### MAREN JACOBY

#### THE HELP

U.S. Government Printing Office  
 Hugo Marston must figure out what lies hidden inside an old sailor's chest before a 200-year-old blood promise is revealed and claims another life. In post-Revolution Paris, an old man signs a letter in blood, then hides it in a secret compartment in a sailor's chest. A messenger arrives to transport the chest and its hidden contents, but then the plague strikes and an untimely death changes history. Two hundred years later, Hugo Marston is safeguarding an unpredictable but popular senator who is in Paris negotiating a France/U.S. dispute. The talks, held at a country chateau, collapse when the senator accuses someone of breaking into his room. Theft becomes the least of Hugo's concerns when someone discovers a sailor's chest and the secrets hidden within, and decides that the power and money they promise are worth killing for. But when the darkness of history is unleashed, even the most ruthless and cunning are powerless to control it. From the Trade Paperback edition.

 Includes a new section on clicker training.

#### WHERE DEATH DELIGHTS

Wyatt North Publishing, LLC  
 It's summer in Paris and two tourists have been murdered in Père Lachaise cemetery in front of Jim Morrison's grave. The cemetery is locked down and put under surveillance, but the killer returns,

flitting in and out like a ghost, and breaks into the crypt of a long-dead Moulin Rouge dancer. In a bizarre twist, he disappears under the cover of night with part of her skeleton. One of the dead tourists is an American and the other is a woman linked to a suspected terrorist; so the US ambassador sends his best man and the embassy's head of security—Hugo Marston—to help the French police with their investigation. When the thief breaks into another crypt at a different cemetery, stealing bones from a second famed dancer, Hugo is stumped. How does this killer operate unseen? And why is he stealing the bones of once-famous can-can girls? Hugo cracks the secrets of the graveyards but soon realizes that old bones aren't all this killer wants. . . . From the Trade Paperback edition.

#### THE BOOKSELLER

The Good Book Company  
 Someone is spying on American author Helen Hancock. While in Paris to conduct research and teach a small class of writers, she discovers a spy camera hidden in her room at the Sorbonne Hotel. She notifies the US Embassy, and former FBI profiler Hugo Marston is dispatched to investigate. Almost immediately, the stakes are raised from surveillance to murder when the hotel employee who appears to be responsible for bugging Hancock's suite is found dead. The next day, a salacious video clip explodes across the Internet, showing the author in the embrace of one of her writing students—both are naked, and nothing is left to the imagination. As more bodies pile up, the list of suspects narrows; but everyone at the Sorbonne Hotel has something to hide, and no one is being fully honest with Hugo. He teams up with Lieutenant Camille Lerens to solve the case, but a close call on the streets of Paris proves that he could be the killer's next target.

#### THE MINOTAUR SAMPLER, VOLUME 5

Bookouture  
 NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh

takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

*The Book of Basketball* Simon and Schuster  
 The desire to kill is becoming contagious in this riveting novel of conceivable mad science by the Wall Street Journal bestselling author of The Naturalist. Computational biologist and serial-killer hunter Dr. Theo Cray receives an off-the-record request from the FBI to investigate an inexplicable double homicide. It happened at the excavation site where a murderer had buried his victims' remains. In custody is a forensic technician in shock, with no history of aggression. He doesn't remember a thing. His colleagues don't even recognize the man they thought they knew. But an MRI reveals something peculiar. And abnormal. What on earth made him commit murder? After discovering that a mysterious man has been stalking crime scenes and stealing forensic data, Cray has a radical and terrifying theory. Now he must race against time to find a darker version of himself: a scientist with an obsession in pathological behavior who uses his genius not to catch serial killers--but to create them.

*Mockingjay (Hunger Games, Book Three)* Lake Union Publishing

His views catapulted him into the pages of Time Magazine, but also made him the target of a confidential War Department Intelligence report. As a Preacher or traveling map salesman, Charlie Jones was a man ahead of his time. Leading was his gift, and twenty years before the civil rights movement exploded in the South, Jones was fighting for the rights of minorities and women. To students and professors that filled his Chapel Hill church, he was an inspiration and a visionary. He led demonstrations and sit-ins, always championing peace. He and his wife opened their house and their lives to the service of their community. To a conservative church hierarchy, however, he was a liberal heretic to be deposed. But his opponents failed to appreciate that the greater truth for which he stood would inevitably cast into shadow the dogma and doctrine of any single church organization—no matter how powerful. Sixty years after Jones began his ministry, those he inspired still gather in Chapel Hill to honor his memory. This book is a testament to a man who knew that love could conquer hate, and devoted his life to showing that all people are indeed created equal.

