Random House Trade Paperbacks
Princess Mononoke (1997) is one of anime's most important films. Hayao Miyazaki's epic fantasy broke domestic box office records when it came out in Japan, keeping pace with the success of Hollywood films like Titanic (1997). Princess Mononoke was also the first of Studio Ghibli's films to be distributed outside Japan as part of a new deal with Disney subsidiary Buena Vista International. Coinciding with the 20th anniversary of the release of the film, Rayna Denison curates this new collection to critically reflect on Princess Mononoke's significance within and beyond Japanese culture. The collection investigates the production, and reproduction, processes involved in the making of Princess Mononoke into a global phenomenon and reevaluates the film's significance within a range of global markets, animation techniques, and cultures. In revisiting this undeniably important film, the collection sheds light on the tensions within anime and the cultural and social issues that Princess Mononoke explores, from environmental protection to globalization to the

representation of marginalized groups. In this remarkable new collection, Princess Mononoke is examined as a key player during a major turning point in Japanese animation history.

Understanding Romeo and Juliet Vintage
Neil Gaiman's critically-acclaimed adult fairy tale makes the leap from novel to screen in this spectacular new movie starring Claire Danes, Michelle Pfeiffer, Robert De Niro, Rupert Everett, Peter O'Toole, Sienna Miller and Ricky Gervais. Tristran Thorn vows to retrieve a fallen star and deliver it to his beloved. His quest leads over an ancient wall, into a magical realm strange beyond imagining... This stunning hardcover volume follows the storyline of the movie, with commentary & interviews with the starry cast and the crew, enchanting color photos, and beautiful, fully painted production art, the full magical screenplay and an exclusive introduction by Neil Gaiman.

Homeland Claire Danes

Claire Catherine Danes (born April 12, 1979) is an American actress. She is the recipient of three Emmy Awards, four Golden Globe Awards, and two Screen Actors Guild Awards. In 2012, Time named her one of the 100 most influential people in the world, and she was awarded a star on the Hollywood Walk of Fame in 2015. Danes gained early recognition as Angela Chase in the acclaimed 1994 teen drama series *My So-Called Life*. [3] The role won her a Golden Globe Award for Best Actress and

a Primetime Emmy nomination for Outstanding Lead Actress in a Drama Series. She made her film debut the same year in *Little Women* (1994). Her other films include *Home for the Holidays* (1995), *Romeo + Juliet* (1996), *The Rainmaker* (1997), *Les Misérables* (1998), *Brokedown Palace* (1999), the 1999 English dub of *Princess Mononoke* (1997), *Igby Goes Down* (2002), *The Hours* (2002), *Terminator 3: Rise of the Machines* (2003), *Shopgirl* (2005), *Stardust* (2007), *Brigsby Bear* (2017), and *A Kid Like Jake* (2018).

NUMEROLOGY FOR CLAIRE DANES

Arrow

All 12 episodes from the third season of the critically acclaimed US drama centred around the lives of former US Marine Nicholas Brody (Damian Lewis) and CIA agent Carrie Mathison (Claire Danes). After the bombing of the CIA headquarters of Langley, Brody is declared missing and deemed the prime suspect for the attack. As Carrie is suspected of helping Brody carry out the attack she is placed in a psych ward where mental health professionals can keep an eye on her. The plot thickens as Brody is rescued by a Venezuelan drug gang who take him in and make him one of their own. The episodes are: 'Tin Man Is Down', 'Uh ... Oh ... Ah ... ', 'Tower of David', 'Game On', 'The Yoga Play', 'Still

Positive', 'Gerontion', 'A Red Wheelbarrow', 'One Last Thing', 'Good Night', 'Big Man in Tehran' and 'The Star'.

Picador

"An extraordinary, often hilarious novel." --The New York Times A revelatory tale of love gained and lost, from a master of contemporary American fiction. Gerard sits, fully clothed, in his empty bathtub and pines for Benna. Neighbors in the same apartment building, they share a wall and Gerard listens for the sound of her toilet flushing. Gerard loves Benna. And then Benna loves Gerard. She listens to him play piano, she teaches poetry and sings at nightclubs. As their relationships ebbs and flows, through reality and imagination, Lorrie Moore paints a captivating, innovative portrait of men and women in love and not in love.

Hachette Books

While his parents are in Geneva, sixteen-year-old Dan spends his last year of high school living with his twenty-two-year-old bass-playing aunt, Jacq, and her beautiful friend Naomi, whose active love life is audible through the wall between their bedrooms.

