### CLINTON BRYAN

Second Childhood Tin House Books

The Brotherhood, a secret society that meets in dreams, seeks to intervene in pivotal events of the past, as their story is told through a series of historical documents.

#### THESE VIOLENT DELIGHTS

Grand Central Publishing

A sly debut story collection that conjures the experience of adolescence through the eyes of Chinese American girls growing up in New York City—for readers of Zadie Smith and Helen Oyeyemi. Winner of the Los Angeles Times Book Prize • Winner of the PEN/Robert W. Bingham Prize for Debut Fiction • Finalist for the New York Public Library’s Young Lions Fiction Award NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • O: The Oprah Magazine • The Guardian • Esquire • New York • BuzzFeed A fresh new voice emerges with the arrival of *Sour Heart*, establishing Jenny Zhang as a frank and subversive interpreter of the immigrant experience in America. Her stories cut across generations and continents, moving from the fraught halls of a public school in Flushing, Queens, to the tumultuous streets of Shanghai, China, during the Cultural Revolution of the 1960s. In the absence of grown-ups, latchkey kids experiment on each other until one day the experiments turn violent; an overbearing mother abandons her artistic aspirations to come to America but relives her glory days through karaoke; and a shy loner struggles to master English so she can speak to God. Narrated by the daughters of Chinese immigrants who fled imperiled lives as artists back home only to struggle to stay afloat—dumpster diving for food and scamming Atlantic City casino buses to make a buck—these seven stories showcase Zhang’s compassion, moral courage, and a perverse sense of humor reminiscent of Portnoy’s Complaint. A darkly funny and intimate rendering of girlhood, *Sour Heart* examines what it means to belong to a family, to find your home, leave it, reject it, and return again. Praise for *Sour Heart* “[Jenny Zhang’s] coming-of-age tales are coarse and funny, sweet and sour, told in language that’s rough-hewn yet pulsating with energy.”—USA Today “One of the knockout fiction debuts of the year.”—New York “Compelling writing about what it means to be a teenager . . . It’s brilliant, it’s dark, but it’s also humorous and filled with love.”—Isaac Fitzgerald, Today “[A] combustible collection . . . in a class of its own.”—Booklist (starred review) “Gorgeous and grotesque . . . [a] tremendous debut.”—Slate

#### BALKAN AS METAPHOR

Lexington Books

In her exhilarating debut novel, Kresley Cole captures the drama, passion, and boundless adventure of the high seas -- as one fiery lass finds herself caught in a tide of torrid romance. Raised as a free spirit aboard her American sea captain father's majestic clipper ship, willful Nicole Lassiter has never encountered an obstacle she couldn't overcome -- until she meets Captain Derek Sutherland. His sizzling kisses leave her longing, but after they share a night of passion, his subsequent disdain makes her blood boil. Nicole vows to take her revenge -- by helping her father beat Sutherland in a high-stakes competition: the Great Circle Race from England to Australia. Nicole's scheme is thrown overboard after her father is wrongly imprisoned, yet she remains undaunted -- taking to the high seas with her father's ship. But a storm wrecks her plans, and she finds herself a virtual prisoner aboard Sutherland's vessel. And while her mind tells her she should escape, her body urges her to surrender...

Razlike između bosanskog/bošnjačkog, hrvatskog i srpskog jezika Penn State University Press

In this scholarly volume, each of the living Slavonic languages are analysed and described in depth, together with the two extinct languages - Old Church Slavonic and Polabian. In addition, the various alphabets of the Slavonic languages - particularly Roman, Cyrillic and Glagolitic - are discussed, and the relationships of the Slavonic languages to other Indo-European languages and to one another, are explored. The last chapter provides an account of those Slavonic languages in exile, for example, Russian, Ukrainian, Polish, Czech and Slovak in the USA. Each language-chapter is written by an expert in the field, in a format designed for comparative study. Information on each language includes: an introductory description of social context and development (where appropriate); a discussion of phonology; a detailed presentation of synchronic morphology, noting major historical developments; comprehensive treatment of syntactic properties; a discussion of vocabulary; an outline of main dialects; and an extensive bibliography, listing English and other sources.

An Essential Grammar Routledge

One of the most powerful of the Seth Books, this essential guide to conscious living clearly and powerfully articulates the furthest reaches of human potential, and the concept that we all create our own reality according to our individual beliefs. Having withstood the test of time, it is still considered one of the most dynamic and brilliant maps of inner reality available today. “The Seth books present an alternate map of reality with a new diagram of the psyche . . . useful to all explorers of consciousness.” — Deepak Chopra “Seth was one of my first metaphysical teachers. He remains a constant source of knowledge and inspiration in my life.” — Marianne Williamson “I would like to see the Seth books as required reading for anyone on their spiritual pathway. The amazing in-depth information in the Seth books is as relevant today as it was in the early ’70s when Jane Roberts first