### LEARNING AND BEHAVIOR

Simon and Schuster

In this prequel to *The Bookseller*, former FBI profiler Hugo Marston has just become head of security at the US Embassy in London. He's asked to protect a famous movie-star couple, Dayton Harper and Ginny Ferro, who, while filming a movie in rural England, killed a local man in a hit and run. The task turns from routine to disastrous almost immediately. Before Hugo even meets them, he finds out that Ferro has disappeared, and her body has been found hanging from an oak tree in a London cemetery. Hours later a distraught Harper gives Hugo the slip, and Hugo has no idea where he's run off to. Taking cues from a secretive young lady named Merlyn, and with a Member of Parliament along for the chase, Hugo's search leads to a quaint English village. There, instead of finding Harper, more bodies turn up. Teaming with local detectives and then venturing dangerously out on his own, Hugo struggles to find connections between the victims. Is this the work of a serial killer—or something else entirely? Knowing he's being tailed, the killer prepares for the final, public act of his murderous plan, and Hugo arrives just in time to play his part. . . . From the Trade Paperback edition.

*Cardiovascular Disability* G.P. Putnam's Sons

Gregory Bateson was a philosopher, anthropologist, photographer, naturalist, and poet, as well as the husband and collaborator of Margaret Mead. This classic anthology of his major work includes a new Foreword by his daughter, Mary Katherine Bateson. 5 line drawings.

### STEPS TO AN ECOLOGY OF MIND

Seyn House Publishers Ltd

A nineteen-year-old aspiring model has disappeared in Paris. Her father, Bart Denum, turns to his old friend Hugo Marston for help. Marston, the security chief at the American Embassy, makes some inquiries and quickly realizes something is amiss: Bart's daughter was not a model, but rather a dancer at a seedy strip club. And she headed to Barcelona with some guy she met at the club. With his friend and former CIA agent, Tom Green, Marston heads for Barcelona. The two sleuths identify the man last seen with the girl, break into his house, and encounter a shocking scene: Bart Denum, standing over the dead and battered body of their mysterious stranger. Though Bart protests his innocence, under the damning circumstances, Spanish authorities arrest him for murder. The two American investigators are faced with their biggest challenge ever: find the real killer, prove Bart's innocence, and locate his missing daughter—without getting killed along the way. From the Trade Paperback edition.

[Strategies to Improve Cardiac Arrest Survival](#) The Blood Promise

A Library Journal Best Book of 2013! A Booklist Best Crime Novel of 2013! There is very little peace for a man with a body buried in his backyard. But it could always be worse... More than a year ago, mild-mannered Jason Getty killed a man he wished he'd never met. Then he planted the problem a little too close to home. But just as he's learning to live with the undeniable reality of what he's done, police unearth two bodies on his property—neither of which is the one Jason buried. Jason races to stay ahead of the consequences of his crime, and while chaos reigns on his lawn, his sanity unravels, snagged on the agendas of a colorful cast of strangers. A jilted woman searches for her lost fiancé, a fringe dweller runs from a past that's quickly gaining on him, and a couple of earnest local detectives piece clues together with the help of a volunteer police dog—all in the

shadow of a dead man who had it coming. As the action unfolds, each character discovers that knowing more than one side of the story doesn't necessarily rule out a deadly margin of error. Jamie Mason's irrepressible debut is a macabre, darkly humorous tale with the thoughtful beauty of a literary novel, the tense pacing of a thriller, and a clever twist of suspense.

*The Paris Librarian* Simon and Schuster

"Bad can feel good, Jessie. Bad can feel as good as it can get." The tattoos covering Eden Reece's arm tell the tale of a con with an appetite for danger. Even so, arriving at The Circus - the criminal heart of Blackthorn - and demanding an audience with the notorious Pummel, is the sign of a death wish. Jessie knows that Eden is trouble. Serious trouble. Held captive by Pummel, despite her powers, she also knows how dangerous a game Eden is playing. Yet she can't ignore a connection far deeper than the physical spark between them - because Jessie has seen Eden before... Jessie is the only one who can help Eden save those he loves. But as he uncovers her secrets one by one, he can't ignore the emotions she stirs in him - feelings neither of them dare face. He risks death. If she trusts him, she risks a fate far worse. As Pummel's twisted plans become clear, there's no doubt all hell risks breaking out in Blackthorn. With time running out, together Jessie and Eden might be the only ones who can stop it. In a thrillingly sensual novel, the stakes in the dark world of Blackthorn just got higher. The Blackthorn series reading order: 1.BLOOD SHADOWS 2.BLOOD ROSES 3.BLOOD TORN 4.BLOOD DEEP 5.BLOOD DARK 6. BLOOD INSTINCT 7. BLOOD BOUND What readers are saying about Blackthorn... 'oh so brilliant... Ms Pryor has done it again with this blistering series.' 5/5 The Romance Cover 'What a great addition to the series! Blood Deep is gritty, captivating, and richly illustrated, with an exciting plot and fascinating characters. This is the fourth instalment, but it can be read as a standalone, and is a must read for paranormal romance fans.' 5/5 Moonrise Book Blog 'Blood Deep was... How can I say it? It was brilliant like its predecessors' 5/5 Gaga Over Books 'I am officially addicted to this series. Why, you ask? Because Lindsay Pryor is my kind of fearless author. She isn't afraid to "go there", to create characters and situations that challenge me as a reader.' The Demon Librarian 'Not only are Pryor's characters and fathomlessly dark love stories fabulous, but her continual world building of Blackthorn blows me away.' Graveltells.com 'A shining, brilliant new talent in the Paranormal genre!' CC MacKenzie

