Roger Federer: a Biography of the Tennis Legend

RODNEY HAMLET

OMB No. 2176205931598 edited by

Roger Federer University of Chicago Press
FEDERER is almost universally recognised as the greatest tennis

player of all time; he might also be the greatest athlete. Adored around the world, Federer has become one of sport's most iconic and popular figures. In this innovative graphic biography, Federer's genius is explored and celebrated like never before,

with beautiful infographics looking at his serving patterns, the speed of his shots, the spin he generates, his movement, as well as his performance in high-pressure situations such as tiebreaks and Grand Slam finals. Federer's astonishing records - no man has won more majors, or spent more weeks as the world number one - are also showcased against his rivals and the legends of the game. Drawing on his conversations with Federer, as well as exclusive interviews with those close to the Swiss, Mark Hodgkinson tells the story of how a young hothead from Basel transformed himself into a calm and poised athlete who came to dominate tennis. And who, while deep in his thirties, has continued to seek improvements, to challenge men many years younger than him and to contend for the sport's biggest prizes. The infographics, stunning photography and insight and analysis - from Federer's rivals, idols, coaches and members of his inner circle - will give you a new appreciation of his greatness and how his tennis has moved so many people.

Backfired Kings Road Publishing

Roger Federer could live anywhere in the world, but he always returns to the place he loves most: Switzerland. Dave Seminara is a mad traveler and tennis lifer who has written about Federer for The New York Times and other publications. A pair of autoimmune diseases and a knee surgery kept Dave from playing tennis for years, but as he inched toward recovery, he had a bright idea: why not start his tennis comeback on hallowed ground—courts that his hero Roger Federer graced in Switzerland. *Footsteps of Federer* is a funny, novella-length account of Seminara's travels across seven Swiss cantons in search of insights into Federer's character, which is inextricably linked to his deep roots in, and love for, his country. Seminara timed his unique pilgrimage to the 2019 Swiss Indoors, where he had a chance to ask Roger a number of offbeat questions before and after Federer hoisted his record tenth title there. Seminara's Federer pilgrimage took him to Switzerland's most important abbey, where he prayed with Abbot Urban Federer; to the vineyard of Jakob Federer from Berneck, where the Federer clan originated from; to the stunning villa where Roger and Mirka were married; and to many of the neighborhoods and tennis clubs where Roger has lived and trained at over the years.

A TERRIBLE SPLENDOR

Blake Publishing

Regarded by many as the greatest tennis player in the history of the sport, this authoritative biography is based on many exclusive interviews with Federer and his family as well as the author's experience covering the international tennis circuit for many years. Completely comprehensive, it provides an informed account of the Swiss tennis star from his early days as a temperamental player on the junior circuit, through his early professional career, to his winning major tennis tournaments, including the U.S. Open and Wimbledon. Readers will appreciate the anecdotes about his early years, revel in the insider's view of the professional tennis circuit, and be inspired by this champion's rise to the top of his game.

Roger Federer and Rafael Nadal Roger Federer

Every sport has its superstars, but there is a small, elite group reserved for those who truly transcend their sport. Entering 2014 as the world number one, with 13 Grand Slam titles to his name, Rafael Nadal belongs in this group. Nadal's tennis journey began in his native Mallorca as a three-year-old and he quickly emerged as a natural, surging into the top 50 of the world rankings by the age of 16. Originally considered a clay-court specialist, he quickly showed he was much more than that. While he continues to make Roland Garros his second home, the Spaniard has also captured the Wimbledon, Australian Open and US Open crowns, completing the full set of Grand Slams in 2010. From his 2008 marathon against Roger Federer at Wimbledon to his classic semi-final victory over Novak Djokovic at the 2013 French Open, Nadal never disappoints on the big stage. His oncourt brilliance is only matched by his off-court humility. And, at 28, there is plenty more to come. So long as he stays clear of the persistent knee injuries that have haunted him, the Spaniard is on pace to finish his career as the greatest player of all-time. This book is the ultimate look at Nadal's rise to the top.

The Roger Federer Story Amerisearch, Inc.

