They have one summer to find what was lost long ago. "Never settle for less than the truth," she told him. But when you don't even know your real name, the truth gets a little complicated. It can nestle so close to home it's hard to see. It can even flourish inside a lie. And as Chase Walker discovered, learning the

truth about who you are can be as elusive—and as magical—as chasing fireflies on a summer night. A haunting story about fishing, baseball, home cooking, and other matters of life and death.

CHASING A FLAWED SUN

Scholastic Inc.

The full story of how our relationship with light shapes our health, productivity and mood. 'A sparkling and illuminating study, one of those rare books that could

genuinely improve your life' Sunday Times Since the dawn of time, humans have worshipped the sun. And with good reason. Our biology is set up to work in partnership with it. From our sleep cycles to our immune systems and our mental health, access to sunlight is crucial for living a happy and fulfilling life. New research suggests that our sun exposure over a lifetime - even before we were born - may shape our risk of developing a range of different illnesses, from depression to diabetes. Bursting with cutting-edge science and eye-opening advice, *Chasing the Sun* explores the extraordinary significance of sunlight, from ancient solstice celebrations to modern sleep labs, and from the unexpected health benefits of sun exposure to what the Amish know

about sleep that the rest of us don't. As more of us move into light-polluted cities, spending our days in dim offices and our evenings watching brightly lit screens, we are in danger of losing something vital: our connection to the star that gave us life. It's a loss that could have far-reaching consequences that we're only just beginning to grasp. [Sunrise](#) *Chasing the Sun* The Epic Story of the Star That Gives Us Life This is a prequel novella to the *Underground Series* and can be read at any time in the series. While Alice rampaged through *Wonderland* a different story was being told. One that never should have been forgotten. The Fae courts have always been separated. So different from each other they could never agree on what is right and what is

very very wrong. Until now. A mistake long forgotten is quickly closing in and the two courts must now put all their faith in combining their powers by marriage. Lynne is nothing more than a caged bird. With only her books and plants to keep her company she will finally get the chance to be free when the Seelie Queen commands her to marry. The dark prince of the UnSeelie Court is nothing like Lynne would have imagined. Dashing and a bit broody he will capture her heart before she can even realize what has happened. But not everyone wants a happily ever after for these two Fae. There are some who would revel in seeing them fall and in turn all of the Wonderland will burn.

In the grand tradition of the scholar-

adventurer, acclaimed author Richard Cohen takes us around the world to illuminate our relationship with the star that gives us life. Drawing on more than seven years of research, he reports from locations in eighteen different countries. As he soon discovers, the Sun is present everywhere—in mythology, language, religion, politics, sciences, art, literature, and medicine, even in the ocean's depths. For some ancient worshippers, our star was a man abandoned by his spouse because his brightness made her weary. The early Christians appropriated the Sun's imagery, with the cross becoming an emblem of the star and its rays, and the halo a variation of that. Einstein helped replicate the Sun's power to create the atomic bomb, while Richard Wagner had Tristan inveigh

against daylight as the enemy of romantic love. In this splendidly illustrated volume packed with captivating facts, extraordinary myths, and surprising anecdotes, Cohen not only explains the star that so inspires us, but shows how multifaceted our relationship with it has been—and continues to be.

A rancher and the woman he wronged get a second chance at love in the final western romance in Kaki Warner's Blood Rose Trilogy... Daisy Etheridge had to put her dreams aside when she fell in love and bore the child of a man who loved another. Now, she's been given the opportunity to sing on a real stage

and provide a better life for her daughter—but training will require money Daisy doesn't have. With nowhere else to turn Daisy heads to New Mexico Territory to ask for the help of the wealthy family of the man who abandoned her... While Jack Wilkins never wanted to work his family's ranch, a devotion to a childhood love has brought him back home to win her one last time. But when Daisy appears with a baby who has eyes like his own, Jack gets caught between his feelings for his old flame and his new role as a father. Jack offers to marry Daisy—though she's wary of a man whose head and heart are prone to wanderlust. But when the ranch is threatened and the Wilkins family is strained to the breaking point, Jack and Daisy must choose what they want out

of their lives—and out of each other...

First appearing in 1899 *The Awakening* is regarded as work presaging both feminist fiction and literary modernism. The author's clear vision of a woman's internal and external conflicts continue to demand engagement and response from readers. *The Awakening* follows Edna Pontellier as she recognizes and attempts to deal with her confining lot as a woman and mother in the 19th century American South. Torn between traditional roles and an inchoate desire for independence and a more passionate life, she faces more than one difficult choice, leading to a grim reckoning. Initially receiving a mixed critical

reception, including much condemnation for its frank depiction of adultery, the novel has gone on to be recognized as both a classic piece of fiction and a groundbreaking work of women's realism. The poignant portrayal of the protagonist attempting to determine her true feminine identity makes this one of the first novels willing to openly confront women's issues, to make clear that traditional roles could be limiting and to legitimize an emotional life that transcended society's boundaries. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Awakening* is both modern and readable.