### THE CRYPT THIEF

Simon and Schuster

Looking for a new book that will make your heart race? The fifth edition of *The Minotaur Sampler* compiles the beginnings of eight can't-miss novels--either standalone or first in series--publishing Spring/Summer 2022 for free for easy sampling. Standalone: A gripping debut domestic suspense novel, Nora Murphy's *The Favor* explores with compassion and depth what can happen when women pushed to the limit take matters into their own hands. Standalone: Four friends head into the Icelandic highlands in the middle of winter. The first day they get caught in an unexpected snowstorm, and end up in an abandoned hunting lodge. Outside is a chilling new standalone thriller from Ragnar Jonasson. First in Series: Katharine Schellman's captivating Jazz age mystery series debut, *Last Call at the Nightingale*, beckons readers into a darkly glamorous speakeasy where music, liquor, and secrets flow. First in Series: James Byrne's *The Gatekeeper* introduces Dez Limerick - "a welcome blast of freshness"\* and "the most exciting new character I've read in years"\* -- in the most anticipated new thriller in years. First in Series: *A Rip Through Time* mixes romance, mystery, and fantasy with thrilling results. In this series debut from New York Times bestselling author Kelley Armstrong, a modern-day homicide detective finds herself in Victorian Scotland—in an unfamiliar body—with a killer on the loose. Standalone: *The Things We Do in the Dark* is the brilliant new thriller from Jennifer Hillier, the award-winning author of the breakout novels *Little Secrets* and *Jar of Hearts* - The secrets of the past come back around when a woman, long believed dead, turns up alive. First in Series: Mark Pryor's *Die Around Sundown* is the first entry in an exciting new mystery series set in World War II era Paris, where a detective is forced to solve a murder while protecting his own secrets. Standalone: From Sandie Jones, the New York Times bestselling author of the Reese's Book Club pick *The Other Woman*, comes a gripping new domestic suspense novel. In *The Blame Game*, a psychologist working with victims of domestic abuse suddenly finds she may be being targeted herself: She knows she's telling the truth. But the evidence says she's lying.

### DON'T SHOOT THE DOG!

Pan Macmillan

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

### THREE GRAVES FULL

Minotaur Books

"She was supposed to kill vampires, not save them. Those were the rules. That was the lore." A rare and powerful witch whose blood is lethal to vampires, Leila has always viewed her seryn abilities as a curse. After seeing her mother slaughtered as a child, Leila longs for a safe, quiet life. That wish is shattered by Caleb Dehain - a vampire with a dark past and a darker heart. The most feared seryn hunter of his generation, Caleb now needs the help of one of the witches he despises to save his dying brother. A seryn who has no reason to help him. Except that he has her sister. Caleb and Leila are each other's worst nightmare - but the slow-burning spark of attraction between them is undeniable. Will Leila's blood be his damnation? Or could her kiss be his salvation? Combining sizzling passion and dark, sinfully seductive vampire heroes, Lindsay J. Pryor's writing is an exciting new find for those who love paranormal romance and urban fantasy. If you're a fan of J.R Ward, Sherrilyn Kenyon, Lara Adrian, Jeaniene Frost, Kelley Armstrong, Christine Feehan or Kresley Cole then you'll love Lindsay J. Pryor's books too. The Blackthorn series reading order: 1.BLOOD SHADOWS 2.BLOOD ROSES 3.BLOOD TORN 4.BLOOD DEEP 5.BLOOD DARK 6. BLOOD INSTINCT 7. BLOOD BOUND What readers are saying about Blood Roses 'Blood Roses was an awesome continuation of the Blackthorn series. Not only are Pryor's characters and fathomlessly dark love stories fabulous, but her continual world building of Blackthorn blows me away. Blood Roses is a highly recommended read! Graveltells.com 'It pulls no punches, its heroes are on the edge, and its sex scenes are off the charts.' Thedemonlibrarian.com 'I felt as much a part of the emotional rollercoaster the characters themselves. Needless to say, I devoured the book in a single sitting! After reading the first two books of the Blackthorn series I am definitely on the Lindsay Pryor fan bandwagon!' VampireRomanceBooks.com 'This is a deliciously dark book. This isn't your typical happily ever after story, and I think that's what drew me to the series in the first place. This is the second book I've read, and I honestly think it's better than the first.' RomFan Reviews