This book is the complete guide to one of the greatest tennis players of the 21st century, winner of 22 grand slam men's singles titles, and undisputed King of the tennis court, Spain's raging bull, Rafael Nadal. This fully illustrated biography charts his journey to the top, from his early days being coached by his uncle Toni in Mallorca and dreaming of being a professional footballer, through his early tournament career, turning professional, his first senior ATP win, first grand slam win at Roland Garros, first Wimbledon win and first Olympic gold medal and record breaking 21st Grand Slam win. Written by Dominic Bliss, a veteran tennis journalist who has followed Nadal's career closely both on and off the court, this biography tracks Rafa's journey from painfully shy pin-up boy to senior statesman on the ATP Tour who continues to conquer worldwide, most recently claiming his 14th Roland Garros and 22nd Grand Slam title at the French Open in June 2022. Structured around 10 key matches in his long career, it takes readers from his first national junior championship win at age 14 (when he played with the pain of a broken finger on his racquet hand) through to his 21st Grand Slam title in January 2022, where he came back from two sets down to defeat Daniil Medvedev in an epic 5-set match. From his need for water bottles to be arranged 'a certain way' on the court, to his charity work raising \$17 million to help the Red Cross' efforts to support those impacted by the coronavirus pandemic, this book examines every angle of Rafa as a human being, a model athlete, a serial winner. This definitive work on one of tennis' all time greats is not to be missed!

ROGER FEDERER

Our mission is to present the stories of athletes who are not only impactful in their sport, but also great people outside of it. The athletes we write about have gone above and beyond to become impactful in their community and great role models for the youth, all while showing excellence in their profession. We publish concise, easily consumable books that portray the turning points in the lives of these great athletes, while also giving the context in which they occurred. Our books are especially great for children who look up to sports figures. Hopefully these athletes can serve as a source of inspiration and their stories can provide life lessons that are practical for fans of any demographic.

Federer Farrar, Straus and Giroux

Roger Federer is a legend not only in the world of tennis but also in the wider sporting arena. With a record-breaking tally of 16 Grand Slam titles to his name, he shows no sign of slowing down and in 2010 added another Australian Open win to his collection, as well as taking the trophy in the end-of-season ATP World Wide

Tour Finals in London. This authoritative and affectionate biography traces the rise of Federer, from his first tentative strokes with a tennis racket to how he dealt with being sent away to a training academy where he struggled to communicate in a French-speaking part of Switzerland; and how he handled the sudden death of his first real coach and mentor. It looks at his development as a sportsman and how he has matured into a family man with his marriage to Mirka Vavrinec and the birth of their twin girls. It also examines how Roger bounced back from arguably one of the most challenging periods of his career as, following a serious illness and a dip in form, his run of successive Wimbledon championship wins was ended and he was toppled from the number one spot by his long-time rival Rafael Nadal. In characteristic style, Federer silenced his critics by winning the French Open title for the first time, reclaiming his Wimbledon crown and ending 2009 at the number one position for the fifth time.

Roger Federer Amerisearch, Inc.

This is an interesting and inspiring collection of history vignettes, one for each day of the year. Well-known national holidays and achievements are recalled in detail as well as facts of courage, sacrifice, and captivating American trivia.

Roger Federer Kings Road Publishing

In his memoir, written with award-winning journalist John Carlin, tennis star Rafael Nadal reveals the secrets of his game and shares the inspiring personal story behind his success. What makes a champion? What does it take to be the best in the world at your sport? Rafael Nadal has the answers. It begins in Mallorca, where the tight-knit Nadal family has lived for generations. Coached by his uncle Toni from the age of four and taught humility and respect by his parents, Nadal has managed the uncommon feat of becoming an acclaimed global celebrity while remaining a gracious, hardworking role model for people in all walks of life. Now he takes us behind the scenes, from winning the Wimbledon 2008 final -- described by John McEnroe as "the greatest game of tennis" he had ever seen -- to the family problems that brought him low in 2009 and the numerous injuries that have threatened his career. With candor and intelligence, Nadal brings readers on his dramatic and triumphant journey, never losing sight of the prize he values above all others: the unity and love of his family. From RAFA: "During a match, you are

in a permanent battle to fight back your everyday vulnerabilities, bottle up your human feelings. The more bottled up they are, the greater your chances of winning, so long as you've trained as hard as you play and the gap in talent is not too wide between you and your rival. The gap in talent with Federer existed, but it was not impossibly wide. It was narrow enough, even on his favorite surface in the tournament he played best, for me to know that if I silenced the doubts and fears, and exaggerated hopes, inside my head better than he did, I could beat him. You have to cage yourself in protective armor, turn yourself into a bloodless warrior. It's a kind of self-hypnosis, a game you play, with deadly seriousness, to disguise your own weaknesses from yourself, as well as from your rival."