MIDNIGHT SUN

#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity,

award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF. [Chasing Hearts](#) Little, Brown Books for Young Readers Sun, Sangria and new starts, from the author of the bestselling *Five French Hens*. Molly's seventieth birthday comes as something of a shock. The woman in the mirror certainly looks every day of those seventy years, but inside Molly feels she still has so much more living left to do. Widowed and living alone with

her cat Crumper, Molly fears she is slipping into a cliché of old age. When Molly's sister Nell appears on her doorstep, distraught that her husband of more than forty years, Phil, has left her for a younger lover, the women decide to seize the day. By the morning, flights are booked, bags are packed, and off they go for an adventure in Spain. The sun, the sea, the new friends and the freedom are just the tonic for broken hearts and flagging souls. But even Spain isn't enough to revive Molly's spirit. A solo journey to Mexico is booked as Molly continues to chase the sun and to chase happiness. Will she find what she's looking for in Mexico, or will she discover that true contentment can't be found on a map, but it might just be found in a new flame. Judy Leigh is back,

Who the heck rents out a whole Inn during the offseason? Lin Our small beachside town is on an island with one

way in and way out. I love the offseason, it's slow, quiet, and my time to do projects around the place. That is until some Hollywood big wig calls and books the whole place for a week. Who does that?! I can handle one week, right? One week turns to two when a storm comes and washes out the only bridge on to the island. Then somehow, he talks me into being his pretend girlfriend by saying how much exposure it will bring not just to my Inn but my best friends as well. Damn him. Kade Being a Hollywood Playboy isn't all it's cracked up to be. I have been trying to ditch the title for a year now but when I'm photographed leaving a club with my co-star's wife things get ugly. No one believes I was getting her home because she was trashed and that nothing happened. So,

my manager suggests I spend a week at the Sunrise Inn and just lay low. Let it pass. Then the storm hits, and I'm stranded on the Island. Not that I'm complaining the Inn owner is more than easy on the eyes. So I suggest a fake relationship with her as a last-ditch effort to save my career. Only each fake date feels real and when her ex tries to win her back, I decide it's time to stake my claim. When I can finally leave the island, I know I can't walk away. How do I convince her to leave everything and come to Hollywood with me? This is a Steamy, Small Town, Beach Romance. No Cliffhangers. This is Book 1 in the Chasing The Sun Duet. As always there is a satisfying Happy Ever After. If you love steamy romances with insta love, hot love scenes, a bad boy, small towns,

THE SCARLET LETTER

Random House Trade Paperbacks

In this coming-of-age romance perfect for fans of Jenny Han and Sarah Dessen, scandal and romance collide when an ambitious teen returns to her hometown only to have her plans interrupted after falling for the town's "bad boy"—a.k.a. her childhood best friend. Sometimes to find the good, you have to embrace the bad. Budding photographer Josie Saint-Martin has spent half her life with her single mother, moving from city to city. When they return to her historical New England hometown years later to run the family bookstore, Josie knows it's not forever. Her dreams are on the opposite coast, and she has a plan to get there. What she doesn't plan for is a run-in with the town bad boy, Lucky Karras. Outsider, rebel...and her former childhood best friend. Lucky makes it

clear he wants nothing to do with the newly returned Josie. But everything changes after a disastrous pool party, and a poorly executed act of revenge lands Josie in some big-time trouble—with Lucky unexpectedly taking the blame. Determined to understand why Lucky was so quick to cover for her, Josie discovers that both of them have changed, and that the good boy she once knew now has a dark sense of humor and a smile that makes her heart race. And maybe, just maybe, he's not quite the brooding bad boy everyone thinks he is...

Lately, seventh grader Nizhoni Begay

has been able to detect monsters, like that man in the fancy suit who was in the bleachers at her basketball game. Turns out he's Mr. Charles, her dad's new boss at the oil and gas company, and he's alarmingly interested in Nizhoni and her brother, Mac, their Navajo heritage, and the legend of the Hero Twins. Nizhoni knows he's a threat, but her father won't believe her. When Dad disappears the next day, leaving behind a message that says "Run!", the siblings and Nizhoni's best friend, Davery, are thrust into a rescue mission that can only be accomplished with the help of Diné Holy People, all disguised as quirky characters. Their aid will come at a price: the kids must pass a series of trials in which it seems like nature itself is out to kill them. If Nizhoni, Mac, and

Davery can reach the House of the Sun, they will be outfitted with what they need to defeat the ancient monsters Mr. Charles has unleashed. But it will take more than weapons for Nizhoni to become the hero she was destined to be . . . Timeless themes such as the importance of family and respect for the land resonate in this funny, fast-paced, and exciting quest adventure set in the American Southwest.