Mother Jones Magazine Independently Published

One of our country's most acclaimed and beloved entertainers, Steve Martin has written a novella that is unexpectedly perceptive about relationships and life. Martin is profoundly wise when it comes to the inner workings of the human heart. Mirabelle is the "shopgirl" of the title, a young woman, beautiful in a wallflowerish kind of way, who works behind the glove counter at Neiman Marcus "selling things that nobody buys anymore . . ." Slightly lost, slightly off-kilter, very shy, Mirabelle charms because of all that she is not: not glamorous, not aggressive, not self-aggrandizing. Still there is something about her that is irresistible. Mirabelle captures the attention of Ray Porter, a wealthy businessman almost twice her age. As they tentatively embark on a relationship, they both struggle to decipher the language of love--with consequences that are both comic and heartbreaking. Filled with the kind of witty, discerning observations that have brought Steve Martin critical success, Shopgirl is a work of disarming tenderness.

This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"--

DEAR MR. YOU

Emereo Publishing
NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD LONGLIST • "A masterpiece" (NPR) about marriage, divorce, and the bewildering dynamics of ambition Coming soon as an FX limited series on Hulu, starring Claire Danes, Jesse Eisenberg, Lizzy Caplan, and Adam Brody ONE OF THE TEN BEST BOOKS OF THE YEAR—Entertainment Weekly, The New York Public Library ONE OF THE BEST BOOKS OF THE YEAR—The New York Times Book Review, Time, The Washington Post, USA Today Vanity Fair, Vogue, NPR, Chicago Tribune, GQ, Vox, Refinery29, Elle, The Guardian, Real Simple, Financial Times, Parade, Good Housekeeping, New Statesman, Marie Claire, Town & Country, Evening Standard, Thrillist, Booklist, Kirkus Reviews, BookPage, BookRiot, Shelf Awareness Toby Fleishman thought he

knew what to expect when he and his wife of almost fifteen years separated: weekends and every other holiday with the kids, some residual bitterness, the occasional moment of tension in their co-parenting negotiations. He could not have predicted that one day, in the middle of his summer of sexual emancipation, Rachel would just drop their two children off at his place and simply not return. He had been working so hard to find equilibrium in his single life. The winds of his optimism, long dormant, had finally begun to pick up. Now this. As Toby tries to figure out where Rachel went, all while juggling his patients at the hospital, his never-ending parental duties, and his new app-assisted sexual popularity, his tidy narrative of the spurned husband with the too-ambitious wife is his sole consolation. But if Toby ever wants to truly understand what happened to Rachel and what happened to his marriage, he is going to have to consider that he might not have seen things all that clearly in the first place. A searing, utterly unvarnished debut, *Fleishman Is in Trouble* is an insightful, unsettling, often hilarious exploration of a culture trying to navigate the fault lines of an institution that has proven to be worthy of our great wariness and our great hope. *Alma's Best Jewish Novel of the Year* • Finalist for the National Book Critics Circle's John Leonard Prize for Best First Book

[Shoppgirl](#) Independently Published

As a teenager pretty much left to raise herself, Lucy Diamond is a narrator with a radiant yet guarded heart. As she races at breakneck pace toward womanhood, everything is at stake for her, producing an urgency and dread that she holds at bay with humor and grace. But while Lucy charges ahead,

her mother's youth is fading.

Simultaneously embracing and resisting their similarities, Fromm reveals both women's emotional vulnerabilities and their deep mutual need. Conveyed through dialogue that is both laugh-aloud-funny and true, Lucy stands out in contemporary literature for her large heart and inimitable grit.

The flock Simon and Schuster

Claire Danes Notebook for School or as a Diary, Lined With More than 100 Pages. Notebook that can serve as a Planner, Journal, Notes and for Drawings. [Screen World 2000](#) Bloomsbury Publishing USA

Dear Angela includes fourteen critical essays that examine the brief-lived but landmark television series, *My So-Called Life* (1994-1995). Though certainly not the first young woman to be the center of a television series, Angela Chase and the show about her life were doing something new on television and influenced many of the shows about young people that followed. Michele Byers and David Lavery bring together enthusiastic and engaging voices that bear on a series that continues to be hailed as a breakthrough moment in

television, even though more than a decade has passed since its cancellation. Tackling a broad range of topics--from identity politics, to music, to infidelity, and death--each essay builds upon a belief that *My So-Called Life* is a particularly rich text worth studying for the clues it offers about a particular moment in cultural and television history. *Dear Angela* offers a sophisticated analysis of the show's legacy and cultural relevance that will appeal to media studies scholars and fans alike.
