*Lies, Deceit, Adultery and my Husband's Boyfriend* is the moving autobiography of Anne Maree Spencer, as she encounters the heartbreaking news that the love of her life has not only been cheating on her and lying for over two years, but his new partner is a man. Her once loving heterosexual partner and the father of her two children has "changed his sexual preference" after 30 years of marriage. Anne Maree's pursuit of getting her life back on track with the support of her children and friends is a touching book about the power and determination of one woman's fight against feeling unloved and worthless to that of re-inventing herself. This autobiography tells it like it is, with no apologies for its descriptive language. You will be inspired by the author's rise in self-esteem and self-worth as she divorces her cheating husband, who left her for "Boo Boo," a man 30-plus years his junior. This book not only opens "a can of worms" of lies, deceit and adultery but puts into perspective what quite a few women are experiencing in their daily lives. Anne Maree opens her soul to give other women the courage and strength to grow beyond these harsh realities to become a better, stronger empowered woman. About the Author Anne Maree Spencer grew up in Melbourne, Australia. "I have been through hell and back in my discovery of my unfaithful husband. I have dragged myself up

from the depths of depression. My friends encouraged me to write about it as not only therapy, but also as a way to help other women who find themselves in a similar situation." Publisher's website: <http://sbprabooks.com/AnneMareeSpencer>

Honesty is my moral compass, which is grounded and rooted upon a solid and stable foundation. My sense of integrity, self-worth, and self-confidence is not dependent on the outside world, but it is an internal feeling. This feeling cannot be emulated. You have to build one for yourself. Learn to focus on more than the outer appearance of things, and use a soft focus on the senses you have been divinely blessed with. Believe me, there is always much more to a story than meets the eye and ear. Listen to your breathing and heartbeat, and then you will become aware of the rhythms around you. Mix all of the ingredients with a hungry thirst for knowledge and a curious mind, and it will help you build your moral compass of honesty.

Camilla was brutally stabbed to death more than forty years ago while baby Reed lay in his crib mere steps away. The trail went so cold that the Las Vegas Police Department has given up hope of solving the case. But then a shattering family secret changes everything Reed knows about his origins, his murdered mother, and his powerful adoptive father, state senator Angus Markham. Now Reed has to wonder if his mother's killer is uncomfortably close to home. Unable to trust his family with the details of his personal investigation, Reed enlists his friend, suspended cop Ellery Hathaway, to join his quest in Vegas. Ellery has experience with both troubled families and diabolical murderers, having narrowly escaped from each of them. She's eager to skip town, too, because her own father, who abandoned her years ago, is suddenly desperate to get back in contact. He also has a secret that could change her life forever, if Ellery will let him close enough to hear it. Far from home and relying only on each other, Reed and Ellery discover young Camilla had snared the attention of dangerous men, any of whom might have wanted to shut her up for good. They start tracing his twisted family history, knowing the path leads back to a vicious killer—one who has been hiding in plain sight for forty years and isn't about to give up now.
