panther pops out of her dresser drawer and begins to tell her stories of distant Pantherland, where he is the crown prince. A shape-shifter who tells Christine anything she wants to hear, Panther begins taking over Christine's life, alienating her from her other toys and friends. As Christine's world spirals out of control, so does the world Panther has created for her. Panther is a chilling voyage into the shadowy corners of the human psyche. The Drawn & Quarterly edition of Panther is an extended "director's cut," featuring additional material not included in the original book.

Stepping on Roses Simon and Schuster

Chris, Cathy, and the twins are to be kept hidden until their grandfather dies so that their mother will receive a sizeable inheritance, however, years pass and terrifying things occur as the four children grow up in their one room prison.

FORTUNATE DAUGHTER

She Writes Press

There were good times and bad times, but in the beginning there were more good times. When I first met Candy those were the days of juice, when everything was bountiful. Only much later did it all start to seem like sugar and blood, blood and sugar...It's like you're cruising along in a beautiful car on a pleasant country road with the breeze in your hair and the smell of eucalyptus all around you. The horizon is always up there ahead, unfolding towards you, and at first you don't notice the gradual descent, or the way the atmosphere thickens. Bit by bit the gradient gets steeper, and before you realise you have no brakes, you're going pretty fucking fast.' Candy is a love story. It is also a novel about addiction. From the heady narcissism of the narrator's first days with his new lover, Candy, and the relative innocence of their shared habit, Candy charts their decline. Candy becomes a prostitute, the narrator becomes a scam artist, and smack becomes the total and only focus of their lives. But this is not just another junkie novel: Davies is a very fine writer and Candy is confronting, painful, sexy, tender and at times darkly hilarious. A remarkable novel.

A Novel Peter Lang Pub Incorporated

In this series of stand-alone Naughty Bits collections, Gregory takes on pornography, shopping, yuppies, dating, menstruation, and much more. The lead character in most is Bitchy Bitch, the perma-nently PMS'd and PO'd embodiment of the female id, who also stars in her own series of cartoon shorts on the Oxygen Network's X-Chromosome animated series. The raunchiest collection, focusing on Bitchy's sexual escapades.

A Novel Houghton Mifflin Harcourt

Growing up on a small New England farm, a determined young nineteenth-century woman named Aimee Slater ventures to Lowell, Massachusetts, to find work, a move that causes her to be torn between the sensual world she desires and the divine retribution passed down to her by her mother's scorn. Reprint. 25,000 first printing.

Incest Simon and Schuster

Collects *She-Hulk* (2005) #1-5. Join She-Hulk as she deals with the bizarre legal problems of the Marvel Universe! Strange twists, exciting adventures and lots of guest-stars! And She-Hulk isn't the only one returning. Get ready, True Believer! Hawkeye's back! We kid you not! So why is Clint Barton giving Jen Walters such a hard time? Why Kings Confess Drawn and Quarterly

This is the companion book to an exhibition of the same name presented at the Regina Gouger Miller gallery (Carnegie Mellon U.). The exhibition presented comics and comic imagery in art of various media, especially those that addressed issues such as race, gender, sexual orientation, violence and war, loss of innocence, and religion. The exhibition concentrated on younger, less established artists of the last decade. Three essays by art curators and critics accompany color reproductions of some 100 of the exhibitions pieces. Annotation (c)2003 Book News, Inc., Portland, OR (booknews.com).

Child of God Vintage Canada

Sumi tries to get Soichiro's company back for him, but she doesn't realize that he's about to embark on a life-changing opportunity. Meanwhile, Nozomu is hellbent on marrying Sumi regardless of any consequences. Can anything stop Nozomu at this point? Or will Sumi and Soichiro find a way to be together? -- VIZ Media

Penguin

In a world where some people are born with extreme and often-feared skills called Graces, Katsa struggles for redemption from her Grace of killing, and teams up with another young fighter to save their land from a corrupt king.

REPRESENTATIONS OF CAESAREAN BIRTH IN MEDIEVAL AND RENAISSANCE CULTURE

Yale University Press

Tiernan grew up with wealth and privilege, but not love or guidance. After her parents' deaths, she goes to live with her father's stepbrother and his two sons. As the three of them take her under their wing, teach her to work and survive in the remote woods, she slowly finds her place among them. And she realizes that lines blur and rules become easy to break when no one is watching.

FORTHCOMING BOOKS

Vintage

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

THE ADVOCATE

Bernan Press

The daughters of a ruthlessly ambitious family, Mary and Anne Boleyn are sent to the court of Henry VIII to attract the attention of the king, who first takes Mary as his mistress, in which role she bears him an illegitimate son, and then Anne as his wife. Reprint. 250,000 first printing. (A Columbia Pictures film, written by Peter Morgan, directed by Justin Chadwick, releasing Fall 2007, starring Natalie Portman, Scarlett Johansson, Eric Bana, and others) (Historical Fiction)

Identical Archipelago

Read the #1 New York Times best-selling series before it continues in *A Map of Days*. Bonus features • Q&A with author Ransom Riggs • Eight pages of color stills from the film • Sneak preview of *Hollow City*, the next novel in the series *A Mysterious Island*. An abandoned orphanage. A strange collection of very curious photographs. It all waits to be discovered in *Miss Peregrine's Home for Peculiar Children*, an unforgettable novel that mixes fiction and photography in a thrilling reading experience. As our story opens, a horrific family tragedy sets sixteen-year-old Jacob journeying to a remote island off the coast of Wales, where he discovers the crumbling ruins of *Miss Peregrine's Home for Peculiar Children*. As Jacob explores its abandoned bedrooms and hallways, it becomes clear that the children were more than just peculiar. They may have been dangerous. They may have been quarantined on a deserted island for good reason. And somehow—impossible though it seems—they may still be alive. A spine-tingling fantasy illustrated with haunting vintage photography, *Miss Peregrine's Home for Peculiar Children* will delight adults, teens, and anyone who relishes an adventure in the shadows. “A tense, moving, and wondrously strange first novel. The photographs and text work together brilliantly to create an unforgettable story.”—John Green, New York Times best-selling author of *The Fault in Our Stars* “With its X-Men: First Class-meets-time-travel story line, David Lynchian imagery, and rich, eerie detail, it's no wonder *Miss Peregrine's Home for Peculiar Children* has been snapped up by Twentieth Century Fox. B+”—*Entertainment Weekly* “‘Peculiar’ doesn't even begin to cover it. Riggs' chilling, wondrous novel is already headed to the movies.”—People “You'll love it if you want a good thriller for the summer. It's a mystery, and you'll race to solve it before Jacob figures it out for himself.”—*Seventeen*

Underworld Independently Published

In this taut, chilling novel from the bestselling, Pulitzer Prize-winning author of *The Road*, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. “Like the novelists he admires—Melville, Dostoyevsky, Faulkner—Cormac McCarthy has created an imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves.” —*Washington Post*
