But their dying grandfather's request brings them home: to a failing business, a legacy of secrets and a deathbed promise to make things right. As the eldest brother, attorney Jace Granger is determined to take responsibility for Granger Aeronautics, his family's failing business. But the years of mismanagement seem impossible to untangle. As CEO, he hires a consultant to turn the company around. Smart, sexy Shana Bradford is the right person for the job—and the right woman to turn Jace's world upside down. But the passion between them is jeopardized when old secrets begin to emerge. A woman from Jace's past suddenly reappears. And an explosive discovery changes everything Jace thinks he knows about his mother—and his father, who was convicted of her murder. Jace Granger tried to leave his family history behind once before. But this time he needs to face the past...or risk losing his future. Three brothers. One legacy. A lifetime of secrets.

*New Movie Edition - This edition includes behind-the-scenes photos from filming, plus an extending ending! Watch the full-length movie on PassionFlix starting September 20th!*Cole Masten. Abandoned by his superstar wife, Hollywood's Perfect Husband is now Hollywood's Sexiest Bachelor: partying hard and screwing even harder. Watch out Los Angeles, there's a new bad boy in town. Summer Jenkins. That's me, a small town girl stuck in Quincy, Georgia.

I cook some mean chicken and dumplings, can bluff a grown man out of his savings in poker, and was voted Most Friendly my senior year. We were from different worlds. Our lives shouldn't have collided. But then Cole Masten read a book about my small town. And six months later, his jet landed on our dusty airstrip, and he brought Hollywood with him. From the start, I knew he was trouble. For our town. And for me. Sometimes, opposites just aren't meant to attract.

SEX LOVE REPEAT

Diversion Books

Sometimes it only takes a minute. A connection of eyes across a room, a quickened heartbeat, and everything changes. I was a cocktail waitress with a fondness for partying and meaningless sex. He owned half of Vegas, with the reputation to match. I should have turned away. Instead, I stepped closer. Then, the lies started. Rumors spread. Stalking commenced. And someone died. None of it stopped me from falling in love.

Wingman rule number two: never reveal how much you want them. Lex hates Gabi. Gabi hates Lex. But, hey, at least the hate is mutual, right? All Lex has to do is survive the next few weeks training Gabi in all the ways of Wingmen Inc. and then he can be done with her. But now that they have to work together, the sexual tension and fighting is off the charts. He isn't sure if he wants to strangle her or throw her against the nearest sturdy table and have his way with her. But Gabi has a secret,

something she's keeping from not just her best friend but her nemesis too. Lines are blurred as Lex becomes less the villain she's always painted him to be...and starts turning into something more. Gabi has always hated the way she's been just a little bit attracted to him--no computer-science major should have that nice of a body or look that good in glasses--but "Lex Luthor" is an evil womanizer. He's dangerous. Gabi should stay far, far away. Then again, she's always wanted a little danger. *The Girl in 6E* Select Publishing LLC

Equal parts Dexter and 50 Shades, this is the eagerly awaited new novel from A. R. Torre, author of the award winning erotic thriller, *The Girl in 6E*. The rules are the same. I can't open the door. I can't leave. I can't kill anyone. The only difference is, I don't set the rules anymore. Guards in grey uniforms do. It is everything I never wanted and everything I always deserved. I write to you now, from a prison cell. My home for the next twenty to thirty years. That's the going term for murder.

From New York Times bestselling author Alessandra Torre... Chloe Madison. That's me. A former NYU princess who just fell from grace, right off my pampered Manhattan throne and onto the unforgiving steps of Nicole Brantley, socialite and queen bitch. Now, I walk her dog and mix her smoothies. Try to navigate my own problems while fixing all of hers. I want what every New York girl wants. A career, an apartment, and true love, preferably in a smoking hot package. It turns out I'll have to fight for all of it.

The internet's most famous celebrities

hate each other. Or, at least they think they do...There was a lot I did to get to this point, to get 42 million followers. Some of it I was proud of, most of it I wasn't. There was a group of us, all internet celebrities, and everyone wanted in, which is how six of us ended up living in this mansion, a camera always on, the public always watching. Two months and nine carefully scripted TV episodes that would get us more of the three F's we were desperately chasing. Fame. Fortune. Followers. I knew my role. I was Emma, the unlikeable one. The dark villain with the devious smile. The package of dynamite that would blow up any chance of peaceful living and harmony. Cash knew his role. He was the good guy. The lovable one. The one that everyone, even the darkest cast member of them all, would fall in love with. They were supposed to just be roles. None of it was supposed to be real. My heart didn't get that memo. *Lipocalins* Thomas & Mercer

From a NYT Bestseller - An emotional and gripping story of a famous author who struggles to write her final novel - a true story that confesses her darkest secret. "I'm not sure what you have been told about me, but I'm not nearly as bad as they make me out to be." His deliciously deep voice carried a little bit of ego. Pre-law student Julia Campbell is fresh off a failed engagement and happy with her new independence. Even if she weren't warned away from Brad at every turn, she'd know he was bad news. The last thing she needs is a man who could destroy her job prospects, not to mention her innocence. But before she knows it, the incorrigible charmer has her under his spell. His deviant tastes plunge her deep into a forbidden world of sexual exploration...but her heart may not survive the fall.

"I was happy in my small town. In my life as a single, thirty-two year old woman. I had a good job, wonderful friends, my independence. I also hadn't been laid in three years. Hadn't been on a date in two. Had stopped counting calories and wearing makeup...a while ago. Then Brett Jacobs waltzed in. Caressed my thigh, dug rough fingers into my hair, lowered his soft mouth to my skin, took

sexual control of my mind and stirred it all around with what he packed in his pants. He dumped my quiet life upside down and crawled into a place in my heart I thought was dead. The issue is his secret. The issue is her. The issue is that I don't even know she exists, and he thinks she's dead. The issue is that shit is about to hit the fan and I can't hold on to him tight enough"--Page 4 of cover.