[Wise Blood](#) W. W. Norton & Company

Hugo Marston's friend Paul Rogers dies unexpectedly in a locked room at the American Library in Paris. The police conclude that Rogers died of natural causes, but Hugo is certain mischief is afoot. As he pokes around the library, Hugo discovers that rumors are swirling around some recently donated letters from American actress Isabelle Severin. The reason: they may indicate that the actress had aided the Resistance in frequent trips to France toward the end of World War II. Even more dramatic is the legend that the Severin collection also contains a dagger, one she used to kill an SS officer in 1944. Hugo delves deeper into the stacks at the American library and finally realizes that the history of this case isn't what anyone suspected. But to prove he's right, Hugo must return to the scene of a decades-old crime. From the Trade Paperback edition.

*The Pastor's Kid* Bookouture

"As sharp and slick as a switchblade—both excellent entertainment and an acute psychological portrait. Add Mark Pryor to your must-read list—I have." —LEE CHILD, #1 New York Times–bestselling author Dominic is a prosecutor, a musician, and an Englishman living in Texas. He's also a psychopath. His main goal is to hide his condition and lead a seemingly normal life in hopes to pay off his debts and become a full-time musician in Austin's club scene. But on one lousy day his carefully-controlled world starts to shatter: he's demoted at work and accused of stealing a fellow musician's song. He also meets a beautiful woman in a lime green dress--perhaps the biggest threat to his safety of all. At her urging, Dominic hatches a plan to steal a van he knows will be filled with cash. He picks two friends as accomplices, insisting on no guns and no violence. But a security guard catches them in the act and simple theft turns into capital murder. Cracks start to show in the conspiracy and, with no allegiance to anyone but himself, Dominic has to decide whether to stick by his partners in crime, or let his true nature come out to play. From the Trade Paperback edition.

*The Reluctant Matador* Interpet

Cardiac arrest can strike a seemingly healthy individual of any age, race, ethnicity, or gender at any time in any location, often without warning. Cardiac arrest is the third leading cause of death

in the United States, following cancer and heart disease. Four out of five cardiac arrests occur in the home, and more than 90 percent of individuals with cardiac arrest die before reaching the hospital. First and foremost, cardiac arrest treatment is a community issue - local resources and personnel must provide appropriate, high-quality care to save the life of a community member. Time between onset of arrest and provision of care is fundamental, and shortening this time is one of the best ways to reduce the risk of death and disability from cardiac arrest. Specific actions can be implemented now to decrease this time, and recent advances in science could lead to new discoveries in the causes of, and treatments for, cardiac arrest. However, specific barriers must first be addressed. *Strategies to Improve Cardiac Arrest Survival* examines the complete system of

response to cardiac arrest in the United States and identifies opportunities within existing and new treatments, strategies, and research that promise to improve the survival and recovery of patients. The recommendations of *Strategies to Improve Cardiac Arrest Survival* provide high-priority actions to advance the field as a whole. This report will help citizens, government agencies, and private industry to improve health outcomes from sudden cardiac arrest across the United States.

*Blood Shadows* Simon and Schuster

When his bookseller friend, a former Holocaust survivor and Nazi hunter, is kidnapped and other booksellers are murdered, Hugo Marston, head of security for the U.S. embassy in Paris discovers a shocking conspiracy. Original.

[The Button Man](#) Hachette UK

A young American woman is attacked at an historic Paris chateau and four paintings are stolen the same night, drawing Hugo Marston into a case where everyone seems like a suspect. To solve this mystery Hugo must crack the secrets of the icy and arrogant Lambour family, who seem more interested in protecting their good name than future victims. Just as Hugo thinks he's close, some of the paintings mysteriously reappear, at the very same time that one of his suspects goes missing. While under pressure to catch a killer, Hugo also has to face the consequences of an act some see as heroic, but others believe might have been staged for self-serving reasons. This puts Hugo under a media and police spotlight he doesn't want, and helps the killer he's hunting mark him as the next target....