Novak Djokovic - The Biography Kurz & Bundig

- The outstanding English-language biography of the great Swiss star, arguably the greatest tennis player of all time, now exhaustively revised and updated

Roger Federer John Blake

Before Federer versus Nadal, before Borg versus McEnroe, the greatest tennis match ever played pitted the dominant Don Budge against the seductively handsome Baron Gottfried von Cramm. This deciding 1937 Davis Cup match, played on the hallowed grounds of Wimbledon, was a battle of titans: the world's number one tennis player against the number two; America against Germany; democracy against fascism. For five superhuman sets, the duo's brilliant shotmaking kept the Centre Court crowd--and the world--spellbound. But the match's significance extended well beyond the immaculate grass courts of Wimbledon. Against the backdrop of the Great Depression and the brink of World War II, one man played for the pride of his country while the other played for his life. Budge, the humble hard-working American who would soon become the first man to win all four Grand Slam titles in the same year, vied to keep the Davis Cup out of the hands of the Nazi regime. On the other side of the net, the immensely popular and elegant von Cramm fought Budge point for point knowing that a loss might precipitate his descent into the living hell being constructed behind barbed wire back home. Born into an aristocratic family, von Cramm was admired for his devastating good looks as well as his unparalleled sportsmanship. But he harbored a dark secret, one that put him under increasing Gestapo surveillance. And his situation was

made even more perilous by his refusal to join the Nazi Party or defend Hitler. Desperately relying on his athletic achievements and the global spotlight to keep him out of the Gestapo's clutches, his strategy was to keep traveling and keep winning. A Davis Cup victory would make him the toast of Germany. A loss might be catastrophic. Watching the mesmerizingly intense match from the stands was von Cramm's mentor and all-time tennis superstar Bill Tilden—a consummate showman whose double life would run in ironic counterpoint to that of his German pupil. Set at a time when sports and politics were inextricably linked, *A Terrible Splendor* gives readers a courtside seat on that fateful day, moving gracefully between the tennis match for the ages and the dramatic events leading Germany, Britain, and America into global war. A book like no other in its weaving of social significance and athletic spectacle, this soul-stirring account is ultimately a tribute to the strength of the human spirit.

The Last Days of Roger Federer Fame Life Bios

Widely regarded as one of the greatest ever sportspeople, Roger Federer is a global phenomenon. From his humble beginnings as a temperamental teenager to becoming symbol of enduring greatness, *The Master* is the definitive biography of a global icon who is both beloved and yet intensely private. But his path from temperamental, bleach-blond teenager with dubious style sense to one of the greatest, most self-possessed and elegant of competitors has been a long-running act of will, not destiny. He not only had a great gift. He had grit. With access to Federer's inner circle, including his wife, Mirka, his longtime trainer and based on one-on-one interviews with Federer, legendary sports reporter Chris Clarey's account will be a must read retrospective for the loyal sports fans, and anyone interested in the inner workings of unfaltering excellence. *The Master* tells the story of Federer's life and career on both an intimate and grand scale.

STROKES OF GENIUS

HarperCollins UK

One of Esquire's best books of spring 2022 An extended meditation on late style and last works from "one of our greatest living critics" (Kathryn Schulz, New York). When artists and athletes age, what happens to their work? Does it ripen or rot?

Achieve a new serenity or succumb to an escalating torment? As our bodies decay, how do we keep on? In this beguiling meditation, Geoff Dyer sets his own encounter with late middle age against the last days and last works of writers, painters, footballers, musicians, and tennis stars who've mattered to him throughout his life. With a playful charm and penetrating intelligence, he recounts Friedrich Nietzsche's breakdown in Turin, Bob Dylan's reinventions of old songs, J. M. W. Turner's paintings of abstracted light, John Coltrane's cosmic melodies, Bjorn Borg's defeats, and Beethoven's final quartets—and considers the intensifications and modifications of experience that come when an ending is within sight. Throughout, he stresses the accomplishments of uncouth geniuses who defied convention, and went on doing so even when their beautiful youths were over. Ranging from Burning Man and the Doors to the nineteenth-century Alps and back, Dyer's book on last things is also a book about how to go on living with art and beauty—and on the entrancing effect and sudden illumination that an Art Pepper solo or Annie Dillard reflection can engender in even the most jaded and ironic sensibilities. Praised by Steve Martin for his "hilarious tics" and by Tom Bissell as "perhaps the most bafflingly great prose writer at work in the English language today," Dyer has now blended criticism, memoir, and humorous banter of the most serious kind into something entirely new. *The Last Days of Roger Federer* is a summation of Dyer's passions, and the perfect introduction to his sly and joyous work.
